*Text and Drugs and Rock 'n' Roll* Simon Warner, 2013-03-14 *Text and Drugs and Rock n Roll* explores the interaction between two of the most powerful socio cultural movements in the post war years the literary forces of the Beat Generation and the musical energies of rock and its attendant culture Simon Warner examines the interweaving strands seeded by the poet novelists Jack Kerouac Allen Ginsberg William Burroughs and others in the 1940s and 1950s and cultivated by most of the major rock figures who emerged after 1960 Bob Dylan the Beatles Bowie the Clash and Kurt Cobain to name just a few This fascinating cultural history delves into a wide range of issues Was rock culture the natural heir to the activities of the Beats Were the hippies the Beats of the 1960s What attitude did the Beat writers have towards musical forms and particularly rock music How did literary works shape the consciousness of leading rock music makers and their followers Why did Beat literature retain its cultural potency with later rock musicians who rejected hippie values How did rock musicians use the material of Beat literature in their own work How did Beat figures become embroiled in the process of rock creativity These questions are addressed through a number of approaches the influence of drugs the relevance of politics the effect of religious and spiritual pursuits the rise of the counter culture the issue of sub cultures and their construction and so on The result is a highly readable history of the innumerable links between two of the most revolutionary artistic movements of the last 60 years

*On the Road with Francis of Assisi* Linda Bird Francke, 2006-12-12 *On the Road with Francis of Assisi* offers a unique and lively travelogue of parallel journeys that of Francis of Assisi on his way to sainthood in the

thirteenth century and that of author Linda Bird Francke who followed his path through the beauty of central and coastal Italy and even on to Egypt Francke tells the compelling story of Saint Francis through the many places he visited She and her husband Harvey Loomis used as their guidebooks medieval texts including the first official biography of the saint completed in 1229 just three years after he died Theirs was not a spiritual journey but one based on admiration for a man whose legend continues to inspire and fascinate millions around the world From Assisi a small Umbrian town that now draws two million visitors a year making it second only to Rome as an Italian pilgrimage destination Saint Francis crisscrossed Italy for twenty years And so too does the author travel through the green heart of Italy to such hill towns and cities as Siena Bologna Venice Gubbio and Rome and to the many mountaintop Franciscan sanctuaries from La Verna and Le Celle di Cortona in Tuscany to the Rieti Valley Along the way Francke movingly depicts the many miracles Francis performed and draws us into the splendid beauty of the landscape that inspired the saint s love for nature and regard for all living things Unlike Francis however whose asceticism caused him to add ashes to his food to deaden its earthly pleasure Francke and her husband indulge in the fabled Umbrian cuisine from wild boar to the region s famed black truffles and the incomparable local wines On the Road with Francis of Assisi embraces the spirit and person of its legendary subject and invites the reader to marvel at his spiritual intensity and follow in his footsteps through the timeless beauty of Italy
