Love Stories From Days Gone By:

Love's Story Ajit Sripad Rao Nalkur, 2012-11 Love's Story the final volume of Ajit Sripad Rao Nalkur's trilogy on love highlights his vision and realisation of true love on Earth. The poems in this volume were written over a period of twenty years while Nalkur was living and working in Australia and the United States and after he returned to his birth country India. This volume is divided into three parts. The Vision contains poems he began to write in Australia in the early 1990s and takes a narrative form with much of the work appearing in prose. It offers the poet's visionary experience of love. Part two entitled Love on Earth addresses the realisation and actualisation of that love. The third and final part of the book Poet's Corner contains verse on the art of poetry. Love's Story explores true love in all its aspects and considers the realisation of a dream of such a love on Earth.

Puddle Myrna Ivette Lugo Ramirez, 2022-07-20 Puddle By Myrna Ivette Lugo Ramirez PUDDLE by Myrna Ivette Lugo Ramirez is a fascinating look at the origin of the Human Body told from the perspective of the organs. The organs use their imaginations and self-awareness to create their functions and relationships to one another in order to keep the Body alive. Their similarities are obvious as are their differences although they do not perceive this clearly. The message of PUDDLE is that no matter how different we are, what things we know and do, humanity will always depend on others. That is a powerful reason to show respect and kindness to one another by offering opportunities that include all types of talents.
