Love Of Mountains Two Stories By Uno Koji:

Love of Mountains Uno Koji,1997-06-01 Uno Koji a literary figure of the first rank in twentieth century Japan was a maverick who defied literary conventions by combining the playfulness and stylistic verve of pre Meiji literature with the often tortured self reflection of modern fiction Elaine Gerbert s startlingly evocative and graceful translation is preceded by an interpretive introduction that places Uno s writing in critical perspective Here at last is a translation that makes accessible for the first time in English two of the most representative works of this acute eccentric and always entertaining author whose versatility and deft control of language earned him a reputation as one of the great stylists of modern Japanese literature

Three-Dimensional Reading Angela Yiu,2013-07-31 A 29th century dystopian society seen through the eyes of a mutant cum romantic poet a post impressionist landscape of orbs and cubes experienced by a wandering underdog an imaginary sick room generated entirely from sounds reaching the ears of an invalid These and other haunting re presentations of time and space constitute the Japanese modernist landscape depicted in this volume of stories from the 1910s to the 1930s The fourteen stories selected for this anthology by both relatively unknown and must read authors experiment with a protean modernist style in the vivacious period between the nation building Meiji and the early years of Showa The writers capture imaginary temporal and spatial dimensions that embody forms of futuristic urban space colonial space utopia dystopia and heterotopia Their work invites readers to abandon the conventional naturalistic approach to spatial and temporal representations and explore how the physical and empirical experience of time and space is distorted and reconfigured through the prism of modernist Japanese prose An introduction and prefatory materials provide historical and critical context for Japanese modernism making *Three Dimensional Reading* a valuable teaching text not only for the study of modern Japanese literature but for world literature global modernism and utopian studies as well The volume also includes drawings by contemporary artist Sakaguchi Ky hei whose ability to create a stunning visual reality beyond the borders of time and place is a testament to the power and reverberations of the modernist imagination
