Ireland and Anglo-Irish Relations since 1800: Critical Essays N.C. The History of the Irish Famine Christine Kinealy, Jason King, Gerard Moran, 2020-06-04 The Great Irish Famine remains one of the most lethal famines in modern world history and a watershed moment in the development of modern Ireland socially politically demographically and culturally In the space of only four years Ireland lost twenty five per cent of its population as a consequence of starvation disease and large scale emigration Certain aspects of the Famine remain contested and controversial for example the issue of the British government s culpability proselytism and the reception of emigrants However recent historiographical focus on this famine has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 The narratives of those who perished those who survived and those who emigrated form an integral part of this history and these volumes will make available for the first time some of the original

documentation relating to an event that changed not only Irish history but the history of the countries to which the emigrants fled Britain the United States Canada and Australia By bringing together letters government reports diaries official documents pamphlets newspaper articles sermons eye witness testimonies poems and novels these volumes will provide a fresh way of understanding Irish history in general and famine and migration in particular Comprehensive editorial apparatus and annotation of the original texts are included along with bibliographies appendices chronologies and indexes that point the way for further study **Journal of Women's History**, 1995 *Image and Experience* Myrtle Hill, Vivienne Pollock, 1993 *Nuns in Nineteenth-century Ireland* Caitriona Clear, 1988 **The Cooper's Wife Is Missing: The Trials Of Bridget Cleary** Joan Hoff, Marian Yates, 2008-01-06 On March 15 1895 twenty eight year old Bridget Cleary a cooper's wife disappeared from her cottage in rural County Tipperary Immediately strange and lurid rumors began circulating the neighborhood about what had happened Some said she ran off with an egg seller others supposed it was an aristocratic foxhunter who had taken young Bridget away Swirling amid rumors was the barely whispered but widely held belief that Bridget had gone with no mortal man rather she had gone off with the fairies The mystery deepened when seven days later her body was discovered bent broken and badly burned in a shallow grave Within a few days the unimaginable truth came to light for almost a week before her death Bridget had been confined ritually starved threatened physically and verbally abused exorcised and finally burned to death by her husband Michael Cleary her father and extended family who confused bronchitis with a fairy dart They had all become convinced that their Bridgie had been taken from them and her fairy possessed body left behind to deceive them In *The Cooper's Wife Is Missing* Joan Hoff and Marian Yeates make sense of this ancient rarely publicized ritual exorcism and explain how the incident went on to become a national and international incident Set against a backdrop of renewed Irish nationalism a Church crackdown on lingering pagan practices and the ongoing British humiliation of Catholic Ireland the authors deftly map the dislocating anxieties that beset the rural peasantry in late nineteenth century Ireland Bewildered and frightened by the changes occurring all around them pulled in all directions by their politicians priests landlords and English overlords the Clearys were not alone in retreating to the relative comfort of pagan ritual Drawing on first hand accounts contemporary newspaper reports police records trial testimony and a rich wealth of folklore the authors weave a mesmerizing tale that touches upon magic madness and mystery as it details day by day Bridget's ordeal and the resulting investigation This is narrative history at its evocative best It fascinates as it illuminates **The Irish in America** Patrick J. Blessing, 1992 This book covers immigrants in the area of origin on the journey and at the destination The work is divided into four sections bibliography manuscript collections government manuscripts and publications and a statistical overview It is based on a review of all extant books and journal articles including theses and dissertations and a ten year US wide search for manuscript collections held by research libraries archdiocesan centres and other depositories for government manuscripts and published documents and for statistical sources at origin and destination [Irish Publishing](#)
