## **On The Makaloo Mat:**

*On The Makaloo Mat* Jack London, 2019-06-17 First published in 1919 *On The Makaloo Mat* is a fantastic collection of seven short stories by Jack London. The tales come together to create an illuminating sketch of life on the idyllic Hawaiian Islands as well as the effect that contact with Western civilisation had on its inhabitants and culture. The stories include *On the Makaloo Mat*, *The Bones of Kahekili*, *When Alice Told Her Soul*, *Shin bones*, *The Water Baby*, *The Tears of Ah Kim* and *The Kanaka Surf*. John Griffith London 1876-1916 commonly known as Jack London was an American journalist, social activist and novelist. He was an early pioneer of commercial magazine fiction, becoming one of the first globally famous celebrity writers who were able to earn a large amount of money from their writing. London is famous for his contributions to early science fiction and also notably belonged to *The Crowd*, a literary group in San Francisco known for its radical members and ideas. Other notable works by this author include *Martin Eden* (1909), *The Kipling Letters* (1903) and *The Call of the Wild* (1903). Many vintage books such as this are increasingly scarce and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author. [On the Makaloo Mat/Island Tales](#)

The story which gave the name to this brilliant collection is considered one of the best works about love in world literature. Each story has common features. *Island Tales / On the Makaloo Mat* Jack London, 2019-11-21 Jack London's *Island Tales*. *On the Makaloo Mat* is a collection that vividly captures the essence of life in the South Seas through a series of enchanting narratives. With London's characteristic blend of naturalism and romanticism, the stories delve into the lives of diverse characters navigating the complexities of island life. Richly descriptive and deeply lyrical, the prose evokes the lush flora and fauna while the underlying themes of adventure, survival, and cultural encounters reflect the influence of the early 20th-century literary movement that sought to explore the tension between nature and civilization. Jack London, renowned for his works such as *The Call of the Wild* and *White Fang*, was inspired by his own travels to the Pacific Islands where he became enthralled by the vibrant cultures and harsh realities of island existence. His experiences provided him with a profound understanding of both the beauty and brutality of life elements that resonate

throughout this collection London's personal journey as a tenacious traveler and passionate observer of humanity significantly shaped the rich tapestry present in these stories **Island Tales On the Makaloa Mat** is a must read for anyone interested in the intersection of adventure and introspection London's engaging storytelling invites readers to journey through the islands offering not just escape but profound reflections on human resilience and cultural complexity Fans of classic literature and those intrigued by the Pacific Islands will find themselves captivated by this compelling collection
