The Invisible Bear on Bunchgrass Mountain Dean Norman, 2010-10 **Wally's Woods: On the Lewis and Clark trail**
Dean Norman, American West Karen R. Jones, 2009-03-21 The American West used to be a story of gunfights glory wagon trails and linear progress Historians such as Frederick Jackson Turner and Hollywood movies such as Stagecoach 1939 and Shane 1953 cast the trans Mississippi region as a frontier of epic proportions where savagery met civilization and boys became men During the late 1980s this old way of seeing the West came under heavy fire Scholars such as Patricia Nelson Limerick and Richard White forged a fresh story of the region a new vision of the West based around the conquest of peoples and landscapes This book explores the bipolar world of Turner s Old West and Limerick s New West and reveals the values and ambiguities associated with both historical traditions Sections on Lewis and Clark the frontier and the cowboy sit alongside work on Indian genocide and women s trail diaries Images of the region as seen through the arcade Western Hollywood film and Disney theme parks confirm the West as a symbolic and contested landscape Tapping into popular fascination with the Cowboy Hollywood movies the Indian Wars and Custer s Last Stand the authors show the reader how to deconstruct the imagery and reality surrounding Western history Key Features Uses popular subjects the Cowboy Hollywood westerns the Indian Wars and Custer s Last Stand to enliven the text Includes 13 b w illustrations Interdisciplinary approach covers film literature art and historical artefacts **Purple Martin Update** ,1999 **The Dying Grass** William T. Vollmann, 2015-07-28 The reading experience of a lifetime The Washington Post The National Book Award winner takes readers inside the epic fighting retreat of the Nez Perce Indians In this new installment in his acclaimed series of novels examining the collisions between Native Americans and European colonizers William T Vollmann tells the story of the Nez Perce War with flashbacks to the Civil War Defrauded and intimidated at every turn the Nez Percés finally went on the warpath in 1877 subjecting the U S Army to its greatest defeat since Little Big Horn as they fled from northeast Oregon across Montana to the Canadian border Vollmann s main character is not the legendary Chief Joseph but his pursuer General Oliver Otis Howard the brave shy tormented devoutly Christian Civil War veteran In this novel we see him as commander father son husband friend and killer Teeming with many vivid characters on both sides of the conflict and written in an original style in which the printed page works as a stage with multiple layers of foreground and background The Dying Grass is another mesmerizing achievement from one of the most ambitious writers of our time **The Publishers Weekly** ,1917
