scenes stories about cast director playwright and the various productions and will also renew their curiosity about the connection between the role of Blanche and Vivien Leigh's insatiable sexual appetite and later descent into breakdown They may also for the first time question whether the character of Blanche was actually mad or whether her anxiousness was symptomatic of another disorder A Streetcar Named Desire is one of the most haunting and most studied modern plays Staggs new book will fascinate fans and enrich newcomers understanding of its importance in American theater and movie history A comprehensive minihistory of 20th century American stage and screen and Staggs doesn't skimp on tabloid juice Publishers Weekly Opinionated revealing constantly entertaining account of the birth and growth of Tennessee Williams's most famous play Everything you ever wanted to know about a masterpiece Kirkus Reviews [Gone with the Wind on Film](#) Cynthia Marylee Molt, 1990 This is the definitive collection of data about all aspects of this film the ten sections focus on characters in the novel the players and their own histories costuming every major garment worn major set furnishings the filming schedule etc Also bibliographies discographies filmographies of the actors and actresses and collectibles An appendix lists available still photographs **Olivier** Philip Ziegler, 2014-06-03 A finalist for the Sheridan Morley Prize that has been called probably the best Olivier book for general readers Kirkus Reviews Philip Ziegler's Olivier provides an incredibly accessible and comprehensive portrait of this Hollywood superstar Oscar winning director and one who is considered the greatest stage actor of the twentieth century The era abounded in great actors Gielgud Richardson Guinness Burton O Toole but none could challenge Laurence Olivier's range and power By the 1940s he had achieved international stardom His affair with Vivien Leigh led to a marriage as glamorous and as tragic as any in Hollywood history He was as accomplished a director as he was a leading man his three Shakespearian adaptations are among the most memorable ever filmed And yet at the height of his fame he accepted what was no more than an administrator's wage to become the founding Director of the National Theatre In 2013 the theatre celebrates its fiftieth anniversary without Olivier's leadership it would never have achieved the status that it enjoys today Off stage Olivier was the most extravagant of characters generous yet almost insanely jealous of those few contemporaries whom he deemed to be his rivals charming but with a ferocious temper With access to more than fifty hours of candid unpublished interviews Ziegler ensures that Olivier's true character at its most undisguised shines through as never before **British Popular Films 1929-1939** Stephen Shafer, 2003-09-02 Shafer's study challenges the conventional historical assumption that British feature films during the Thirties were mostly oriented to the middle class Instead he makes the critical distinction between films intended for West End and international circulation and those intended primarily for domestic working class audiences Far from being alienated by a middle class institution working men and women flocked to see pictures featuring such music hall luminaries as Gracie Fields and George Formby **Liz C.** David Heymann, 2011-04-04 Elizabeth Taylor's own story was more dramatic than any part she ever played on the screen C David Heymann brings her magnificently to life in this acclaimed biography updated with a new chapter covering her final years

The Two Frank Thrings Peter Fitzpatrick, 2012-08-01 They shared a name of course and their physical resemblance was startling And both Frank Thrings were huge figures in the landscape of twentieth century Australian theatre and film But in many ways they could hardly have been more different Frank Thring the father 1882-1936 began his career as a sideshow conjuror and he wheeled dealed and occasionally married his way into becoming the legendary F T impresario speculator and owner of Efttee Films Australia's first talkies studio He built for himself an image of grand patriarchal respectability a sizeable fortune and all the makings of a dynasty Frank Thring the son 1926-1994 squandered the fortune and derailed the dynasty in the course of creating his own persona a unique presence that could make most stages and foyers seem small He won fame playing tyrants in togas in Hollywood blockbusters then suddenly came home to Melbourne to play perhaps his finest role that of Frank Thring actor and personality extraordinaire Central to this role was that Frank the son was unapologetically and outrageously gay Peter Fitzpatrick's compelling dual biography tells the story of two remarkable characters It's a kind of detective story following the tracks of two men who did all they could to cover their tracks and to conceal the self Frank the father used secrecy and sleight of hand as strategies for self protection Frank the son masked a thoroughly reclusive personality with flamboyant self parody It's also the tale of a lost relationship and of the power a father may have had even over a son who hardly knew him

Depression B. Mahendra, 2012-12-06 The purpose of this book is to acknowledge the universality of depression to throw some light on those aspects of depression which are neglected in the more conventional treatments of the subject and also to attempt to provide a synthesis between the biological and socio

environmental factors which lead to the onset of depression and modify its course A book devoted to depression has the advantage that it has the space at its disposal to explain and clarify concepts and promising ideas that a chapter in even a comprehensive textbook does not have A single author writing about all the relevant aspects of a subject brings with him the merit of uniformity continuity and lack of repetition He is also more fallible in some areas than others which finds an exact parallel in the experience of clinicians in their practice A multi author multi specialist work portrays an air of omniscience and omnicompetence which many clinicians find dispiriting It is likely a considerable number of practising clinicians will have a greater knowledge and experience in some areas of the subject of this book than I have and will feel emboldened to approach others The entire work is informed by historical considerations The lesson of history is to be open minded and not to judge too harshly those that have gone before

Anglo-India and the End of Empire Uther

Charlton-Stevens,2022-12-01 The standard image of the Raj is of an aloof pampered and prejudiced British elite lording it over an oppressed and hostile Indian subject population Like most caricatures this obscures as much truth as it reveals The British had not always been so aloof The earlier more cosmopolitan period of East India Company rule saw abundant interracial sex and occasional marriage alongside greater cultural openness and exchange The result was a large and growing mixed race community known by the early twentieth century as Anglo Indians Notwithstanding its faults Empire could never have been maintained without the active sometimes enthusiastic support of many colonial subjects These included Indian elites professionals civil servants businesspeople and minority groups of all kinds who flourished under the patronage of the imperial state and could be used in a divide and rule strategy to prolong colonial rule Independence was profoundly unsettling to those destined to become minorities in the new nation and the Anglo Indians were no exception This refreshing account looks at the dramatic end of British rule in India through Anglo Indian eyes a perspective that is neither colonial apologia nor nationalist polemic Its history resonates strikingly with the complex identity debates of the twenty first century

Movie Anecdotes Peter Hay,1991-12-12 Hollywood Walter Winchell quipped is where they shoot too many movies and not enough actors Always looking for an angle always scheming always the scene of clashing egos the movie industry is where they place you under contract instead of observation and if you don't have anything nice to say write it down In 1940 I had my choice between Hitler and Hollywood French director Ren Clair recalled and I preferred Hollywood just a little In Movie Anecdotes Peter Hay treats us to a delightful ride through the world that has captivated audiences for almost a century with stories that are often hilarious sometimes tragic and always entertaining He takes us from the rough and tumble early days when one studio paid Pancho Villa 25 000 to launch his attacks only in daylight after a film crew had set up to the studio era when Joan Crawford refused to cross the street on the MGM lot except in a chauffeured limousine to the shenanigans of today's global industry Here are stories about all the legends Charlie Chaplin Greta Garbo John Barrymore Mae West Lucille Ball Marilyn Monroe Errol Flynn Humphrey Bogart Bette Davis Judy Garland Sophia Loren John

Wayne and of course Ronald Reagan There are the great directors from D W Griffith Hitchcock and Eisenstein to Kurosawa Bergman Visconti Huston Ford and Woody Allen And Hay has selected tales of the writers the wits and the grand moguls including perhaps the largest collection of Goldwynisms both genuine and apocryphal Along with the laughter this volume recreates the conflicts that have torn the movie world from battles over money and contracts to discrimination divorces and scandals Colorful incredible bitter funny the stories about moviemaking are as fantastic as the pictures themselves Now they have been gathered together in an irresistible bouquet that is certain to delight every movie buff and provide fascinating insights for serious students of film

Border Crossing Alexander Burry,2016-04-08 Each time a border is crossed there are cultural political and social issues to be considered Applying the metaphor of the border crossing from one temporal or spatial territory into another Border Crossing Russian Literature into Film examines the way classic Russian texts have been altered to suit new cinematic environments In these essays international scholars examine how political and economic circumstances from a shifting Soviet political landscape to the perceived demands of American and European markets have played a crucial role in dictating how filmmakers transpose their cinematic hypertext into a new environment Rather than focus on the degree of accuracy or fidelity with which these films address their originating texts this innovative collection explores the role of ideological political and other cultural pressures that can affect the transformation of literary narratives into cinematic offerings
