Love at the Heart of Things Douglas V. Steele, 1998-04-01 **The Heart of Things** A.C. Grayling, 2010-12-09 The new bestseller from one of Britain's most pre eminent philosophers and arguably the best known A C Grayling Everyone wishes to live a life that is satisfying and fulfilling in which there is achievement and pleasure and which has the respect of people one in turn respects And one of the fundamentals to living such a life is to reflect on the choices we make In this new collection A C Grayling invites the reader into a conversation with ideas From personal questions about happiness and quality of life to wider public concerns such as war and democracy these essays provide a springboard to thought and to exploring what is best about the human heart and mind **Outsider at the Heart of Things** Richard P. Blackmur, 1989 The Mystery at the Heart of Things Phillip S. Washburn, 2008-12 *The Distance from the Heart of Things* Ashley Warlick, 1997-06-18 In South Carolina a woman returns home from college with a bookkeeping degree to help her grandfather run his vineyards The novel describes her life amid a gallery of characters from an uncle her age whom she loves to a friend who boasts she never wears underwear A first novel The Heart of Things John Hildebrand, 2014-08-18 I've never believed that living in one place means being one thing all the time condemned like Minnie Pearl to wear the same hat for every performance Life is more complicated than that In this remarkable book of days John Hildebrand charts the overlapping rings home town countryside of life in the Midwest Like E B White Hildebrand locates the humor and drama in ordinary life church suppers Friday night football outdoor weddings garden compost family reunions roadside memorials camouflage clothing In these wry sharply observed essays the Midwest isn't The Land Time Forgot but a more complicated and vastly more interesting place where the good life awaits once we figure exactly out what it means From his home range in northwestern Wisconsin Hildebrand attempts to do just that by boiling down a calendar year to its rich marrow of weather animals family home in other words all the things that matter In the Heart of the Valley of Love Cynthia Kadohata, 1997-04-14 This novel explores human relationships in a Los Angeles of the future where rich and poor are deeply polarized and where water food gas and education cannot be taken for granted The Small Heart of Things Julian Hoffman, 2013-10-15 In *The Small Heart of Things* Julian Hoffman intimately examines the myriad ways in which connections to the natural world can be deepened through an equality of perception whether it's a caterpillar carrying its house of leaves transhumant shepherds ranging high mountain pastures a quail taking cover on an empty steppe or a Turkmen family emigrating from Afghanistan to Istanbul The narrative spans the common and often contested ground that supports human and natural communities alike seeking the unsung stories that sustain us Guided by the belief of Rainer Maria Rilke that everything beckons us to perceive it Hoffman explores the area around the Prespa Lakes the first transboundary park in the Balkans shared by Greece Albania and the former Yugoslav Republic of Macedonia From there he travels widely to regions rarely written about exploring the idea that home is wherever we happen to be if we accord that place our close and patient attention *The Small Heart of Things* is a

book about looking and listening It incorporates travel and natural history writing that interweaves human stories with those of wild creatures Distinguished by Hoffman s belief that through awareness curiosity and openness we have the potential to forge abiding relationships with a range of places it illuminates how these many connections can teach us to be at home in the world **A Love Discovered (The Heart of Cheyenne Book #1)** Tracie Peterson,2024-03-05 The heart finds its way

when one least expects it even in the most unforgiving frontiers Invited by a friend to trek west and help establish the newly formed town of Cheyenne Edward Vogel is prepared to leave the haunting memories of his wife and son s deaths behind him The only problem is the corrupt new railroad town wants family men who can establish law and order and desperation leads Edward to his friend Marybeth with a proposition of marriage After her father s death leaves her with no means of support Marybeth Kruger is in danger of having her two year old half sister taken from her So when Edward Vogel the widower husband of her late best friend offers her a marriage of convenience to escape both their troubles she has no choice but to accept Life in Cheyenne is fraught with danger but will this arrangement be enough to save Edward and Marybeth from the pasts they tried to escape Or will life with each other put them and their hearts in more danger than ever **The Beast**

Imatation of the Sacred Heart of Jesus Peter Joseph Arnoudt,Aeterna Press, THE most ancient special devotion of Christians is doubtless that of the Sacred Heart of Jesus the Son of God The holy Sacraments and the other objects of devotion did not yet exist when the Blessed Virgin Mary found her delight in worshiping the most Sweet Heart of her Jesus already did Holy Joseph clasp that Heart to his bosom even then were the Shepherds and the Magi Simeon and Anna the Apostles and the Disciples attracted to It and by It they longed to show to It the affection and love of their hearts But after Jesus had called upon all men to learn that He is meek and humble of Heart after He had drawn from the treasury of His Heart that best of all gifts the Sacrament of the Most Blessed Eucharist lastly after He had willed that upon the Cross His Heart should be opened and continue open as a place of refuge for all then was devotion to His Divine Heart wonderfully increased Aeterna PressAeterna Press

Cunningham,2001-09-11 The Heart of What Matters shows that literature has a powerful and unique role to play in understanding life s deepest ethical problems Anthony Cunningham provides a rigorous critique of Kantian ethics which has enjoyed a preeminent place in moral philosophy in the United States arguing that it does not do justice to the reality of our lives He demonstrates how fine literature can play an important role in honing our capacity to see clearly and choose wisely as he develops a moral philosophy that engages with our intimate emotional concerns Written in an accessible style and drawing from a provocative body of contemporary literature this book shows how moral philosophy can reach a far wider audience than it has In part one of this book Cunningham sketches out the theoretical basis for a redefined conception of moral philosophy In part two he engages in extended analyses of novels that address significant life and character issues specifically Kazuo Ishiguro s *The Remains of the Day* Toni Morrison s *Beloved* and Zora Neale Hurston s *Their Eyes Were Watching God* and Seraph on the Suwanee Cunningham shows exactly how works like these can inform moral philosophy Drawing from film history psychology and other social sciences in addition to literature this book adds to the growing number of works that use literature for ethical analysis and to the growing controversy over Kantian ethics *The Sunday Magazine*,1872

Fire of Mercy, Heart of the Word, Vol 2 Erasmo Leiva-Merikakis,1996-01-01 To the unstudied eye St Matthew s gospel can seem a terse narrative almost a historical document and not the tremendously spiritual and doctrinal storehouse that it is In his third volume of meditations on Matthew chapters 19-25 Erasmo Leiva continues to show Matthew s prose to be not terse so much as economical astoundingly so given its depth The lay reader can derive great profit from reading this Each short meditation

comments on a verse or two pointing to some facet of the text not immediately apparent but rich with meaning Leiva's work is scholarly but eminently approachable by the lay reader The tone is very much of taste and see how good the Lord is and an invitation of friend come up higher The goal of the book is to help the reader experience the heat of the divine heart and the light of the divine Word Leiva comments on the Greek text demonstrating nuances in the text that defy translation He uses numerous quotes from the Fathers and the Liturgy of the Church to demonstrate the way the Tradition has lived and read the Word of God His theological reflection vivifies doctrine by seeking its roots in the words and actions of Jesus
