**Ronald J. Allen**

## **On The Divine Liturgy Orthodox Homilies Volume 1 And Volume :**

**The Cambridge Companion to Orthodox Christian Theology** Elizabeth Theokritoff, 2008-12-18 Orthodox Christian theology is often presented as the direct inheritor of the doctrine and tradition of the early Church But continuity with the past is only part of the truth it would be false to conclude that the eastern section of the Christian Church is in any way static Orthodoxy building on its patristic foundations has blossomed in the modern period This volume focuses on the way Orthodox theological tradition is understood and lived today It explores the Orthodox understanding of what theology is an expression of the Church s life of prayer both corporate and personal from which it can never be separated Besides discussing aspects of doctrine the book portrays the main figures themes and developments that have shaped Orthodox thought There is particular focus on the Russian and Greek traditions as well as the dynamic but less well known Antiochian tradition and the Orthodox presence in the West The Heavenly Banquet Fr. Emmanuel Hatzidakis, 2013-09-01 The Heavenly Banquet Understanding the Divine Liturgy is the most comprehensive Divine Liturgy commentary available in the English language With over 300 bibliographical sources an abundance of biblical citations and quotations from Church Fathers and modern authors The Heavenly Banquet is a treasure The Heavenly Banquet addresses head on not only liturgical matters but also social moral and doctrinal issues always in a clear practical informational and uplifting way In depth yet easy to follow written in simple understandable language this book will aid Catechists and instructors who can draw from its abundant material for presentation and discussion This work will be of great benefit to any Orthodox Christian who wants to obtain a better understanding of the Divine Liturgy The richness and the depth of the subjects treated herein make The Heavenly Banquet a treasure A History of Preaching Volume 1 O.C. Edwards, Jr., 2010-09-01 A History of Preaching brings together narrative history and primary sources to provide the most comprehensive guide available to the story of the church s ministry of proclamation Bringing together an impressive array of familiar and lesser known figures Edwards paints a detailed compelling picture of what it has meant to preach the gospel Pastors scholars and students of homiletics will find here many opportunities to enrich their understanding and practice of preaching Volume 1 appearing in the print edition contains Edwards s magisterial retelling of the story of Christian preaching s development from its Hellenistic and Jewish roots in the New Testament through the late twentieth century s discontent with outdated forms and emphasis on new modes of preaching such as narrative Along the way the author introduces us to the complexities and contributions of preachers both with whom we are already acquainted and to whom we will be introduced here for the first time Origen Chrysostom Augustine Bernard Aquinas Luther Calvin Wesley Edwards Rauschenbusch Barth all of their distinctive contributions receive careful attention Yet lesser known figures and developments also appear from the ninth century reform of preaching championed by Hrabanus Maurus to the reference books developed in the thirteenth and fourteenth centuries by the mendicant orders to assist their members preaching to Howell Harris and Daniel Rowlands preachers of the eighteenth

century Welsh revival to Helen Kenyon speaking as a layperson at the 1950 Yale Beecher lectures about the view of preaching from the pew Volume 2 contained on the enclosed CD ROM contains primary source material on preaching drawn from the entire scope of the church's twenty centuries The author has written an introduction to each selection placing it in its historical context and pointing to its particular contribution Each chapter in Volume 2 is geared to its companion chapter in Volume 1's narrative history Ecumenical in scope fair minded in presentation appreciative of the contributions that all the branches of the church have made to the story of what it means to develop deliver and listen to a sermon A History of Preaching will be the definitive resource for anyone who wishes to preach or to understand preaching's role in living out the gospel This work is expected to be the standard text on preaching for the next 30 years says Ann K Riggs who staffs the NCC's Faith and Order Commission Author Edwards former professor of preaching at Seabury Western Theological Seminary is co-moderator of the commission which studies church uniting and church dividing issues A History of Preaching is ecumenical in scope and will be relevant in all our churches we all participate in this field says Riggs from EcuLink Number 65 Winter 2004 2005 published by the National Council of Churches

**Being the Church** Edward Rommen, 2017-07-18 If the divine liturgy really is as beautiful as we claim wouldn't more people attend Wouldn't the church grow Driven by our desire for growth we count we analyze we make charts and we strategize but often with few discernible results That is probably the result of focusing on secondary aspects of church life As we know the very existence of a church is a gift of God's presence and not the result of any particular actions taken by human beings For that reason church is primarily about being something rather than doing or achieving something So the growth of the church is not reflected in ever increasing numbers dollars and activities but rather in steadily growing conformity to the divine ideal So in order to evaluate ecclesial growth we will first have to ask what the church is supposed to be One answer to that question is captured in the four marks of the church given in the creed Oneness Holiness Catholicity and Apostolicity These four characteristics serve as a matrix or framework within which we can focus on the primary aspects of ecclesial being and help it grow and become what it was intended to be

**Subject Guide to Books in Print**, 1991 *An Introduction to the Christian Orthodox Churches* John Binns, 2002-07-04 This clear and accessible introduction describes the life of the Orthodox Churches of the Christian East from the accession of the Emperor Constantine in 312 up to the year 2000 It explores the nature of the various churches of the Christian East both Chalcedonian and non Chalcedonian Orthodox the Church of the East and Greek Catholic Churches It explains both the common traditions and the different and sometimes divisive local characteristics The distinctive Orthodox approaches to the themes of liturgy theology monastic life and spirituality iconography popular religion mission politics and the schism between East and West are discussed in turn A final chapter examines the response of the Churches to their new freedom following the collapse of communism and the prospects for the future For Christians of the West a knowledge of Orthodoxy can open up fresh ways of looking at the Christian faith

**Humility in the Writings of Charles Wesley and the Early Church**

**Fathers/Mothers** S T Kimbrough, 2024-09-19 Humility is a central focus of the early church fathers mothers Similarly it is at the heart of Charles Wesley s thought expressed in his poetry sermons and journal For Wesley humility plays an active role in the process of salvation It can but lead to faith he says For the fathers mothers of the early church salvation void of humility is unthinkable For Wesley the words humble and humility pervade almost every aspect of Christian character personality and experience A careful examination of Wesley s writings reveals congruences with and a close relationship to the thought of the early church fathers and mothers on the subject of humility Throughout this study examples from witnesses of the Eastern church emphasize the closeness of their thought with that of Charles Wesley A careful comparative study is made of St Basil the Great s Homily on Humility and Wesley s multiple references to humility in prose and poetry This leads to an interesting response to the question How does one practice humility St Basil says Everything that Christ did was a lesson in humility This study suggests that in the cycle of the Christian year and the liturgical rehearsal of everything that Christ did one learns to practice humility

**Books in Print Supplement**, 2002

**Preaching the Manifold Grace of God, Volume 1** Ronald J. Allen, 2022-06-08 Preaching the Manifold Grace of God is a two volume work describing theologies of preaching from the historical and contemporary periods Volume 1 focuses on historical theological families Orthodox Roman Catholic Lutheran Reformed Anabaptist Anglican Episcopal Wesleyan Baptist African American Stone Campbell Friends and Pentecostal Volume 2 focuses on families that are evangelical liberal neo orthodox postliberal existential radical orthodox deconstructionist Black liberation womanist Latinx liberation Mujerista Asian American Asian American feminist LGBTQAI Indigenous postcolonial and process In each case the author describes the circumstances in which the theological family emerged and describes the purposes and characteristics of preaching from that perspective

**Orthodox Preaching as the Oral Icon of Christ** James Kenneth Hamrick, 2015-03-15 Father James K Hamrick is a priest in the Antiochian Orthodox Christian Archdiocese of North America and currently serves as the founding pastor of St John the Baptist Mission in Lewistown Maryland During his two decades of pastoral ministry Father James has received numerous invitations to preach and speak at various venues His sermons are aired each Sunday morning on The Source Christian Radio AM 1450 and at [www.wthu.org](http://www.wthu.org) where he had previously served as a founding member of the radio station s Board of Directors Father James holds masters degrees from Holy Trinity Theological College Seminary and from the University of Balamand He is a life member of the Honor Society of Phi Kappa Phi a Knight of the Order of St Ignatius of Antioch and a member of the Fellowship of St Alban and St Sergius in Oxford England Father James and his wife Pamela reside in Thurmont Maryland and enjoy visits from their four grown children and young granddaughters Father James may be reached at [frjameshamrick@gmail.com](mailto:frjameshamrick@gmail.com) In a relativistic postmodern age that is skeptical of propositional truth claims but that is wired for images and stories the iconic nature of Orthodox preaching offers a compelling answer for effectively communicating the Gospel of Jesus Christ Though preaching styles have varied widely across history and cultures it is Orthodox preaching by virtue of its faithfulness

to the sacred apostolic and patristic traditions its integral connection to the sacramental and liturgical life of the Church and its functioning in tandem with Orthodox spirituality which conveys itself as iconic Orthodox Preaching as the Oral Icon of Christ addresses the current crisis of preaching in our age and approaches the homiletical discipline from an iconological perspective revealing how Orthodox preaching sacramentally mediates the presence of the Risen Lord in the midst of the assembly through artful and imaginative word images whereby lives are personally touched and transformed Just as Orthodox icons are understood to be windows into heaven so effective Orthodox preaching may be understood to transport the listener into the realm of the Holy where lives may be interpreted and transfigured in the light of the Gospel and indeed in the very presence of Christ

**Heaven's Splendor** Mary Ann Fatula, 2019-03-27 The wisdom of the saints in these sublimely beautiful pages will quench your fear of death and awaken in you a blessed hunger to join your departed loved ones and to delight with them in the Three Divine Persons who are the very heart of Heaven's splendor *Forthcoming Books* Rose Arny, 2002

**Inward Being and Outward Identity: The Orthodox Churches in the 21st Century** John A. Jillions, 2018-05-22 This book is a printed edition of the Special Issue Inward Being and Outward Identity The Orthodox Churches in the 21st Century that was published in Religions

**Transfiguration and Hope** D. Gregory Van Dussen, 2018-09-17 To read and visualize the transfiguration of Christ is to enter its mystery and encounter its hope Like the Gospel writers and the disciples who climbed the mountain with Jesus we struggle to tell the story and explain its meaning Yet this astounding event reveals God's ultimate purpose in sending his Son the complete restoration of humanity and all creation our transfiguration in Christ The light and glory of that moment reveal a destiny that is infinite and eternal made possible by the power of grace Transfiguration is the trajectory and goal of our spiritual journey Across time and space Christians have reflected on the mystery and hope epitomized in the transfiguration yet their voices have been heard primarily within their own cultural and ecclesiastical contexts This study gathers many of those voices from the panorama of Scripture and church history and finds in them the common theme of radical transformation in Christ The point of this theological conversation is spiritual transfiguration and hope for each of us as we reach toward the future Christ has shown us in himself

Reading the Middle Ages Volume II Barbara H. Rosenwein, 2018-05-03 The third edition of Reading the Middle Ages retains the strengths of previous editions thematic and geographical diversity clear and informative introductions and close integration with A Short History of the Middle Ages and adds significant new materials especially on the Byzantine and Islamic worlds and the Mediterranean region This volume spans the period c 900 to c 1500 The stunning Reading through Looking color insert which showcases medieval artifacts has been expanded to include essays on weapons and warfare by medievalist Riccardo Cristiani New maps timelines and genealogies aid readers in following knotty but revealing sources On the History Matters website [www.utphistorymatters.com](http://www.utphistorymatters.com) students have access to hundreds of Questions for Reflection

**Selected Essays, Volume I** Andrew Louth, 2023 These two volumes contain selected essays

written over forty years by Andrew Louth a major scholar in the fields of Theology and Patristics early Christian thought The essays in the first volume concern key figures and themes in early Christian theology especially Maximus the Confessor and John of Damascus Books in Print ,1991 *The Journal of the Moscow Patriarchate* ,1983 *Jesus Ascended* Gerrit Dawson,2004-05-01 The book presents the Ascension as public truth examining questions such as when did Jesus ascend and how where did he go with what kind of body and into what kind of space It discusses the nature of Jesus victory how it has been challenged how it has been understood at different times in history and how it relates to his second coming The author examines the relevance of the doctrine for personal spiritual life our union with Christ Jesus praying for us worship and our own prayers He goes on to consider living in God s kingdom the tension between waiting for the kingdom and working for it now suffering humanisation and the church and the world today The book approaches the Ascension thematically making it a useful teaching tool Its themes arise from the categories in which the Church Fathers employed the doctrine Gerrit Dawson shows the Ascension to be a vital key to understanding in a fresh way the person and work of Christ union with Christ the mission of the church in the world Christian identity and spiritual theology A unique feature of the book is the way Dawson combines a full presentation of Nicene trinitarian Christology with its application to the practicalities of Christian life today Praise for *Jesus Ascended* Gerrit Dawson harkens back to an older vision of ministry that of the pastor theologian This vision is remarkably illustrated in this beautifully written book that can properly lay claim to being practical theology Very highly recommended for both pastors and theologians who want to have a faith grounded in the continuing reality of the incarnation in the ascension of Jesus Andrew Purves Princeton Theological Seminary This is a truly outstanding book for students pastors and thinking Christians alike I could not recommend it more enthusiastically Alan Torrance St Andrew s University UK A yawning gulf often appears between the interests of preacher and scholar of pastor and theologian Serious attempts to bridge that gulf are too few This book is one of them It brings to life the voice of the Fathers on the subject of the ascension of Jesus and calls the church back to the roots of its faith Douglas Farrow McGill University Canada **Handbook for Liturgical Studies, Volume V** Anscar J. Chupungco,2016-03-24 The final volume in the Handbook for Liturgical Studies series Volume V Liturgical Time and Space contains the concluding material for an integral study of the liturgy It opens with a preliminary notion of time and space before discussing in detail three types of liturgical celebrations on which time and space have a direct and particular bearing The first of these is the Liturgy of the Hours This topic is developed in the light of the early Christian tradition until the fourth century and its subsequent forms in both East and West The second is the Liturgical Year traditionally called the *anni circulas* The development of the Liturgical Year during the first four centuries is reviewed This is followed by a detailed study of the Byzantine Roman and non Roman Western tradition It concludes with the theology and spirituality of the Liturgical Year wherein the mystery of Christ as a saving event is made present in time so that the faithful may lay hold of it through the Word and the sacraments The theology of liturgical space is drawn from the

mutual interaction between the assembled community which gives meaning to the place of assembly and the place itself which upholds and signifies community

Articles and their contributors in Part I Liturgy of the Hours are Liturgy of the Hours in the First Four Centuries by Ruben Leikam OSB Liturgy of the Hours in the East by Robert Taft SJ Liturgy of the Hours in the Roman Rite by Ruben Leikam OSB Liturgy of the Hours in the Non Roman West by Ruben Leikam OSB and Theology of the Liturgy of the Hours by Robert Taft SJ

Articles and their contributors in Part II The Liturgical Year are The Liturgical Year in the East by Matias Auge CMF The Liturgical Year in the East by Elena Velkova Velkovska The Liturgical Year in the Roman Rite by Matias Auge CMF The Liturgical Year in the Non Roman West by Gabriel Ramis The Cult of Mary in East and West by Ignacio Calabuig OSM The Cult of Saints in East and West by Philippe Rouillard OSB and Theology of the Liturgical Year by Matias Auge CMF

Articles and their contributors in Part III Liturgical Space are Dedication of the Church in East and West by Ignacio Calabuig OSM Liturgical Architecture in East and West by Crispino Valenziano and Theology of Liturgical Space by Cettina Militello

Anscar J Chupungco OSB is the director of the Paul VI Institute of Liturgy in the Philippines and professor of liturgical inculturation at the Pontifical Liturgical Institute in Rome Among his publications are Liturgies of the Future The Process and Methods of Inculturation and Liturgical Inculturation Sacraments Religiosity and Catechesis published by The Liturgical Press
