On The Road Twenty Great Day Trips From McCall:

On the Road Kathy Deinhardt Hill, 2002 *Forthcoming Books* Rose Arny, 2002 **Two Hands** Matt Potratz, 2018-01-10

Adversity is not an optional item on life's menu. We live in a fast and dangerous world. At some point life won't go as planned. You will face adversity. A proper response to adversity on the other hand is optional. Life can turn upside down faster than we want to acknowledge. From the time an avalanche fractured to the time I was violently crushed into a tree and buried was twelve seconds. In a mere twelve seconds I went from hero to zero. I was always the type that grabbed hold of life with both hands and made the best of it. I was known as one of the best sets of hands behind the handlebars of a snowmobile. Then life slid out. The avalanche nearly took my life and I came out of a lengthy coma and recovery with a hand I can't use. By the hand of God and the amazing people in my life I've never been without two hands. Check out the new unabridged audio version of **Two Hands** narrated entirely by Matt with some special audio only features www.mattpotratz.com. Also available on iTunes or Audible.

The Great Medicine Road, Part 2 Will Bagley, 2015-10. During the early weeks of 1848 as U.S. congressmen debated the territorial status of California, a Swiss immigrant and an itinerant millwright forever altered the future state's fate. Building a sawmill for Johann August Sutter, James Wilson Marshall struck gold. The rest may be history, but much of the story of what happened in the following year is told not in history books but in the letters, diaries, journals and other written recollections of those whom the California gold rush drew west. In this second installment in the projected four part collection *The Great Medicine Road Narratives of the Oregon, California and Mormon Trails*, the hardy souls who

made the arduous trip tell their stories in their own words Seven individuals tales bring to life a long ago year that enriched some impoverished others and forever changed the face of North America Responding to often misleading promotional literature adventurers made their way west via different routes Following the Carson River through the Sierra Nevada or taking the Lassen Route to the Sacramento Valley they passed through the Mormon Zion of Great Salt Lake City and traded with and often displaced Native Americans long familiar with the trails Their accounts detail these encounters as well as the gritty realities of everyday life on the overland trails They narrate events describe the vast and diverse landscapes they pass through and document a journey as strange and new to them as it is to many readers today Through these travelers diaries and memoirs readers can relive a critical moment in the remaking of the West and appreciate what a difference one year can make in the life of a nation
