## **On The Way To My Funeral:**

*On the Way to My Funeral* Sarah Delano, 2001-05 An unknown hand seems to have directed the astonishing other worldly experiences revealed by author Sarah Delano in *On The Way to My Funeral* Like ocean waves that are guided by an unseen force to crash and break upon the jagged rocks of the Maine coast altered time events came crashing through the veils of normal consciousness breaking apart ordinary concepts of time and space life and death leaving the author forever altered Nothing during the idyllic childhood she enjoyed during the 40 s and 50 s in the safety and simplicity of Boothbay Harbor Maine hinted at the events that would follow in the world beyond the limits of her hometown In a skillful unadorned style of writing Ms Delano speaks of the unspeakable rape on the high seas war in the Middle East living future segments of her life before they happened past life experiences and a near death event all of which turned the beliefs of her simple childhood upside down In the recounting of these events and more Ms Delano invites readers to examine their own lives and beliefs to hold themselves somehow accountable in a universe for which there is no accounting

## **An Invitation To My Funeral**

Snow, 2006-04 Just when Sheryl a young enthusiastic volunteer was enjoying her carefree lifestyle in Phuket she discovered a pink seashell rumoured to be an object that would bring true love to its finder But ironically she received a sudden phone call from her childhood friend Claire bearing grave news Keith her best friend was dead The reason for his death was unclear The untimely demise prompted her to drop all her work overseas and fly back to her hometown Singapore Burning questions about his death unfolded leading her to do some serious self reflections about life But what seemed to be a simple funeral turned out to be one shrouded with twists and turns Instead of a melancholic affair Sheryl found herself treated to events entirely in contrast to the mood of a funeral As each unfolded Sheryl realised how the funeral ultimately linked up the lives of these childhood friends and the pink seashell itself

## **15 Ways to \$ave Money On... a Funeral! (E-book)**

Prince Publishing Empire, 2008 *Please Remember My Name... at My Funeral* Fred Zobel, 2012 How would you like to be remembered at your funeral or memorial service Perhaps you don t care although that s hard to believe Would you care if the officiating person even mentions your name or anything about a few personal accomplishments or family relationships As an employee of a funeral home following retirement from the United Methodist Church the author witnessed numerous funeral services led by various clergy persons of different faith groups Some services were well thought out and brought hope and healing to surviving persons However a number of those services indicated the opposite services that were lethargic and impersonal by officiants who hardly mentioned a word about the deceased person including their name It was almost as though the deceased person barely entered or exited their life s journey without any impact The title of the book comes from some of those reflections while employed at the funeral home The first part of the book provides some insights about funeral services reflections on grief practices and cultural mores and the raising of several issues that challenge a sometimes impersonal pernicious and apathetic clergy as to how grief ministry is provided The book also provides several examples of

outstanding clergy care and pastoral support during times of mourning The second part of the book contains a few humorous thoughts on several practical issues that he has encountered The book concludes with thoughts about the nomadic and traveling lifestyle that he and his wife have enjoyed for the last six years      **Sing This at My Funeral** David Slucki,2019-07-28 A global journey of four generations of fathers and sons as they cope with grief and loss In 1978 Jakub Slucki passed away peacefully in his sleep at the age of seventy seven A Holocaust survivor whose first wife and two sons had been murdered at the Nazi death camp in Chelmno Poland Jakub had lived a turbulent life Just over thirty seven years later his son Charles died of a heart attack David Slucki s *Sing This at My Funeral A Memoir of Fathers and Sons* tells the story of his father and his grandfather and the grave legacy that they each passed on to him This is a story about the Holocaust and its aftermath about absence and the scars that never heal and about fathers and sons and what it means to raise young men In *Sing This at My Funeral* tragedy follows the Slucki family across the globe from Jakub s early childhood in Warsaw where he witnessed the death of his parents during World War I to the loss of his family at the hands of the Nazis in April 1942 to his remarriage and relocation in Paris where after years of bereavement he welcomes the birth of his third son before finally settling in Melbourne Australia in 1950 in an attempt to get as far away from the ravages of war torn Europe as he could Charles Shmulik in Yiddish was named both after Jakub s eldest son and his slain grandfather a burden he carried through his life which was one otherwise marked by optimism and adventure The ghosts of these relatives were a constant in the Slucki home a small cottage that became the lifeblood of a small community of Jewish immigrants from Poland David Slucki interweaves the stories of these men with his own story showing how traumatic family histories leave their mark for generations Slucki s memoir blends the scholarly and literary grounding the story of his grandfather and father in the broader context of the twentieth century Based on thirty years of letters from Jakub to his brother Mendel on archival materials and on interviews with family members this is a unique story and an innovative approach to writing both history and family narrative Students scholars and general readers of memoirs will enjoy this deeply personal reflection on family and grief      We all know how this ends Anna Lyons,Louise Winter,2021-03-18 Wonderful thoughtful practical Cariad Lloyd Griefcast Encouraging and inspiring Dr Kathryn Mannix author of Amazon bestseller *With the End in Mind* *We all know how this ends* is a new approach to death and dying showing how exploring our mortality really can change our lives End of life doula Anna Lyons and funeral director Louise Winter have joined forces to share a collection of the heartbreaking surprising and uplifting stories of the ordinary and extraordinary lives they encounter every single day From working with the living the dying the dead and the grieving Anna and Louise reveal the lessons they ve learned about life death love and loss Together they ve created a profound but practical guide to rethinking the one thing that s guaranteed to happen to us all We are all going to die and that s ok Let s talk about it This is a book about life and living as much as it s a book about death and dying It s a reflection on the beauties blessings and tragedies of life the exquisite agony and ecstasy of being alive and the fragility

of everything we hold dear It s as simple and as complicated as that      *Afterwife* Polly Williams,2012-12-31 Sophie Brady is a force of nature funny beautiful and devoted to all the people in her life even in death After a traffic accident cuts her life tragically short Sophie finds herself attending her own funeral on time no less and watching the reactions of those she holds most dear Sophie s darling gorgeous husband Ollie is heartbroken trying to father their young son while working out how to use the washing machine Furthermore he s absolutely clueless about his new status as most eligible bachelor in the neighborhood Sophie is determined to help her husband find love again with the right sort of woman of course Luckily she s not the only one looking out for Ollie Her best friend Jenny is ignoring her own pain by helping him navigate the murky waters of widower hood But as she grows closer to Sophie s husband Jenny unearths secrets that make her question how well she knew her friend and where the line between loyalty and love ends      **The Happy Place** MK Tasker,2013-03-11 Imagine having the chance to see yourself from the outside a chance to look at your life in detail relationships you have built would you Mary wasnt given a choice She had to watch her life from the other side and face the truth about herself and her perfect life which wasnt that perfect after all What do you do when you realise that the life you lived was fake and everything you believed in wasnt real      **The Atlantic Monthly** ,1911      What Will They Say? 30 Funerals in 60 Days Allison Clarke,2012-09 Corporate coach Allison Clarke was on a plane to Atlanta when she realized that in order to fully live she had to first be surrounded by death Sounds strange doesn t it Not to Allison a fearless mother of two who built her own consulting firm from the ground up To Allison it felt like a challenge and as soon as she got home she met with a funeral director Her idea was simple attend the funerals of exceptional strangers and learn from their adventurous lives It began with the newspaper She read countless obituaries looking for people who interested her It didn t matter specifically what they had done Her thirty funerals ranged in scope from basketball fan to hundred and four year old Austrian immigrant What mattered was the effect they d had on the lives of their friends and families Once the choice was made Allison donned her black dress and headed to the cemetery Some people might scoff at this behavior However when Allison thought back to the funeral of her own grandmother she realized she would have been proud to have strangers there proud to tell them That was my grandma and she was amazing In the end Allison attended thirty funerals over the course of sixty days At each she learned a little more about living life to the fullest and what is life if not lived bravely passionately and with heart Allison Clarke is the founder and president of Allison Clarke Consulting a company that teaches corporations associates and individuals how to reach their full potential Previously she was a master trainer with Dale Carnegie Training She lives in Portland Oregon with her two daughters Jenna and Jamie Allison is a member of the National Speakers Association To find out how to hire Allison to speak for or to train your company visit her website [www.allisonclarkeconsulting.com](http://www.allisonclarkeconsulting.com)      *Best Contemporary Women's Fiction* Elizabeth Benedict,Jenna Blum,Molly Gloss,Nicole Mones,Maggie O'Farrell,Ann Patchett,2010-12-22 Six novels in one volume by today s most outstanding female writers includes *The Magician s Assistant*
