already answered and give you the information needed to truly satisfy the questions of this life Do you really want to know who you are This series will answer that question and the journey begins with this book The Who Am I Series of books work together to give a full picture of our identity by starting in book 1 with an explanation of all of reality The following books explain humanity as a whole and finally the individual lifewho you are how you operate and how to correctly use that knowledge This information will help you make decisions that can change your life today and revolutionize the rest of your life s journey

The Real Truth About Love Marisa Goldstein,2014-02-27 As a little girl Willow Mazer always knew in her heart that life had something more in store for her than what she had heard and read in fairytales She knew that aside from the fantasy of marriage family and white picket fences something inside was challenging her to find her own truth Willow is now in her early thirties and what she thinks is an innocent trip to Florida to visit her dying grandmother actually turns into a transformational experience a journey into what defines not just love for another but love for one self She learns the greatest lesson on earth unconditional love If you love hearing stories about signs and things that cant be coincidences keep reading Willow will bring you goose bumps and remind your heart of Gods universal truth

A Call To Truth: My Search Gary Nicks,2017-01-23 Have you ever questioned the teachings of the church Do they make sense to you When there are teachings you don t understand have you ever been told Just take it on faith brother I have This was not acceptable to me If God wants us to know him and his son Jesus Christ and the Word of God is his communication to us then we as individuals should be able to study his Word and understand it However I believe that we are in the unfortunate time for the church in which the prophecy of the Apostle Paul has come to its fulfillment For the time will come when men will not put up with sound doctrine Instead to suit their own desires they will gather around them a great number of teachers to say what their itching ears want to hear They will turn their ears away from the truth and turn aside to myths 2 Timothy 4 3 4 This book presents many of the questions I had in my quest for truth It addresses some of the most egregious doctrines that lead people away from understanding God s plan and how they are to fit into it In order to effectively seek God you must ask questions Why Mainly because it is just as easy to believe a lie as it is the truth Remember John 4 23 24 Yet a time is coming and has now come when the true worshipers will worship the Father in spirit and truth for they are the kind of worshipers the Father seeks God is spirit and his worshipers must worship in spirit and in truth
