**The Book of Gutsy Women** Hillary Rodham Clinton, Chelsea Clinton, 2019-10-01 Now an eight part docuseries on Apple TV Hillary Rodham Clinton and her daughter Chelsea share the stories of the gutsy women who have inspired them women with the courage to stand up to the status quo ask hard questions and get the job done She couldn t have been more than seven or eight years old Go ahead ask your question her father urged nudging her forward She smiled shyly and said You re my hero Who s yours Many people especially girls have asked us that same question over the years It s one of our favorite topics HILLARY Growing up I knew hardly any women who worked outside the home So I looked to my mother my teachers and the pages of Life magazine for inspiration After learning that Amelia Earhart kept a scrapbook with newspaper articles about successful women in male dominated jobs I started a scrapbook of my own Long after I stopped clipping articles I continued to seek out stories of women who seemed to be redefining what was possible CHELSEA This book is the continuation of a conversation the two of us have been having since I was little For me too my mom was a hero so were my grandmothers My early teachers were also women But I grew up in a world very different from theirs My pediatrician was a woman and so was the first mayor of Little Rock who I remember from my childhood Most of my close friends moms worked outside the home as nurses doctors teachers professors and in business And women were going into space and breaking records here on Earth Ensuring the rights and opportunities of women and

girls remains a big piece of the unfinished business of the twenty first century While there s a lot of work to do we know that throughout history and around the globe women have overcome the toughest resistance imaginable to win victories that have made progress possible for all of us That is the achievement of each of the women in this book So how did they do it The answers are as unique as the women themselves Civil rights activist Dorothy Height LGBTQ trailblazer Edie Windsor and swimmer Diana Nyad kept pushing forward no matter what Writers like Rachel Carson and Chimamanda Ngozi Adichie named something no one had dared talk about before Historian Mary Beard used wit to open doors that were once closed and Wangari Maathai who sparked a movement to plant trees understood the power of role modeling Harriet Tubman and Malala Yousafzai looked fear in the face and persevered Nearly every single one of these women was fiercely optimistic they had faith that their actions could make a difference And they were right To us they are all gutsy women leaders with the courage to stand up to the status quo ask hard questions and get the job done So in the moments when the long haul seems awfully long we hope you will draw strength from these stories We do Because if history shows one thing it s that the world needs gutsy women
