Enjoy this steamy BBW series by USA TODAY Bestselling small-town romance author Mary E. Thompson Brantley. How long were you supposed to wait after the woman you loved's marriage blew up before you asked her out? A week? A month? Longer? Her divorce was final, and I was not missing my second chance with Valentina. Helping on her so-called pleasure quest was a bonus. Oh, the things I wanted to show her. But it wasn't just about one kind of pleasure. I wanted to help her find all the things that brought her joy. As a friend, of course. Because that's what we were: Best friends. But if I never told her I wanted more, I'd regret it forever. It was a risk. It could end our friendship. But no risk, no reward. Being with her would be the biggest reward ever, so I had to take the risk. Valentina was worth it. Valentina, a pleasure quest. Why the hell not? I had nothing to lose. My dignity and privacy were shattered the day my ex-husband's girlfriend showed up at my house. Throwing him out was the best decision I'd ever made. And it felt good. Maybe I did know something that brought me pleasure. But I wanted more. Preferably without the heartache. Before the pleasure, Brantley volunteered to be my partner in the experiment. Pushing me to try new things. He was the perfect person to explore with: Patient and kind and sexy. Was I allowed to think that way about my best friend? We'd always been friends. But pleasure tends to blur lines. Getting to know Brantley was fun, enlightening, intoxicating. But the more time we spent together, the more I wondered if the best thing in my life had been right in front of me all along. **The Meaning of Friendship** by Mark Vernon, 2016-04-30. Mark Vernon offers penetrating insights on the idea of friendship using philosophy and modern culture to ask about friendship and sex, work, politics, and spirituality. He also explores how notions of friendship

may or may not be changing because of the internet and looks at the psychology of friendship **Friends and Lovers** Joel R. Beeke, 2012-02 Marriage aims at the glory of God through intimate companionship God meant husband and wife to walk together talk together work together and sleep together As the Puritans said God did not make the woman out of man's head to control him or out of his feet for him to trample on her but out of his side to be embraced near to his heart Here is a book of practical encouragements for two key aspects of marriage companionship and sex Dr Joel Beeke draws upon the wisdom of the Holy Scriptures and over three decades of pastoral ministry to present a dozen practical principles for fanning into flame the fire of love between husband and wife The Bible has a higher aim than a satisfying marriage namely glorying in God forever Marriage will one day be done made obsolete by the magnificent relationship between Christ and His people Even now marriage is neither the chief purpose nor the highest joy of man But the Scriptures do call wedded people to glorify God here and now through their marriages Dr Beeke's book aims to assist them in this In Part I Friends the book explores the meaning cultivation and threats to friendship in marriage Friendship is that personal bond of shared life that brings people together in delightful harmony It is rooted God's created order of making men and women in His image We broke this harmonious order when our first parents sinned against God simultaneously turning against each other But Christ is the great peacemaker and friendship restorer Cultivating friendship with your spouse is hard work but profoundly rewarding It revolves around sharing life together The book gives guidance in how to share yourself with your spouse through the gifts of time discussing decisions listening to each other's feelings talking about how God is at work in your lives praying together building trust laughing together giving thanks pleasing your spouse and finding shared interests It also walks the reader through the minefields of giving and receiving correction honoring in laws having balanced friendship with others and supporting on another in crises Above all we must remember that our most important friendship is with our Lord Jesus Christ who alone can walk with us through life death and eternity In Part II Lovers Dr Beeke sets forth several ways in which the gospel energizes married Christians to enjoy sex in holy delight The words gospel sex and holy may not seem to go together This book shows that in reality sexual love between husband and wife is both a holy duty pleasing to God and blessed privilege empowered by Christ's grace Rather than splitting our lives into different compartments such as sex and religion God calls us to respond to Christ's mercies by offering our whole existence to Him as a living sacrifice The Bible teaches us doctrines like the image of God in man the creation mandate God laid upon the human race the moral law for marriage forgiveness of sins by faith in Christ sanctification by divine grace Christ's call to take up our cross adoption by God and turning from idols to give thanks to God All these doctrines have massive implications for our sexual relationship with our spouses However these doctrines must do more than sit in our minds they must sink into our hearts In Reformed experiential fashion Dr Beeke leads the reader to know believe feel and act based upon God's Word applied by God's Spirit **Your Happy Marriage: 27 Lessons Learned from 27 Years of Married Life** Boni and Alice Belen, 2022-03-14 Boni and Alice
