S. Brown,2016-03-16 Lawrence Chelton loved hard but at the same time it was all soft deep and lasting filled with a belief that soul mates really do exist He would do anything for the woman he loved He was tender caring strong and protective He knew how to stand and be the man a good woman would truly wantor so he believed When the woman he loved left him at the altar he changed He lost his belief in love He lost his respect for women He lost his ability to be decent to be a good man He no longer believed love was enough He didnt know what was enough what was life fulfilling However after the altar he felt it was only right to take advantage of as many women as possible in a depraved attempt to find the truth To him they deserved nothing but his contempt Love Is Stronger Than Death Donald E. MacKay,2010 This book of short stories is called fiction which is often considered the result of a person s unbridled imagination gone berserk But it is much more than that fictional stories allow one to freely examine that which is not accepted as a truth or not considered a real possibility without the fear of reprisal from society s convention The maxim offered by the great philosopher of Samos suggests that one seek his own truth and not that of another To actively seek truth for one s self will give an accepted truth from effort and not merely acceptance How can one seek his own truth This book is founded on many stories that are pure fiction although a few contain a bit of truth Two of them however are exactly true without a shred of fiction or imagination attached Read this book and find them I t is a demonstration called seeking truth Consider the principle theme called metempsychosis offered in many stories contained in this book Millions of thinkers deny it a possibility A few thinkers offer the notion from ignorance that one returns from death as some kind of animal however once human always human Pythagoras only claimed to have returned as human If you acted like an animal in human form then you would return as an animal in human form All cultures and religions once accepted transmigration as fact which was and is held as truth by billions of thinkers Do not allow another to think for you Great numbers of believers in any direction

cannot offer an absolute truth one only need look to fanatical mob mentality to see this is a fact Perhaps this book will stimulate your thinking Continuous Love is Good Shang ShuMiaoQi,2020-05-04 he had been extremely clever being called a prodigy but he had always been foolish in front of her as the ceo of the bluesea group how could such a godly person like him fall for a crazy girl who played rock and roll wasn't that what it meant to be stupid if you want to be stupid then be stupid he knelt in front of her and said crazy girl can you marry me *Faith Rules* Samantha R.
