**Return to God** Danson Enogiomwan Ubebe, 2013-03-01. Return to God is a rare resource for uncommon Bible knowledge. It is one book which clearly identifies the Gospel of Grace as different from the tradition under the Mosaic Covenant and yet strings them together without mixing them up. The book covers several areas of the Holy Bible that a great number of people shy away from. It is written to give glory to God, not to man. In explaining the hidden biblical truth, the book debunks several commonly held views about tithing, fasting, seed sowing, who of the spirit, soul, and body is the real man, and more. It further clarifies what Jesus Christ meant by believe and who can be described as really born again. The book shows that man without Jesus Christ and this world are themselves darkness and that re-incarnation is a reality and not an eastern religion gimmick. The coverage by the book is huge and deep. In the end, a brief account of the evolution of Christianity is added. The book also shows that there is a connection between Jesus Christ and the Tree of Life. Return to God, which unearths several hidden meanings of the Holy Bible teaching, will appeal to those who are interested in religion and are seekers of God and the truth of the gospel of grace.

**Zen: The Path of Paradox, Vol 2** Osho, 2023-04-15. Zen is unconditionally value free. If you make a condition, you miss the point. Zen has no fear and no greed. Zen has no God and no Devil, and Zen has no heaven and no hell. It does not make people greedy by alluring them, promising them rewards in heaven. And it does not make people frightened, scared, by creating nightmarish conceptions of hell. It does not bribe you by rewards, and it does not punish you with tortures. It simply gives you an insight to see into things, and that insight frees you. That insight has no greed as a base to it, and no fear as a base to it. All other religions are greedy; all other religions are based deep down somewhere in fear. That's why we use the word god fearing for a religious person: a religious person is god fearing.
