On The Edge Of Apostasy The Evangelical Romance With Rome:

On the Edge of Apostasy Robert M. Zins, 2005 **A Gospel Contrary!** Timothy F. Kauffman, Robert M. Zins, 2023-05-20

One of the foremost and widely recognized Roman Catholic apologists Patrick Madrid published Answer Me This to provide factual convincing answers to people's questions about Catholicism. Upon inspection we find his answers to be neither factual nor convincing. What Madrid has demonstrated for us rather is the typical approach of a Roman Catholic apologist to overwhelm the ignorant and the naïve with sweeping claims, historical glosses and logical leaps that crumble under even modest scrutiny. When subjected to sober investigation the Roman religion is exposed as the novelty it clearly is. Throughout his arguments Madrid criticizes the inquirer for not being familiar with Scripture and history. Yet it is Madrid who is ignorant, misreading and misunderstanding the source material, overplaying his hand and outrunning his coverage at every turn.

Evangelical Theological Perspectives on Post-Vatican II Roman Catholicism Leonardo De Chirico, 2003 De Chirico

Instituto de Formazione Evangelica e Documentazione Padova Italy begins by identifying the elastic contours of Evangelical theology in its contemporary outlook. Then he examines a number of Evangelical theologians who have interacted with Roman Catholicism in general and with Roman Catholic theology in particular over the past 40 years. **Romanism : the**

Relentless Roman Catholic Assault on the Gospel of Jesus Christ! Robert M. Zins, 2010 Rob Zins author of *On the Edge of Apostasy the Evangelical Romance with Rome* defends biblical Christianity against the Roman Catholic religious system. Of late there have been several attempts either to fuse Romanism with Christianity or to crush Christianity with the weight of Rome. Defending on both fronts the book provides the antidote to the poisonous dangers of Romanism and ecumenism. Back cover Nature and Causes of Apostasy from the Gospel John Owen, 2018-05-23 Too often church adherents don't take

seriously the issue of apostasy in their churches. We will accept a person falling away and coming back as many times as needed without thinking of the theological ramifications for allowing a person to continuously crucify Christ at their own whim. Owen in this work shows the serious problem that apostasy brings to a church body and also the seriousness in our own lives of people around us that fall away from the true and only Christian faith. **They Who Endure to the End**

Everett Berry, 2020-07-30 Is it possible for a true believer in Christ to apostatize? If so, how? Also, how can professing believers know if they are truly born again? What assurance can they have that they will never renounce their faith? These questions have been asked for centuries as Christians have wrestled with what Scripture says about these matters. The search for answers has instilled strong disagreements among Christian traditions. In this book we navigate the terrain of this debate by examining the pertinent biblical data, surveying the history of major views that have been advocated by various denominations and offering a synthesis of all this material in the hopes that readers can see how Scripture assures believers of their security in Christ. **Evangelical Christendom**, 1851 **Evangelical Christendom** World's Evangelical
