## On The Go Rainbows:

**A Shine of Rainbows** Lillian Beckwith, 2001 Thomas is a frail orphan boy who goes to live with foster parents Mairi and Sandy. They are a contented couple despite their lack of children. However when Mairi brings Thomas back with her, Sandy is threatened by Mairi's affection for him. *Into the Rainbow* Fumiko Hosokawa, 2002-10 Humor is an important element in good health. We take ourselves too seriously sometimes. This book of common sense is multi-dimensional. It is a collection of thoughts for all ages: children, teens, and adults from all walks of life. It is written to help us think before we act or react too quickly. There are sketches to enhance the ideas shared. The thoughts can be taken literally or if thought about a deeper meaning can be read between the lines. Some are humorous and some are more serious. Common Sense to Contemplate is a book to sit down and relax with or share with someone else. Some of the thoughts may sound familiar because you or someone has said them. Remember the book is just common sense. The reader can also have the opportunity to share some of his/her common sense in the second book of the series *Common Sense Too*. See information at the end of the book. Common sense is just those things that are sometimes apparent but we are in such a hurry we don't do them. This book helps to remind us of those ideas and actions.

**Geocache of the Rainbow Bull** Ozmiroz Mak, 2006-09 The Rainbow Bull reminds me of the management scoundrels of the Colorado Fuel Iron Company. I love how Eve matures and finally confronts him. Mother Jones. Eve is a new age hero in the tradition of the old west Shane. When I started this geocache I never expected to get a college degree. Listening to faculty argue amongst themselves sure beats getting an online degree with the University of Phoenix. Eve Tillman. Eve is a new age feminist who is respectful and just gets things done. However what was with all of H. L. Mencken's adolescent rantings. Any man who lives his entire life in his parent's house has no right spouting off like that. Susan B. Anthony. It's about time someone reinvented fascism for the 21st century. Move over Mussolini, move over Archie Bunker. The Rainbow Bull is a character we can all relate to. Tokyo Rose. When is someone going to write a story where I'm the main character. And Susan B. you know you love me. H. L. Mencken. It's refreshing to find a young lady succeed by listening to the advice of her elders, although I found the part about end of the world cults a bit disturbing. Reverend John Nelson Darby. Oh grow up, most people are losers. All great leaders know nothing would get accomplished without a little bull sprinkled in here and there. Rainbow Bull. What's more American than rebelling against bull? Just like the Wizard of Oz was the master of humbug of the 20th century, the Rainbow Bull is the master of bull in the 21st and strangely enough both characters were outwitted by a young lady. Mark Twain.
