Those Who Choose to Be Chosen Virginia A. Ashmore,2008-03-17 Those Who Choose to be Chosen offers thought provoking inspirational lessons that encourage anyone on a spiritual journey to focus on awakening their divine life mission

At a young age Virginia Ashmore's practicing religion prohibited her from attending a friend's church. In her young mind she reasoned that her friend and the members of her friend's church must have prayed to a different God than the God she worshipped. That significant impression launched Ms Ashmore on a life-long pilgrimage in search of her own divine destiny. She points out that we are all made in the likeness of God and must carve out our individuality when contributing to the overall collective consciousness of the world. After years of study her personal reflections have developed into lessons that will teach you how to See yourself the way God sees you. Open your heart and find the gift of love. Discover who you were intended to be. Use prayer to open the door to God's work. Through Ms Ashmore's teachings you will learn that you are not alone. Open your eyes so you can truly experience all you are intended to see, feel and love through the glory of God. **One! the Book About Everything and Nothing!** Chimie, 2011-11-23. Mother Earth is calling for help but her children are not listening. The four horsemen of apocalypse are fast approaching, created and driven by our actions and greed. As we think we understand all now when we can wield the four elements: water, earth, air, and fire. We have lost the balance of order and chaos as we have forgotten once again the important intangible elements: harmony, symphony, serenity, and love. With four can glory can be shown and with the other four passion achieved when combined all the peace is found and truth can be discovered. All great civilizations on earth have ended for the same reason, so will the current one, but never so far has there been a global civilization before this one. Our egoism and dualistic thinking will open the path to apocalypse and it will start on December 21, 2012 if we do not stop it. The first question is to be or not to be, the second is to do or not to do, the third is to believe or not to believe. Chimie. In a time of universal deceit, telling the truth is a revolutionary act.
