Copyright Office, 1976 **Bandit Love** Massimo Carlotto, 2010-09-28 PI Marco the Alligator Buratti returns in a thriller from the author whose brand of crime writing is tougher than even the toughest American noir Josh Bazell national bestselling author Massimo Carlotto has been described as the reigning king of Mediterranean noir Boston Phoenix about as gritty as they come The New York Times and the best living Italian crime writer Il Manifesto Now he gives his American readers his most memorable character yet ex con turned private investigator Marco Buratti a.k.a. the Alligator Closing the door on a crime ridden past Buratti plans to spend the rest of his days in the darkness of a seedy nightclub sipping Calvados and listening to the blues But things don't quite work out as he planned though he may be through with his past his past isn't through with him When his gangster friend Beniamino Rossini's girlfriend is kidnapped Buratti is forced to investigate a case of international drug dealing He will be thrown headfirst into the underworld he has struggled to escape In the world of Massimo Carlotto's fiction new and old criminal organizations collide and innocent bystanders are as hard to find as honest cops A cocktail of mystery and romanticism a novel in which there are no real heroes and no signs of redemption In short classic Carlotto Rolling Stone Italy A gripping novel that can be read on different levels as a breathtakingly dark noir novel or as a means of penetrating reality These two levels magically blend in Massimo Carlotto's books Il Manifesto The setting is beautifully if grimly realized La dolce vita it ain't but this is top notch Mediterranean noir Kirkus Reviews **Love Is Forever, If It's True.** Shahjad Khan, 2021-07-06 A story is just a story till when put a deep insight of thoughts in it I wouldn't say I wrote this story keeping my subconscious at forefront but I would say a lot of real life events occurred to me as in shaping it in a way that I can vouch we all in tiny frames are a part of this story We can relate with the characters not just the way they act but we can relate with them as we all have a fascinated inner self that imagines impossible possibilities in our lives When I had that profoundness to shape thoughts into words this story became a vision for my eyes and I lived it along with the characters throughout the story Their pain pleasures emotions love hatred all emotions I felt within and I would love to see the same expressions resonating with your souls It was started when Trisha was hopeless lonely and not happy with the life's ways of treating her she met her soul mate during the journey but as cosmos and destiny plays a unpredictable role in our lives how these two encountered with each other on the journey how they evolved each other and how they penetrated each other's Aura seeking out space in their darker corners illuminating each other's lives This is all about that all I hope and am very optimistic about your love for this book and it might give you a ray of hope in your withered life somewhere **Books and Pamphlets, Including Serials and Contributions to Periodicals** Library of Congress. Hunter,2025-10-06 This work contains the earliest blog articles from the author written between the years of 2012 2019 Ranging from mere poetic reflections of the author s traditionalist perspectives on love romance and culture to political commentary and legal and historical scholarly essays on the issues of sex and gender roles the author takes a no holds barred attitude persistently ripping into everyone both feminists antifeminists and every ideology in between and taking a decidedly nasty and brutal bite out of the so called manosphere and the blatant hypocrisies inherent in modern day conservatism Never truly on the Right and never truly on the Left and probably pleasing absolutely nobody the reader can easily note the change as the years go by with the articles undergoing a plain transformation from being shorter and relying more heavily on inter peer and social connections to blossoming into mere solitary legal historical scholarly works that span the length of dozens of pages as both the maturity and education of the author deepens A subtle change in perspective and attitude of the author can also be noted where feminism though never proclaimed nor upheld as a social good is blamed less and less over time for all of modern society s ills
