Division of Publications,1978 **Mud and Guts** Bill Mauldin,2018-07-31 Excerpt from Mud and Guts A Look at the Common Soldier of the American Revolution The average American in those days was about what he is today a small property owner who admired independence and occasion ally was even known to practice it Then as today he resented being governed and taxed by a bunch of remote and powerful bureaucrats He grumbled a lot over little tyrannies such as stamp acts and tea taxes but a revolution The very word causes a shud der to run up the bourgeois spine and if there ever were and are two bourgeois societies they re England and America Most people would rather be moderately comfortable and safe than stand up and fight for an illusive term like independence It has been said that if there had been a back door in the Alamo there would be no Texas Likewise if the royal administrators who ran the colonies had had an ounce of sense and perception our hard nosed radicals such as Tom Paine would never have pre vailed and there would have been no revolution or rebellion or whatever it was The British were really nuts to have let all this happen But that s the way things go when bureaucrats feel safe They become blind and arrogant Those were confusing times however It s easy today to say About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Mud & Guts* Bill Mauldin,1978-07 Famous author and cartoonist Bill Mauldin s candid and humorous look at the American soldiers of the Revolutionary War Filled with frank text and amusing cartoons Mauldin pokes fun at the founders of our country and shows the life of the common soldier Chapters covered include citizens and soldiers rabble with rifles mud and guts biting the bullet the inner revolutionary and had George asked me Illustrations by the author **Mud and Guts** Gordon Press Publishers,1997-06 Mud and guts William Henry Mauldin,1978 *Mud & Guts* Bill Mauldin,1978 **U.S. Government Books** ,1982 **Just for You** ,1981 The Archaeology of the American Revolution Richard F.
