After Marcia Munger graduated from Biola University in California with a bachelor of arts degree in 1967, she soon entered a downward spiral that left her homeless and disoriented on the streets of San Francisco with only the clothes on her back and a few dollars in her pocket. She had no identification and no one knew where she was. If you had seen Marcia then you would not have thought she had much of a future. This is the story of how God came to her rescue, brought her out of her confusion and opened up doors of service in places she never imagined.      Catalog of Copyright Entries. Congress. Copyright Office, 1957      **Second Half for the Man in the Mirror** Patrick Morley, 2011-02-22 Like a good coach at halftime, Morley helps men evaluate their past mistakes and provides the kind of practical insights, encouragement and inspiration that will help them run to win the rest of the way and reach their full potential in Christ. Bill McCartney, founder CEO Promise Keepers, Morley's analogy of the midlife lake is worth the price of the book. He asks the right questions and rightly predicts that your second half can be the most significant part of your life. Bob Buford, author of *Halftime*: The first part of your life was like a river running swiftly within its banks. You were working hard to make your mark. You were intense. Focused. Then your river broadened into a lake. Now you find it hard to focus. Often instead of feeling drive and purpose, you feel distracted even insignificant. Patrick Morley shows how this season of perplexity can become a man's golden opportunity to reinvent himself for life's second half. If this sounds like you or someone you know and love, this book is exactly what you're looking for. Morley gives biblical insights lived out in the crucible of his own life experience. This book will help you redefine your vision, your goals, and the heart that drives them. *Second Half for the Man in the Mirror* will help you find a fresh sense of authenticity. Once again, you'll feel your life regaining speed as the waters are gathered by the converging riverbanks just ahead.      *Buoys on the Path* Doug Steppe, 2017-11-21 Buoy's to me help define a path. I think we all have Buoy's or moments in our lives when things happen which cause us to ponder just what is going on around us, plus where we are in our life's journey. Maybe there to lift us and provide support when needed. Sometimes we choose to ignore them or pass them off as just something that happened. It's only life. But maybe not moments like these that call to us or try to grab our attention may open our eyes and a door for a bit of time to the point of our paths.
