## **Love Letters Of Rupert Brooke:**

*Song of Love* Rupert Brooke, Noel Olivier, 1991 He was the great English poet of the First World War She was a shy but perceptive teenage schoolgirl The passionate witty and inspiring letters they exchanged never before published will surely be hailed as one of the most romantic of all literary correspondences and as a rich and truthful portrait of Edwardian and Georgian England 32 pages of photos The Letters of Rupert Brooke Rupert Brooke, 1968 *Rupert Brooke* Nigel Jones, 2014-11-06 Paragon of youthful beauty romantic symbol of a lost England and precociously gifted poet Rupert Brooke died in a hospital ship off the Aegean island of Skyros in April 1915 aged just 27 All England mourned his passing But behind the glow of myth lies a darker reality At the height of his promise a disappointment in love triggered a mental and physical collapse that brought his inner complexities to the surface Letters reveal a man who was sexually ambivalent misogynistic anti Semitic and sometimes alarmingly unstable This revised edition of Nigel Jones's admired biography including an account of a previously unknown affair of Brooke's reveals a more conflicted and troubled individual than the gilded Adonis of English literary myth *Rupert Brooke* Nigel H. Jones, 1999 Rupert Brooke's vast correspondence reveals a man tortured by jealousy paranoia anti-Semitism and rampant misogyny the exact antithesis of his public image biographer Nigel Jones for the first time gathers the material that has emerged about the poet's secret life and presents an unvarnished full portrait of the man who became one of England's most cherished national icons Book jacket Reading F.T. *Richard Aldington* Vivien Whelpton, 2014-01-30 This is a literary biography of Richard Aldington, founding member of the Imagist Movement, poet of the First World War, author of *Death of a Hero* and a biography of D. H. Lawrence. Aldington's is an extraordinary human story dealing with contemporary issues such as confrontation of sexual mores of the day and the impact of his soldier experience on his life and work. There hasn't been a recent biography of Aldington, the only one of the war poets not to have one. With the interest in the First World War increasing as we near the centenary, the time is right for this book. This biography explores the relationships of Aldington with other prominent literary figures: Ezra Pound, Herbert Read, T. S. Eliot, D. H. Lawrence and his unsuccessful marriage with H. D. This first instalment of a hopefully two-volume biography covers Aldington's life and work up to 1929. It investigates the years 1911-1915 in which Aldington helped found Modernism and formed relationships with other Modernists; the years 1916-19 when his life fell apart after his soldier experience; the years 1920-28 when he tried to re-establish his literary career; laid the foundations of modern literary criticism and his writing of *Death of a Hero* at the end of the decade, a blistering attack on all that had made the war possible.

**Official Blurb:** The story of Richard Aldington, outstanding Imagist poet and author of the bestselling war novel *Death of a Hero*, 1929, takes place against the backdrop of some of the most turbulent and creative years of the twentieth century. Vivien Whelpton provides a remarkably detailed and sensitive portrayal of the writer from early adolescence. His life as a stalwart of the pre-war London literary scene, as a soldier and in the difficult aftermath of the First World War, is deftly rendered through a careful and detailed analysis of the novels, poems and letters of the writer himself and his close circle of acquaintance. The complexities of London's Bohemia, with its scandalous relationships, social grandstanding and incredible creative output, are masterfully untangled, and the spotlight placed firmly on the talented group of poets christened by Ezra Pound as Imagistes. The author demonstrates profound psychological insight into Aldington's character and childhood in her nuanced analysis of his post-war survivor's guilt and consideration of the three most influential women in his life: his wife, the gifted American poet H. D.; Dorothy Yorke, the woman he left her for; and Brigit Patmore, his brilliant and fascinating older mistress. *Richard Aldington: Poet, Soldier and Lover* vividly reveals Aldington's warm and passionate nature and the vitality which characterised his life and works, concluding with his triumphant personal and literary resurrection with the publication of *Death of a Hero*.

*Now All Roads Lead to France: A Life of Edward Thomas* Matthew Hollis, 2012-10-22 Winner of the Costa Biography Award, a fascinating exploration of one of the twentieth century's most influential poets. Edward Thomas was perhaps the most beguiling and influential of the war poets. This haunting account of his final five years follows him from his beloved English countryside to the battlefield in France where he lost his life. When he met the American poet Robert Frost in 1913, Thomas was tormented by feelings of failure in his work and in his marriage. With Frost's encouragement, he began writing poem after poem as he finally found the expression for which he had spent his life searching. But the First World War put an

ocean between them Frost returned to New England while Thomas enlisted and went to fight in France It is these roads taken and not taken that are at the heart of this unforgettable book which culminates in Thomas's tragic death on Easter Monday 1917 Now All Roads Lead to France encompasses an astonishingly creative moment in English literature when London was a battleground for new ambitious writing A generation that included W B Yeats Ezra Pound Robert Frost and Rupert Brooke was making it new vehemently and pugnaciously and this dazzling biography places Thomas firmly in their midst

**The Wry Romance of the Literary Rectory** Deborah Alun-Jones, 2013-06-01 A beautifully written book that tells the stories of historic rectories across England and Wales and the writers past and present who have been associated with them As the sons and daughters of clergy many of Britain's most popular writers have grown up in rectories parsonages and vicarages Jane Austen Alfred Tennyson Dorothy L Sayers and Edmund de Waal among them while other writers have been drawn to their romance and seclusion The period that Rupert Brooke spent living out a neo pagan fantasy in idyllic Grantchester near Cambridge greatly influenced his 1912 poem The Old Vicarage a work that became a romantic touchstone for an idealized national identity at a time of war The Old Rectory on the Berkshire Downs was the locus of John Betjeman's campaign to revive the parochial parish life whose disappearance he deeply regretted The rectory has also been home to eccentrics such as Sydney Smith of Foston Rectory in remote North Yorkshire This wit and essayist was known for his unorthodox sermons and astute contributions to the Edinburgh Review Compelled to abandon his London life by the enforcement of the Residence Act of 1803 which required priests to live in or near their parishes Smith bemoaned a posting that was he wrote twelve miles from a lemon Nonetheless he threw himself into rural life and often off his horse Calamity in the process
