Through the Valley,2025-10-16 A deep study devotional on 1 Corinthians 13 Understanding this passage in terms of loving God through the trials of life We can t love others if we don t understand what love is This book goes through very real and vulnerable examples on how to understand and apply these truths **From Paradise to the Promised Land** T. Desmond Alexander,2002-09 Get an in depth look into the first five books of the Bible with this accessible introduction to their content significance and themes **Love Has a Story** Quina Aragon,2024-10-01 Love has a story It s bigger than you It s bigger than me It comes from old an overflow of the beautiful love shared between the Father whose heart bursts for the Son the Son who adores His Father all wrapped in the glorious life giving love of the Spirit And this great Love knows and cherishes every secret and intimate detail of your story In fact this story is for you Author and poet Quina Aragon shares how before the foundations of the earth the great storyteller was penning a story that included you Love was thinking about you imagining ways to showcase His love for you and planning to rescue you Join Quina in entering the greatest love story ever told When you reach the end of this book you ll want to begin all over again And you ll want to share this great love story with your friends and family Herein is Love, Vol. 1: Genesis Nancy Ganz,2009-10-30 Herein is Love is a series of Bible commentaries for parents to read to their children They provide what children need most solid truths to grow in In these books Nancy Ganz draws out the beautiful implications of the Old Testament narrative that are foundational for Christian faith The beginning books of the Bible are essential to our understanding of God s redemptive story The Herein is Love series creatively focuses our attention on the events that bring this story to life combining the richness of literature and the depth of a commentary *All You Need is Love* Pete Fornatale,Bill Ayres,1998-11-12 It s Not Only Rock N Roll It s Rock Wisdom It s the insights and messages that come to us from 100 of our favorite rock songs Love and marriage family friendships self esteem spirituality and community are just some of the themes explored in these healing and uplifting meditations based on four decades of classic rock by artists like the Beatles James Taylor the Rolling Stones Bob Dylan Carole King Bruce Springsteen the Beach Boys and dozens more You ll also find background information on the songs and artists as well as suggestions for applying these nuggets of rock wisdom to your everyday life All You Need Is Love is a visit to our past and a companion for our present and future *God's Love Story* Joshua Joel Spoelstra,2020-02-20 God s Love Story A Canonical Telling traces the metaphorical theme of God s love relationship s that spans the entire Bible God lovingly pursues humankind in relationship that is robustly satisfying and salvific Like many relationships God s love story with God s people is both transcendent and tragic messy and mercy filled

raw and redemptive Not merely a series of events relegated to the past God's love story is an ongoing present phenomenon a salvation relationship into which God invites all peoples to collectively be the spouse of God *Communion of Love* William Dewberry, 2014-07-31 *Communion of Love* is an overview of the Bible focusing on God's plan of redemption from the time of the creation to the end of time The book provides a view that is written in layman terms and is a comprehensive easy to understand view of redemption and an introduction to God His Son Jesus the Holy Spirit angels Satan and the people that were directly involved in God's plan May God bless those who love God and are interested in understanding more about the great love He has always had for people *Who Will Bring Me Home?* Jan Willem Kirpestein, 2023-10-06 This book is a profound meditation on power and love and in its wake on trust and hope The author offers a new approach of these ancient biblical values If human love is fascinated by power what is power's attraction and charm Love is fascinated by a promise of rootedness in a real future life This promise is experienced as a revelation of our true home It means that human love is expecting something from the one who possesses power Is he or she able to make the promise true Power should be cute otherwise it will be experienced as a repulsive force However without the possibility to become a repulsive force power is unable to unveil its executing force But the promise needs to be unconditional Love is a movement of one's free will Therefore love can become disappointed How were love trust and hope at work in relation to God's revelation in the Torah and at work in the consciousness and life of Jesus Christ What does that mean for us *Speaking the Truth in Love* Paul Matte, 2023-03-13 As Christians we are to be the salt and light to this world but are dangerously becoming a hybrid form of Scripture and culture We are conforming to the pressure making us more culturally centered in our teachings and practices This mixture of church and culture is seen as we drift from biblical truth in determining what we believe and how we live It is not enough to resist the cultural pressures We must be transformed by the renewing of our mind This is not a mental positive thinking exercise as some suggest It is listening to God's Word as our source of truth to understand all issues of life By speaking the truth in love we mature in Christ so that we are not tossed by the waves of the culture but are firmly anchored in Jesus so that we live in a manner that pleases Him *The Prophetic Call to Love and Justice* Arnold H. De Graaff, 2025-06-20 Scripture's compelling message of love and justice is powerfully relevant for today The implications of the Amsterdam way of interpreting Scripture are evident throughout the book It is both a personal and timely way of speaking to our disintegrating society *The Prophetic Call to Love and Justice* provides a meaningful and radical yet simple way of re-connecting with the Bible As one of the founders of the Amsterdam way of interpretation Karel Deurloo stated The opportunity to learn anew and understand the language of the Bible has been taken away Often the focus is on the assumed origin and history of a text a historical literary approach or a fundamentalist view creating a fragmented moralistic and doctrinaire emphasis which has alienated many from churches Instead Deurloo and others focused on the prophetic meaning that speaks to all of us as the living word of God today This alternative is rooted in the Hebrew Scriptures Its abiding

prophetic message of love and justice is reiterated in the Gospels and apostolic letters Hence the choice of subtitle Rediscovering the Old Testament It is a joyful journey of discovery finding new meaning in the Bible for our lives Herein is Love, Vol. 5 Nancy Ganz,2013-11-15 Herein is Love is a series of Bible commentaries for parents to read to their children They provide what children need most solid truths to grow in In these books Nancy Ganz draws out the beautiful implications of the Old Testament narrative that are foundational for Christian faith The beginning books of the Bible are essential to our understanding of God s redemptive story The Herein is Love series creatively focuses our attention on the events that bring this story to life combining the richness of literature and the depth of a commentary **66 Love Letters** Larry Crabb,2011-05-09 Have you ever read the Bible only to come away confused Learn the meaning of each of the 66 books of the Bible and how each one is a love letter to God s people After working with people as a psychologist for four decades author Larry Crabb invites you to explore the Bible in a new way He offers a fresh relational look at Scripture through intimate discussions with God Told through a series of conversations between himself and God Larry wrestles through what God intends us to understand in each of the 66 books of the Bible Each book tells a story that is a part of a larger one of God and how He loves His people Perfect for a small group bible study or used as a daily devotional Larry asks deeply honest questions such as God what is it you wanted me to see in Obadiah And what s up with Leviticus Is there anything there for me This one verse in Galatians has always frustrated me Why is that The way you wrote Revelation makes it difficult to understand why didn t you just describe what will happen in a straightforward way Listen to the story of God unfold through these chapters and you ll find not only His redeeming love but His plan and provision designed especially for you Though life may not be going according to your plan God has another one far better than you can imagine From Genesis to Revelation experience His invitation to get you dancing with joy Unlocking a Spiritual Love Within Rain Basia,2015-06-23 This is a little story of a seven year journey of faith with the Great I Am acknowledging only Him to present you to your real bashert and what it is to be called upon to achieve greater consciousness You learn how to become an understanding and a loving mate what it is to truly comfort the one whom you really love This is what its like when you faithfully wait and let Gods love rule your life This is what unconditional devotion looks like This is a leap of faith for me Witness a love that can unlock racism segregation prejudice etc This is who Jesus Christ has called me to be I am a freedom fighter for equality of life This is my mission He has suffered our pain and He has chosen me to pick up my cross for Him in making our world a better place Teaching the human race that God loves all mankind so we may be seen as brothers and sisters and welcomed as equals just as Ive pleaded for in 2007 For Dr Martin Luther Kings Jr s Dream for the Lion of Judea Jesus Christs prayer of salvation and love for us all as believers exclusively as His children to be unified as one Heaven and Earth, Law and Love Etan Levine,2011-11-21 The series Beihefte zur Zeitschrift f r die alttestamentliche Wissenschaft BZAW covers all areas of research into the Old Testament focusing on the Hebrew Bible its early and later forms in Ancient Judaism as well as its
