Love Hate My Best Mate:

Lovehate Emily Smith,2009-07 Kaia and Gwinn unknowingly head out for the adventure of their lifetime They get lost in the dark forest avoid creatures who try to charm them to their death and fight the most evil being on Earth Or is he And then in the midst of things Gwinn is taken Who will save her Who are their friends Who are their foes Can they trust the ones they love or are they leading them to heartbreak and misery Is this all just a gory beautiful LoveHate quest *Falling for my Brother's Best Friend* Piper Rayne,2019-02-20 Let s say you re an independent self sufficient woman who runs the family company and you find yourself falling for your little brother s best friend Now more than ever you need to count all the reasons why you need to abandon falling Abandon Falling 1 He s a womanizer Hasn t had a serious relationship a day in his life and changes women more often than he changes his sheets Abandon Falling 2 He s never serious He cracks one liners mostly at your expense Abandon Falling 3 When things go wrong he seems unfazed and always remains in control It s so annoying Abandon Falling 4 He has tattoos Lots of them Everywhere Not to mention he owns a tattoo parlor Damn it Why doesn t that sound like a bad thing anymore Abandon Falling 5 There s a growing list of how different you two are You can t get along for fifteen minutes a lifetime together would land one of you in prison Keep repeating those reasons and drown yourself in work Pretend you don t notice his good qualities or how enticing he looks without a shirt and do not I repeat do not agree to live with the man while your place is being repaired from flood damage Trust me even the strongest of us can only forego temptation for so long *Winning my Best Friend's Girl* Piper Rayne,2020-07-21 NOW A USA TODAY

BESTSELLER Imagine lying in a hospital bed and the doctor who pulls the curtain back to treat you is the one who got away Even if you never really had her in the first place She s not only your high school crush she s the ex girlfriend of your ex best friend The one girl you ve always wanted Here s a step by step list to finally win her over Key to win 1 Try not to take offense that she snuck back into town without telling you six months ago Key to win 2 Rekindle the friendship to ease the awkwardness But DO NOT enter the friend zone Key to win 3 Ignore the fact that she went speed dating the night before Take it as good a sign maybe she s looking for a relationship Key to win 4 Attempt to keep the two of you out of the town gossip blog and away from your large family Make sure you don t let this last one throw you off your mission Key to win 5 Don t get deterred when you find out the past is about to repeat itself Because the man she met at the speed dating night is your best buddy from work Just remember you sat back and let her slip away once you won t do it a second time Failure is not an option Author Note This book does NOT contain cheating *My best friend's teachings* Adrian Salama,2020-01-14

Can we learn from our pets The answer is in this book My best friend s teachings Everything a child can learn from his pet is in this book It is a book that parents can read to their children and in that way create values and learning that will give them a better life as well as increase their emotional intelligence Foreword written in the book In truth it is a book creatively and intelligently written by Adrian who despite his young age or rather thanks to his youth gives us daily experiences combined

with profound wisdom thanks to his inexhaustible scientific curiosity and attitudes of help to others It is a book to be read and reread many times since in each rereading new elements appear that provide us with peace and love in our daily life Few books can be read today with the fruitfulness with which I enjoyed reading them The author takes us by the hand in a graceful light inviting and simple prose to be more and more successful in our lives My Best Friend's Baby K.A. Fox,2020-05-09 Rhea loves helping her friends She s always been the kind of girl to do anything for just about anyone But the most selfless act she s ever tried to accomplish is being a surrogate for her gay best friend and his husband After three rounds of IVF everything looks bleak and hopeless That is until the tables turn and she realises her best friend and his husband want way more than she ever expected What she learns quickly is that she wants it way more than she realised herself A new adventure leads to unexpected outcomes when she finds out she s gotten more than she ever wanted from life Will she manage to give her best friend what he s always wanted too *Red Tide* Claudette Melanson,2019-12-05 Nearly two years have passed since the events which took place in the first set of books The Maura DeLuca Trilogy Maura has finally made peace with her transformation into a creature she never imagined could be real much less one she might become With her newfound existence comes the benefit of family friends and allies who fill her life and heart with a love like she has never experienced during all the years she has lived with her melancholy but loving mother But along with the most welcome comradery all manner of new challenges arise many of them deadly One of Maura s new enemies her auntie Aldiva cannot accept the young changeling as a member of her family Aldiva s treachery and murderous intent result not only in her own capture but that of her mate Gregor Maura s beloved uncle and caregiver Grown weary of waiting for her kin to concoct a plan of rescue Maura plots a return to the Pacific Rainforest accompanied solely by her blood bonded mate to face his elven kin and negotiate the vampire couple s release But as so often before in her past events do not always play out the way Maura intends She will soon discover that Ron s elven kin pose an even greater threat than she dreamed possible Presented with impossible choices again and again Maura will find herself placed at the most perilous collection of crossroads to ever mark her path One careless misstep could draw her away forever from all she holds dear or even snuff out her life entirely If you love books about vampires elves pixies demons angels and other fantastic creatures *Red Tide Dangerous Waters* is sure to keep you reading far into the night This series isn t your typical YA tale of vampires Full of mystery suspense and danger this urban fantasy thriller delivers just enough romance humor to accompany the elements of dark fantasy served with a side of the supernatural Maura s story are novels certain to become classic paranormal and fantasy tales The first series is not only for teen young adult readers but has been well received by many adult readers as well Maura doesn t live in Castle Dracula in Transylvania but readers will discover a strong female protagonist that readers have come to love **The Stunnerz** Tobi Gbile,2012-11 At some point in life everyone wants to be a star However many do not realize that it is not all that it is cut up to be Meet four high school students born and raised in Beverly Hills Talon Finely Marchetta Vern Tanzie
