Love At The Helm:

Love at the Helm Barbara Cartland,1982-09-01 Captain Conrad Horn s first assignment with his new ship the Invincible is to transport Lady Delora to Antigua where she is to marry the local governor

The Oxford Handbook of the Philosophy of Love Christopher Grau,Aaron Smuts,2024 The Oxford Handbook of the Philosophy of Love offers a wide array of original essays from leading philosophers on the nature and value of love

Game Love Jessica Enevold,Esther MacCallum-Stewart,2015-01-09 What does love have to do with gaming As games have grown in complexity they have increasingly included narratives that seek to engage players with love in a variety of ways While media attention often focuses on violent emotions and behavior in gaming love has always been central to the experience We love to play games we have titles that we love and sometimes we love too much or love terrible games for their shortcomings Love in gaming is rather like love in life often complicated and frustrating but also exciting and gratifying This collection of fresh essays explores the meaning and role of love in gaming describing a number of ways from coding to cosplay in which love can be expressed in for and around games Investigating how gaming involves love is also key to understanding the growing importance of games and gamers as cultural markers

Love Takes the Helm Joan Marsh,1967

Love At The Helm Barbara Cartland,2016-01-01 Fresh from heroic exploits in the Battle of Trafalgar Captain Conrad Tiger Horn has returned to Portsmouth take command of a magnificent new ship The Invincible which he is to sail to Antigua to defend British trading routes against American privateers and of course the French But the fly in the ointment is that he is obliged to take with him on his voyage his cousin Lady Delora Horn whom he has never met but whom he already loathes assuming that she is cut from the same cloth as her obnoxious brother the Earl of Scawthorn who has arranged for her to marry in Antigua a certain Lord Grammell who is the Governor of the British island Conrad at once feels sorry for her as Lord Grammell is not only past sixty and notorious as a drunkard he is also hugely fat unpleasant foul mouthed and debauched And he is only interested in marrying Delora for the large fortune she has inherited from her American mother as he will be able to control it once they are wed But Delora s appearance comes as a shock to Conrad Far from the hard faced mature woman he anticipates she is young and utterly lovely with eyes the colour of the deep blue sea golden hair and with an air of unsophisticated and unspoilt innocence Soon amid perilous battles on the high seas when Conrad is seriously wounded in the leg by enemy grapeshot the beautiful Delora saves the Captain s life and limb and love blossoms between them But so does despair for she is already unwillingly betrothed to the monstrous Lord Grammell who is waiting eagerly for her when The Invincible eventually does arrive in Antigua

The Land We Love ,1869

Love and Duty Angela Esco Elder,2022-03-10 Between 1861 and 1865 approximately 200 000 women were widowed by the deaths of Civil War soldiers They recorded their experiences in diaries letters scrapbooks and pension applications In Love and Duty Angela Esco Elder draws on these materials as well as songs literary works and material

objects like mourning gowns to explore white Confederate widows stories examining the records of their courtships marriages loves and losses to understand their complicated relationship with the Confederate state Elder shows how in losing their husbands many women acquired significant cultural capital which positioned them as unlikely actors to gain political influence Confederate officialdom championed a particular image of white widowhood the young wife who selflessly transferred her monogamous love from her dead husband to the deathless cause for which he d fought But a closer look reveals that these women spent their new cultural capital with great shrewdness and variety Not only were they aware of the social status gained in widowhood they also used that status on their own terms turning mourning into a highly politicized act amid the battle to establish the Confederacy s legitimacy Death forced all Confederate widows to reconstruct their lives but only some would choose to play a role in reconstructing the nation

Thinking About Love Diane Enns, Antonio Calcagno, 2015-11-10 Does love command an ineffability that remains inaccessible to the philosopher Thinking About Love considers the nature and experience of love through the writing of well known Continental philosophers such as Hannah Arendt Simone de Beauvoir Jacques Derrida and Maurice Merleau Ponty Evolving forms of social organization rapid developments in the field of psychology and novel variations on relationships demand new approaches to and ways of talking about love Rather than offering prescriptive claims this volume explores how one might think about the concept philosophically without attempting to resolve or alleviate its ambiguities paradoxes and limitations The essays focus on the contradictions and limits of love manifested in such phenomena as trust abuse grief death violence politics and desire An erudite examination of the many facets of love this book fills a lacuna in the philosophy of this richly complicated topic Along with the editors the contributors are Sophie Bourgault John Caruana Christina M Gschwandtner Marguerite La Caze Alphonso Lingis Christian Lotz Todd May Dawne McCance Dorothea Olkowski Felix Murchadha Fiona Utley and M lanie Walton
