On Valors Side Tom Green And The Battles For Early Texas:

On Valor's Side Brian Sayers, 1999-01-01 **Lone Star Blue and Gray** Ralph Wooster, Robert Wooster, 2015-04-21 From the bitter disputes over secession to the ways in which the conflict would be remembered Texas and Texans were caught up in the momentous struggles of the American Civil War Tens of thousands of Texans joined military units and scarcely a household in the state was unaffected as mothers and wives assumed new roles in managing farms and plantations Still others grappled with the massive social political and economic changes wrought by the bloodiest conflict in American history The sixteen essays eleven of them new from some of the leading historians in the field in the second edition of **Lone Star Blue and Gray** illustrate the rich traditions and continuing vitality of Texas Civil War scholarship Along with these articles editors Ralph A and Robert Wooster provide a succinct introduction to the war and Texas and recommended readings for those seeking further investigations of virtually every aspect of the war as experienced in the Lone Star State **Always for the Underdog** Keagan LeJeune, 2010 Drawing from newspapers court records and a decade of interviews and observation LeJeune offers a penetrating examination of the interplay between legend and place exploring Smith's own life this unique historical moment and the place's mysterious landscape The book also considers how contemporary festivals and other forms of cultural heritage employ the legend as a cultural recourse To stay vibrant and meaningful culture constantly re makes itself here the outlaw occupies a vital role in the re creation Book Jacket *Through the Howling Wilderness* Gary D. Joiner, 2006 *Through the Howling Wilderness* is replete with in depth coverage on the geography of the region the Congressional hearings after the Campaign and the Confederate defenses in the Red River Valley **The Timberclads in the Civil War** Myron J. Smith, Jr., 2008-10-07 In the most detailed history ever of Union warships on the western waters of the Civil War the author recounts the exploits of the timberclad ships Lexington Tyler and Conestoga Converted to warships from commercial steamboats at the beginning of the conflict the three formed the core of the North's Western Flotilla later the Mississippi Squadron The book focuses on the activities of these wooden warriors while providing context for the greater war including accounts of their famous commanders their roles in both large and small battles ship to ship combat and support for the armies of Gen U S Grant and Gen William T Sherman Tinclads in the Civil War Myron J. Smith, Jr., 2010-01-13 Once the Union Army gained control of the upper rivers of the Mississippi Valley during the first half of 1862 slow and heavy ironclads proved ineffective in patrolling the waters Hastily outfitted steamboats were covered with thin armor and pressed into duty These tinclads fought Confederate forces attacking from the riverbanks provided convoy for merchant steamers enforced revenue measures and offered tow dispatch and other fleet support services This history documents the service records and duties of these little known vessels of the Union fleet After Vicksburg Myron J. Smith, Jr., 2021-10-28 This is the first published comprehensive survey of naval action on the Mississippi River and its tributaries for the years 1863 1865 Following introductory reviews of the rivers and of the U S Navy's Mississippi Squadron chronological

Federal naval participation in various raids and larger campaigns is highlighted as well as counterinsurgency economical support and control and logistical protection The book includes details on units locations and activities that have been previously underreported or ignored Examples include the birth and function of the Mississippi Squadron s 11th District the role of U S Army gunboats and the war on the Upper Cumberland and Upper Tennessee Rivers The last chapter details the coming of the peace in 1865 and the decommissioning of the U S river navy and the sale of its gunboats **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Confederate Veteran** ,1900 Subject Guide to Books in Print ,2001 The National Cyclopedia of American Biography ,1902 **Confederate Veteran** ,1988 *The Rebellion Record. Supplement.--First Volume* Frank Moore,1864 **Blue & Gray Magazine** ,1983 Between the Enemy and Texas Anne J. Bailey,1989 Much of the Civil War west of the Mississippi was a war of waiting for action of foraging already stripped land for an army that supposedly could provision itself and of disease in camp while trying to hold out against Union pressure There were none of the major engagements that characterized the conflict farther east Instead small units of Confederate cavalry and infantry skirmished with Federal forces in Arkansas Missouri and Louisiana trying to hold the western Confederacy together The many units of Texans who joined this fight had a second objective to keep the enemy out of their home state by placing themselves between the enemy and Texas Historian Anne J Bailey studies one Texas unit Parsons s Cavalry Brigade to show how the war west of the Mississippi was fought Historian Norman D Brown calls this the definitive study of Parsons s Cavalry Brigade the story will not need to be told again Exhaustively researched and written with literary grace Between the Enemy and Texas is a must book for anyone interested in the role of mounted troops in the Trans Mississippi Department **Leaving Mac Behind** Geoffrey Roecker,2019-08-22 My first telegram came Sep 3 1942 that my son was missing in action And the next telegram came Aug 18 1943 that he was Declared Dead Till this day I do not know what happened to him Mrs Ann M Lyons August 7 1957 Between 1942 and 1944 nearly four hundred Marines virtually vanished in the jungles seas and skies of Guadalcanal They were the victims of enemy ambushes and friendly fire hard fighting and poor planning their deaths witnessed by dozens or not at all They were buried in field graves in cemeteries as unknowns or left where they fell They were classified as missing as not recovered as presumed dead And in the years that followed their families wondered at their fates and how an administrative decision could close the book on sons brothers and husbands without healing the wounds left by their absence Leaving Mac Behind reconstructs the lives last moments and legacies of some of these men Original records eyewitness accounts and recent discoveries shed new light on the lost graves of Guadalcanal s missing Marines and the ongoing efforts to bring them home *The Rebellion Record* ,1866 The Rebellion Record Frank Moore,1864 *Texas, the Lone Star State* Rupert Norval Richardson,Adrian N. Anderson,Ernest Wallace,1997 Texas at the beginning of the twenty first century is a very different place than it was when the first edition of this text appeared over a half century ago Nevertheless Texas The Lone Star State remains at its core the work of Professor

Rupert Norvell Richardson one of the most respected Texas historians of the twentieth century Through the preceding seven editions this work has evolved as new material and new historical interpretations have made their way into the text and as new authors have joined the venture Adrian Anderson and Ernest Wallace joined the text for the third edition and Cary D Wintz joins for the eighth Adding to a strong narrative discussion of nineteenth century Texas are new materials and information that emphasize the role of women and minorities in Texas history the impact of industrialization and urbanization the social and demographic changes that have occurred in twentieth century Texas and the transformation of Texas politics at the end of the twentieth century Hood's Texas Brigade: Lee's Grenadier Guard Harold B. Simpson, 1983
