On The Wings Of Eagles Arik Sharon:

On the Wings of Eagles Maty Shavit, 1972 **On the Wings of Eagles** Matti Shavitt, 1972 **On Wings of Eagles** Micha Feldmann, 2012 This is a personal account of the coordinator of the Jewish Agency who helped thousands of Ethiopian Jews that were refugees in Sudan eventually immigrate to Israel during Operation Solomon in May 1991 **Fratricide in the Holy Land** Avner Falk, 2005-02-17 This is the first English language book ever to apply psychoanalytic knowledge to the understanding of the most intractable international struggle in our world today the Arab Israeli conflict Two ethnic groups fight over a single territory that both consider to be theirs by historical right essentially a rational matter But close historical examination shows that the two parties to this tragic conflict have missed innumerable opportunities for a rational partition of the territory between them and for a permanent state of peace and prosperity rather than perennial bloodshed and misery Falk suggests that a way to understand and explain such irrational matters is to examine the unconscious aspects of the conflict He examines large group psychology nationalism group narcissism psychogeography the Arab and Israeli minds and suicidal terrorism and he offers psychobiographical studies of Ariel Sharon and Yasser Arafat two key players in this tragic conflict today *Ariel Sharon* Norman H. Finkelstein, 2005-01-01 Looks at the life of Ariel Sharon from his time as a soldier through his work as a politician and prime minister of Israel *Sharon* Anita Miller, Jordan Miller, Sigalit Zetouni, 2005-08-01 Ariel Sharon Israel's former Prime Minister was perhaps one of the most controversial public figures in the Mideast He was born in 1928 in a moshav an agricultural community in which unlike a kibbutz residents own their own property and was raised by parents who were not only ardent Zionists but also rugged individualists His father especially was contemptuous of socialism and believed in individual enterprise raising his son to be self reliant and physically strong in order to prepare him for the inevitable struggle to establish a Jewish state Sharon was perhaps best known as the organizer of what was called Commando Unit 101 and for his original ideas for the training of commando forces which he later adapted to the training of larger more traditional armies During his military career he personally led many raids into Arab territory and has been criticized for his role in the destruction in 1953 of some forty Arab homes which he insisted he thought were empty and in which sixty nine Arabs died Later in 1982 he was blamed also for allowing the Lebanese Christian Militia into a Palestinian refugee camp in which hundreds were killed His political career was of course indelibly colored by his military exploits What made Sharon tick What kind of a man was he How did his childhood and early life condition him to become a brilliant commander controversial soldier and an as yet untested leader of a small democracy which is divided both within and without This first biography in English frank but balanced will perhaps answer some of the questions raised by his career both as a soldier and politician **Holy Wars** Gary L. Rashba, 2020-01-10 A compelling tale of how this spiritually and politically charged area of the globe has long been a place of pivotal battles Library Journal Today's Arab Israeli conflict is merely the latest iteration of an unending history of violence in the Holy Land a region that is unsurpassed as witness to a

kaleidoscopic military history involving forces from across the world and throughout the millennia Holy Wars describes three thousand years of war in the Holy Land with the unique approach of focusing on pivotal battles or campaigns beginning with the Israelites capture of Jericho and ending with Israel's last full fledged assault against Lebanon Its chapters stop along the way to examine key battles fought by the Philistines Assyrians Greeks Romans Arabs Crusaders and Mamluks the latter clash at Ayn Jalut comprising the first time the Mongols suffered a decisive defeat The modern era saw the rise of the Ottomans and an incursion by Napoleon who only found bloody stalemate outside the walls of Akko The Holy Land became a battlefield again in World War I when the British fought the Turks The nation of Israel was forged in conflict during its 1948 War of Independence and subsequently found itself in desperate combat often against great odds in 1956 and 1967 and again in 1973 when it was surprised by a massive two pronged assault By focusing on the climax of each conflict while carefully setting each stage Holy Wars examines an extraordinary breadth of military history spanning in one volume the evolution of warfare over the centuries as well as the enduring status of the Holy Land as a battleground

Current Biography Yearbook, 1982 Scholar's Guide to Intelligence Literature Georgetown University. Library, 1983 *On the Wings of Eagles* Matti Shavitt, 1970 *The Iron Wall* Avi Shlaim, 2015-07-30

Avi Shlaim's *The Iron Wall* Israel and the Arab World is the outstanding book on Israeli foreign policy now thoroughly updated with a new preface and chapters on Israel's most recent leaders In the 1920s hard line Zionists developed the doctrine of the Iron Wall negotiations with the Arabs must always be from a position of military strength and only when sufficiently strong Israel would be able to make peace with her Arab neighbours This doctrine argues Avi Shlaim became central to Israeli policy dissenters were marginalized and many opportunities to reconcile with Palestinian Arabs were lost Drawing on a great deal of new material and interviews with many key participants Shlaim places Israel's political and military actions under an uncompromising lens His analysis will bring scant comfort to partisans on both sides but it will be required reading for anyone interested in this fascinating and troubled region of the world The Iron Wall is strikingly fair minded scholarly cogently reasoned and makes enthralling reading Philip Ziegler Daily Telegraph Anyone wanting to understand the modern Middle East should start by reading this elegantly written and scrupulously researched book Trevor Royle Sunday Herald A milestone in modern scholarship of the Middle East Edward Said Fascinating Shlaim presents compelling evidence for a revaluation of traditional Israeli history Ethan Bronner The New York Times Book Review

Avi Shlaim is Professor of International Relations at St Antony's College Oxford His previous books include *Collusion Across the Jordan* 1988 and *War and Peace in the Middle East* 1995 **National Union Catalog**, 1978 Includes entries for maps and atlases **The Lion's Gate** Steven Pressfield, 2015-05-26

From the bestselling author of *Gates of Fire* and *Killing Rommel* the thrilling true story of one of the most unlikely and astonishing military victories in history June 5 1967 Israel is surrounded by enemies who want nothing less than her utter extinction The Soviet equipped Egyptian Army has massed a thousand tanks on the nation's southern border Syrian heavy guns are shelling her from the

north To the east Jordan and Iraq are moving mechanized brigades and fighter squadrons into position to attack June 10 1967 The Arab armies have been routed their air forces totally destroyed Israel s citizen soldiers have seized the Gaza Strip and the Sinai Peninsula from Egypt the Golan Heights from Syria East Jerusalem and the West Bank from Jordan Moshe Dayan has entered the Lion s Gate of the Old City of Jerusalem to stand with the paratroopers who have liberated Judaism s holiest site the Western Wall Drawing on hundreds of hours of interviews with veterans of the war fighter and helicopter pilots tank commanders and Recon soldiers paratroopers as well as women soldiers wives and others bestselling author Steven Pressfield tells the story of the Six Day War as you ve never experienced it before Tangled Webs Vol. IX Gyeorgos Ceres Hatonn,1992 *The Iron Wall: Israel and the Arab World (Updated and Expanded)* Avi Shlaim,2014-10-20 Fascinating Shlaim presents compelling evidence for a revaluation of traditional Israeli history New York Times Book Review For this newly expanded edition Avi Shlaim has added four chapters and an epilogue that address the prime ministerships from Barak to Netanyahu in the one book everyone should read for a concise history of Israel s relations with Arabs Independent What was promulgated as an iron wall strategy building a position of unassailable strength was meant to yield to a further stage where Israel would be strong enough to negotiate a satisfactory peace with its neighbors The goal still remains elusive if not even further away This penetrating study brilliantly illuminates past progress and future prospects for peace in the Middle East **Red Sea Spies** Raffi Berg,2020-02-06 THE TRUE STORY THAT INSPIRED THE NETFLIX FILM THE RED SEA DIVING RESORT Secret missions brazen deceptions and thrilling clandestine operations Red Sea Spies has it all But it has something more important too a genuine human mission that made a difference David Hoffman author of The Billion Dollar Spy A thrilling and meticulous account The Times In the early 1980s on a remote part of the Sudanese coast a new luxury holiday resort opened for business Catering for divers it attracted guests from around the world Little did the holidaymakers know that the staff were undercover spies working for the Mossad the Israeli secret service Providing a front for covert night time activities the holiday village allowed the agents to carry out an operation unlike any seen before What began with one cryptic message pleading for help turned into the secret evacuation of thousands of Ethiopian Jews who had been languishing in refugee camps and the spiriting of them to Israel Written in collaboration with operatives involved in the mission endorsed as the definitive account and including an afterword from the commander who went on to become the head of the Mossad this is the complete never before heard gripping tale of a top secret and often hazardous operation Red Sea Spies is what really happened There is none of the Hollywood colouring in and yet the book is all the more vivid for it part thriller part dark comedy all true Berg brings out the native drama in an improbable story of a clandestine homecoming Spectator *The International Diplomacy of Israel's Founders* John Quigley,2016-01-14 During the early to mid twentieth century the Zionist Organization secured a series of political victories on the international stage leading to the foundation of a Jewish state and to its ability to expand its territorial control within Palestine The International Diplomacy of Israel s Founders provides a

revisionist account of the founding of Israel by exposing the misrepresentations and false assurances of Zionist diplomats during this formative period of Israeli history By comparing diplomatic statements at the United Nations and elsewhere against the historical record it sheds new light on the legacies of such leaders as Chaim Weizmann David Ben Gurion Abba Eban and Shabtai Rosenne Including coverage of little discussed moments in early Israeli history this book offers an important new perspective for anyone interested in the history of the Israeli Palestinian conflict

The Two O'Clock War
Walter J. Boyne, 2025-06-25 Walter J Boyne s The Two O Clock War is a spellbinding chronicle of the international chess game that was played out in October 1973 It is a story of diplomacy and military might that accounts for many of the dilemmas faced in the present day Middle East It s usually called the Yom Kippur War Or sometimes the October War The players that surround it are familiar Sadat and Mubarak Meir and Sharon Nixon and Kissinger Brezhnev and Dobrynin It was a war that brought Arab and Jew into vicious conflict A war in which Israel almost unleashed her nuclear arsenal and set two superpowers on a treacherous course of nuclear escalation And a war that eventually brought peace But a peace fraught with delicate tensions disputed borders and a legacy of further bloodshed This is a war that Israel never thought was possible Surprised by the fury and excellent execution of the Arab onslaught and perhaps more than a little complacent Israel suddenly found itself on the point of losing a war because of a lack of ammunition planes and tanks The United States after much vacillation finally elected to help Israel beginning a tremendous airlift code name Operation Nickel Grass which incurred the wrath of the Arab states and their sponsor the Soviet Union Fortunately the airlift came just in time for Israeli ground forces to stabilize their positions and eventually turn the tide in the Sinai and Golan Heights And it was all made possible by an operation that dwarfed the Berlin Airlift and the Soviets simultaneous efforts in Egypt and Syria The Two O Clock War is bound to become the definitive history of a war that quite literally approached Armageddon

Six Days of War
Michael B. Oren, 2017-06-06 NEW YORK TIMES BESTSELLER The first comprehensive account of the epoch making Six Day War from the author of Ally now featuring a fiftieth anniversary retrospective Though it lasted for only six tense days in June the 1967 Arab Israeli war never really ended Every crisis that has ripped through this region in the ensuing decades from the Yom Kippur War of 1973 to the ongoing intifada is a direct consequence of those six days of fighting Writing with a novelist s command of narrative and a historian s grasp of fact and motive Michael B Oren reconstructs both the lightning fast action on the battlefields and the political shocks that electrified the world Extraordinary personalities Moshe Dayan and Gamal Abdul Nasser Lyndon Johnson and Alexei Kosygin rose and toppled from power as a result of this war borders were redrawn daring strategies brilliantly succeeded or disastrously failed in a matter of hours And the balance of power changed in the Middle East and in the world A towering work of history and an enthralling human narrative Six Days of War is the most important book on the Middle East conflict to appear in a generation Praise for Six Days of War Powerful A highly readable even gripping account of the 1967 conflict Oren has woven a seamless narrative out of a staggering variety of diplomatic and

military strands The New York Times With a remarkably assured style Oren elucidates nearly every aspect of the conflict Oren's book will remain the authoritative chronicle of the war His achievement as a writer and a historian is awesome The Atlantic Monthly This is not only the best book so far written on the six day war it is likely to remain the best The Washington Post Book World Phenomenal breathtaking history a profoundly talented writer This book is not only one of the best books on this critical episode in Middle East history it's one of the best written books I've read this year in any genre The Jerusalem Post In Michael Oren's richly detailed and lucid account the familiar story is thrilling once again What makes this book important is the breadth and depth of the research The New York Times Book Review A first rate new account of the conflict The Washington Post The definitive history of the Six Day War Oren's narrative is precise but written with great literary flair In no one else's study is there more understanding or more surprise Martin Peretz Publisher The New Republic Compelling perhaps even vital reading San Jose Mercury News 1976, □□□ □□□□

On The Wings Of Eagles Arik Sharon Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever.
