Love And Power:

The End of Divine Truthiness: Love, Power, and God Paul Joseph Greene, 2017-08-01 In *The End of Divine Truthiness* Paul Joseph Greene confronts stark realities of terrifying theologies that make a mockery out of divine love With urgent resolve Greene answers Martin Luther King Jr's pointed challenge to overcome reckless and abusive power without love and sentimental and anemic love without power Too many theologies cast God either as the tyrant whose loveless power lifts up the mighty or the victim whose powerless love sends the poor away empty Wielding Stephen Colbert's word truthiness as a scalpel Greene slices out one perilous theology after another to restore the wholesome truth that God is love Supported by three world religions Buddhism Christianity and Taoism he discovers a remarkably harmonious and revolutionary divine power that is fully aligned with divine love To reunify love and power here in the world as King challenges it is time to abandon ideologies of divine power that devastate divine love and promote atrocities Greene's call for the end of divine truthiness heralds a new day for the God whose love is power and whose power is love [Love, Power, and Gender in Seventeenth-Century French Fairy Tales](#) Bronwyn Reddan, 2020-12 Love is a key ingredient in the stereotypical fairy tale ending in which everyone lives happily ever after This romantic formula continues to influence contemporary ideas about love and marriage but it ignores the history of love as an emotion that shapes and is shaped by hierarchies of power including gender class education and social status This interdisciplinary study questions the idealization of love as the ultimate happy ending by showing how the conteuses the women writers who dominated the first French fairy tale vogue in the 1690s used the fairy tale genre to critique the power dynamics of courtship and marriage Their tales do not sit comfortably in the fairy tale canon as they explore the good the bad and the ugly effects of love and marriage on the lives of their heroines Bronwyn Reddan argues that the conteuses scripts for love emphasize the importance of gender in determining the right way to love in seventeenth century France Their version of fairy tale love is historical and contingent rather than universal and timeless This conversation about love compels revision of the happily ever after narrative and offers incisive commentary on the gendered scripts for the performance of love in courtship and marriage in seventeenth century France **Love Power Politics!!** Prashant Sharma, 2012 LOVE POWER POLITICS They say power corrupts and absolute power corrupts absolutely A story of two friends Gopal and Hari Gopal the ambitious go getter who will do anything to be in the council and eventually the President of the college And Hari his able sidekick And the story of Radha young enigmatic in love and more ambitious than Gopal himself In this political battle of wit love mystery and betrayal who will emerge as the final winner [The Power of Love - A Tale of Time](#) Ross J. Kinnaird, 2024-06-20 Evil even the most terrifying is often born from the seeds of previous malevolence We can observe it judge it fight against it but deep down we acknowledge in the quiet recesses of our hearts that we have played a part in its creation shaping it into our greatest adversary A Tale of Time serves as the prequel to The Power of Love The One Set in a remote corner of the universe Runae
