Sex, Love, and Fidelity: A Study of Contemporary Romantic Relationships Kassia Wosick, 2012-12-28 Romantic relationships hold enormous significance within contemporary society and monogamous marriage continues to serve as the master template informing the structure personal and legal parameters of intimacy Although social changes have indeed impacted traditional notions of marriage and coupledness monogamy continues to serve as the ultimate embodiment of commitment love and devotion to one's partner and operates as the fundamental framework of sexual and emotional exclusivity Relationship rules serve as a key indicator of what individuals expect and value within their intimate lives For example the rules of marriage and therefore monogamy

emphasize loyalty exclusivity and faithfulness between two partners which is generally operationalized as fidelity Further rule violations are often characterized as infidelity and represent a breach to the commitment established between partners The rules of monogamy as well as the consequences for violating them have been normalized and institutionalized in both paradigm and practice American culture is decidedly mononormative and fidelity is central to monogamous relationships While the master monogamous template continues to be institutionally and individually reinforced some actively choose to break the rules of monogamy in favor of multiple sexual and or romantic relations Consensual nonmonogamists in contexts like open relationships swinging and polyamory challenge the master monogamous template through not only engaging with multiple sexual and or romantic partners but also being consensual and usually overt about them If monogamists have rules about other partners that ensure fidelity do nonmonogamists have rules If so what are they and what purpose do they serve in a relationship structure that has already broken the cardinal rule of exclusivity Is commitment important in nonmonogamous relationships and does fidelity exist between partners who are having sex with and or falling in love with other partners This study draws on over 2 000 surveys and 70 in depth interviews with monogamists nonmonogamists and polyamorists to examine the meaning significance and practice of fidelity within their intimate relationships Results indicate that fidelity exists in some variation in all relationship types The book presents a Fidelity Typology based on differentiations between sexual and emotional exclusivity as well as whether behavior aligns with ideology The author argues that while exclusivity may not be a necessity in today s romantic relationships feeling special is key regardless of whether a relationship is monogamous nonmonogamous or polyamorous However how an individual experiences and ensures specialness is tempered by definitions of love and sex differentiating between sexual and emotional exclusivity and engaging individual agency in creating rules between partners The book highlights that gender and sexual orientation are most salient in conceptualizations of monogamy sex and love rates of nonmonogamy and even relationship agreements and rules The author offers a nuanced framework for understanding commitment in today s romantic relationships invoking a more agentic approach to achieving specialness called personal fidelity The author argues that while personal fidelity is ultimately socially informed through the master template it is also largely based on one s sexual and emotional self awareness accountability and perceived responsibility to other partner s Personal fidelity may well be the catalyst for ensuring specialness between partners and preserving the significance of one s intimate relationship s This is an important book for sexualities studies as well as scholars and students interested in gender family and intimate relationships

Love, Sex, and Romance Sergio Garcia, 2003-02 We spend so much time worrying about the little things in life money objects bills insignificant things really We give these things much more importance than they deserve because these things are so truly trivial when compared to the significant things in life like love health family and friends We allow these trivial things to constantly overwhelm us and worry us sick We always wish for the future as opposed to rejoicing in the present and appreciating life for what it truly is a

gift an opportunity to love and to be loved and by doing so opening our eyes to a truly beautiful reality a reality we fail to see without love We fail to see the true beauty of life the beauty of a brand new morning the beauty of a butterfly resting in a rose or the sweet melodies the bird sing Instead we focus on the petty things and by so doing we keep ourselves from achieving the true happiness we seek Time and time again I have encountered unhappiness in life and particularly in relationships People do not understand why their relationships are not going in the right direction People wonder why they are not as happy as they wish they could be and usually the reason for this is not an insurmountable one This unhappiness is mostly caused by a lack of communication lack of trust lack of honesty lack of attention or understanding Sometimes a combination of these prevents us from achieving true happiness but they can be overcome and with my help and your willingness to change you will achieve just that These problems unfortunately are very common but there is a solution a simple solution I want to share with you I want to change the status quo by providing you with the tools you will need to overcome these problems I want to provide you with the tools you need to more successfully approach your love interest to better deal with your significant other and to even improve your marriage and everyday life I will show you how to communicate appreciate and better understand your partner above all I will help you love again The reason behind this book being written is the beautiful feeling one feels as soon as one falls in love a feeling that should never disappear It should evolve and become more objective but no less beautiful the flame of love should never vanish The honeymoon period whether you are married or have just entered into your first relationship should not fade and pass it should just transform and it can It will require a little effort and awareness of each other's preferences but remember all worthwhile endeavors do The origin of this book then rests in the predominant lack of understanding between the sexes in the predominant complaint My boyfriend pays more attention to his car than to me as well as My wife is always nagging no matter what I do she's never happy The origin of this book is due to the strong belief that I can change that that I can provide you the reader with a happy medium I strongly believe that I can show you how to meet halfway and become a happier person and a happier couple in the process I believe that I can help change those statements to something more positive I believe I can change those statements to something like my boyfriend enjoys spending time working on his car but he loves me I'm the most important thing in his life or my wife is the greatest she knows how much I love her and she knows any opportunity I get I want to be with her because I'm the most important person in her life Maybe you noticed the use of thing and person and that is a purposeful mistake as you will soon learn

Challenge of the Heart John Welwood, 1985-10-12 This powerful collection of essays by such notables as D H Lawrence Robert Bly Anne Morrow Lindbergh and Rainer Maria Rilke focuses on the challenges of love between men and women addressing the questions and difficulties arising for people in relationships today Anyone who is has been or hopes to be in an intimate relationship with a person of the opposite sex will find this book must reading The first group of essays deals with the contradictions and possibilities inherent in erotic love leading to the question posed in the

next section What do men and women really want The contributors ten explore marriage as an ongoing path of personal transformation That opens into a look at sexuality itself as an especially vivid meeting of two different worlds The book closes with a group of writings that consider relationship as a vehicle for developing power wisdom and inner truth Carefully selected threaded together by Welwood s insightful commentary the essays presented here approach the challenge of intimacy with bravery and gentleness inspiring the reader toward becoming a warrior of the heart Love, Sex and Intimacy Nitya Lacroix,1995-09

well researched and coherently argued this book presents top quality research and draws appropriately on the existing knowledge in this area The focus on fidelity across different kinds of relationship structures is very original and will prove an important contribution to the field of relationship research A key strength of this study is that the analysis pays attention to both commonalities and diversity which is rare even in qualitative research The analysis is also both clearly expressed and sophisticated Dr Meg Barker Open University This is a fascinating investigation of the meaning of love sex and fidelity for different kinds of couples Kassia Wosick reports on a survey and in depth conversations with couples that were straight and gay monogamous and non monogamous traditional and polyamorous Love and being special are enormously important in all of these groups But she also finds startling differences For some sexual exclusiveness is critical For others being faithful means not loving anyone else but sex with others is ok For polyamorous couples having explicit rules and being open and honest is the heart of fidelity and being special And having sex can mean many different things This book persuasively argues that we need more flexible emotion focused concepts of love commitment and fidelity The traditional focus on sexual exclusivity does not fit many contemporary relationships This is a very valuable book for researchers and therapists and for all of us who care about love sex and faithfulness Professor Francesca Cancian University of California Irvine Engaging insightful thoroughly researched and well written Sex Love and Fidelity Study of Contemporary Romantic Relationships provides a compelling analysis of evolving relationships with a unique focus on levels of monogamy that surpasses previous studies to contribute refreshing insights into current meanings of sexuality and love Wosick untangles the myriad cultural assumptions underlying the concept of fidelity and details the various ways in which fidelity expresses in a range of contemporary relationships from dual fidelity and strict monogamy through veiled fidelity and almost monogamy to specified fidelity and non monogamy and ending with agentic fidelity and polyamory Now that few people in the US expect to be monogamous in the classical sense of marrying as a virgin and remaining in one life long sexually exclusive relationship Sex Love and Fidelity provides the information necessary for us to update our understandings of contemporary love and commitment Dr Elisabeth Sheff Sheff Consulting Group *UNRAVELED* ,2019-06-15 We all want to experience genuine relationship to feel loved and accepted for who we are We give and give in relationships only to be left feeling disappointed and alone Our negative sexual experiences and mistakes from our past hold us hostage keeping us stuck in unhealthy relationship patterns Is there any hope Intended for group use Unraveled Managing Love Sex and Relationships guides women through the process of healing exploring how our past pain and trauma family of origin and life circumstances shape how we behave in relationships Through the use of personal stories strategic tools and exercises and weekly self care lessons Unraveled will become our guide We will discover the core of our distorted beliefs address the shame that drives our behaviors and write a new ending to our story crafted with hope and purpose Walk with us as we discover the truth of God s love and allow Him to transform our story through the power of His grace Together we ll learn how to live an authentic
