Religious Giving David H. Smith, 2010-04-06 Religious Giving considers the connection between religion and giving within the Abrahamic traditions Each contributor begins with the assumption that there is something inherently right or natural about the connection But what exactly is it To whom should we give how much should we give what is the relationship between our giving and our relationship to God Writing for the introspective donor congregational leader or student interested in ways of meeting human needs the authors focus on the philosophical or theological dimensions of giving The contributors goal is not to report on institutional practices but to provide thoughtful constructive guidance to the reader informed by a critical understanding of the religious traditions under review

What is Love? Vijay Shankar Sharma, 2018-06-27 Love plays an important part in our lives Countless books and relationship experts talk about love as the panacea for all ills in the world With the entire existing knowledge on the subject of love painstakingly researched for this book it is clear that no one really knows what love is how it happens or how can it be given or taken All that is known are the chemical changes that happen inside people in love or how they feel and other non specific things Do you know what is love Do you think it is possible to define love in a definitive and actionable manner Do you think there can be actionable guidelines on how to give and get love in any relationship Do you think love between for Parents Children Siblings Friends Pets Causes and Objects cannot be compared Do you think love will work in business and leadership Do you think love will work in all human interactions Do you think love can be measured Prepare to be pleasantly surprised
