On Strike Irving Abella, 1974 Compilation of articles on six key strikes in Canada from 1919 to 1949 includes references

The Canadian Labour Movement: A Short History Craig Heron, 1996 The Canadian Labour Movement is a fascinating story that brings to life the working men and women who built Canada's unions This concise history recounts the story of Canadian labour from the nineteenth century to the present day First published in 1989 it has been updated to include new developments in the world of labour up to 1995 Heron depicts the major events and trends in labour's history and assesses the current state and direction of the labour movement The Canadian Labour Movement is a masterful overview of the subject providing a broad and accessible introduction to Canadian labour

Power, Politics, and Principles Taylor Hollander, 2018-06-12 Set against the backdrop of the U.S. experience Power Politics and Principles uses a transnational perspective to understand the passage and long term implications of a pivotal labour law in Canada Utilizing a wide array of primary materials and secondary sources Hollander gets to the root of the policy making process revealing how the making of P.C. 1003 in 1944 a wartime order that forced employers to the collective bargaining table involved real people with conflicting personalities and competing agendas Each chapter of Power Politics and Principles begins with a quasi-fictional vignette to help the reader visualize historical context Hollander pays particular attention to the central role that Mackenzie King played in the creation of P.C. 1003 Although most scholars describe the Prime Minister's approach to policy decisions as calculating and opportunistic Power Politics and Principles argues that Mackenzie King's adherence to moderate principles resulted in a less hostile legal environment in Canada for workers and their unions in the long run than a more far-reaching collective bargaining law in the United States

Marxism and Historical Practice (Vol. I) Bryan D. Palmer, 2015-09-01 The two volumes of Marxism and Historical Practice bring together essays written by one of the major Marxist historians of the last fifty years The pieces collected in Volume I Interpretive Essays on Class Formation and Class Struggle offer a stimulating empirically grounded survey of North American collective behaviour popular mobilizations and social struggles ranging from a rich discussion of ritualistic protest like the charivari through the rise of the Knights of Labor in the 1880s to campaigns against neoliberal labour reform in British Columbia in the early 1980s What emerges is Palmer's sustained reflection on long standing interpretive historical problems of class formation the dynamics of social change and how popular social movements arise and relate to law the state and existing cultural contexts

Canada's 1960s Bryan D. Palmer, 2009-01-01 Focusing on the major movements and personalities of the time as well as the lasting influence of the period Canada's 1960s examines the legacy of this rebellious decade's impact on contemporary notions of Canadian identity

Canadian History: Confederation to the present Martin Brook Taylor, Doug Owram, 1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover

Border Cities Powerhouse:

1901-1945 Patrick Brode, 2017-06-06 This is the first comprehensive history of the Border Cities area during its formative period in the first half of the 20th Century The story of Windsor's emergence during this period is largely one of confrontation and conflict a multicultural population industrial expansion radical politics and military production all played their part in the city's early history Bora Laskin Philip Girard, 2015-01-15 In any account of twentieth century Canadian law Bora Laskin 1912-1984 looms large Born in northern Ontario to Russian Jewish immigrant parents Laskin became a prominent human rights activist university professor and labour arbitrator before embarking on his accidental career as a judge on the Ontario Court of Appeal 1965 and later Chief Justice of Canada 1973-1984 Throughout his professional career he used the law to make Canada a better place for workers racial and ethnic minorities and the disadvantaged As a judge he sought to make the judiciary more responsive to modern Canadian expectations of justice and fundamental rights In Bora Laskin Bringing Law to Life Philip Girard chronicles the life of a man who at all points of his life was a fighter for a better Canada he fought antisemitism corporate capital omnipotent university boards the Law Society of Upper Canada and his own judicial colleagues in an effort to modernize institutions and re shape Canadian law Girard exploits a wealth of previously untapped archival sources to provide in vivid detail a critical assessment of a restless man on an important mission **The History of Disruption** Mehmet Dosemeci, 2024-10-29 Challenging our understanding of social struggles as movements Mehmet Dosemeci traces a 300 year counter history of struggle predicated on disruption Why do we think of social struggles as movements Have struggles been practiced otherwise not as motion but as interruption occupation disturbance arrest Looking at three hundred years of Atlantic social struggle kinetically Mehmet Dosemeci questions the axiomatic association that academics and activists have made between modern social struggles and the category of movement Dosemeci argues that this movement politics has privileged some forms of historical struggle while obscuring others and perhaps more damningly reveals the complicity of social movements in the very forces they oppose Dosemeci's story begins with the eighteenth century establishment of a transatlantic regime of movement that coerced goods and bodies into violent and ceaseless motion He then details the long history of resistance to this regime interweaving disparate social struggles such as food riots Caribbean maroon communities Atlantic pirates secret societies and syndicalism the student New Left Black Power radical feminism Operaismo and the Zapatistas into a history of politics as disruption Dosemeci convincingly argues that this history is key to understanding the resurgence of disruptive politics in the twenty first century and offers valuable guidance for future struggles seeking to overturn an ever intensifying regime of movement **Dominion of Capital** Don Nerbas, 2013-12-06 In the critical decades following the First World War the Canadian political landscape was shifting in ways that significantly recast the relationship between big business and government As public pressures changed the priorities of Canada's political parties many of Canada's most powerful businessmen struggled to come to terms with a changing world that was less sympathetic to their ideas and interests than before Dominion of Capital offers a new account of

relations between government and business in Canada during a period of transition between the established expectations of the National Policy and the uncertain future of the twentieth century Don Nerbas tells this fascinating story through close portraits of influential business and political figures of this period including Howard P Robinson Charles Dunning Sir Edward Beatty R S McLaughlin and C D Howe that provide insight into how events in different sectors of the economy and regions of the country shaped the political outlook and strategies of the country's business elite Drawing on business political social and cultural history Nerbas revises standard accounts of government business relations in this period and sheds new light on the challenges facing big business in early twentieth century Canada

Public Violence in Canada, 1867-1982

Judy Torrance,1988-05-01 Judy Torrance introduces the concept of public violence to denote acts widely considered to be violent and of importance to society Public violence differs from related concepts like political violence in explicitly recognizing that the subject matter is socially constructed

The Vigilant Eye Greg Marquis,2017-01-19T00:00:00Z In *The Vigilant Eye* Greg Marquis combines the narrative and chronological approach of traditional institutional history with the critical approaches of social history legal history and criminology The book begins with the English and Irish roots of nineteenth century British North American policing and traces the development of the three models of law enforcement that would shape the future the local rural constable the municipal police department and the paramilitary territorial constabulary Marquis examines the development of provincial police services whose expansion coincided with the rise of mass automobile ownership and controversies over alcohol prohibition and control and their eventual absorption into the RCMP In terms of political policing the vigilant eye has monitored harassed and disrupted various social and political movements ranging from Fenians to communists to Quebec separatists and environmentalists Marquis argues that the style of community policing in vogue during the 1970s and 1980s lacked confidence and had a limited impact Canada's simplistic crime fighting model undermines genuine reform including curbs on the use of deadly force on citizens and justifies the increased militarization of policing Marquis argues that it is time for citizens to turn their vigilant eye towards police and policing in their own communities

Joe Salsberg Gerald J. J. Tulchinsky,2013-01-01 Award winning historian Gerald Tulchinsky traces Salsberg's personal and professional journey from his entrance into Toronto's oppressive garment industry at age 14 which led to his becoming active in emerging trade unions to his rise through the ranks of the Communist Party of Canada and the Workers Unity League Detailing Salsberg's time as an influential Toronto alderman and member of the Ontario legislature the book also examines his dramatic break with communism and his embrace of a new career in journalism

We Stood Together Gloria Montero,1979-01-01 Here are the stories of twelve of Canada's outstanding labour leaders and organizers Their accounts tell the behind the scenes story of some of the key events in the twentieth century Canadian history from the 1919 Winnipeg General Strike the 1935 On to Ottawa trek of the unemployed which played a major role in the defeat of Tory Prime Minister R B Bennett and the 1945 Ford strike in Windsor which consolidated the rights of big industrial unions through to the 1972

Common Front of Quebec s public sector workers **Hidden Knowledge** D. W. Livingstone, Peter Harold Sawchuk, 2004-01-01 An important and valuable academic look at knowledge and learning Wheel of Fortune Jamie Swift, 1995 Jamie Swift combines sharp eyed journalism that brings out the nuances of daily life with a penetrating analysis of jobless recovery He describes the emerging world of work through the eyes and experiences of people in Kingston and Windsor two Ontario cities with roots in the pre industrial past places poised for the post industrial information age

Canada's Odyssey Peter H. Russell, 2017-05-08 150 years after Confederation Canada is known around the world for its social diversity and its commitment to principles of multiculturalism But the road to contemporary Canada is a winding one a story of division and conflict as well as union and accommodation In Canada s Odyssey renowned scholar Peter H Russell provides an expansive accessible account of Canadian history from the pre Confederation period to the present day By focusing on what he calls the three pillars of English Canada French Canada and Aboriginal Canada Russell advances an important view of our country as one founded on and informed by incomplete conquests It is the very incompleteness of these conquests that have made Canada what it is today not just a multicultural society but a multinational one Featuring the scope and vivid characterizations of an epic novel Canada s Odyssey is a magisterial work by an astute observer of Canadian politics and history a perfect book to commemorate the 150th anniversary of Confederation Becoming an Ally Anne Bishop, 2023-04-14 Already I have found myself quoting Anne Bishop s wisdom her simple advice is compelling Right now in Australia she has the power to lead us as we struggle with questions of guilt responsibility and patterns of oppression which are larger than ourselves Rev Tim Costello President Baptist Union of Australia Becoming an Ally is must reading for anyone concerned with understanding and challenging the dynamics forms and sources of oppression whether it is their own oppression that of others or both Bob Mullaly is Head of Social Work at Victoria University Melbourne Where does oppression come from Has it always been with us just human nature What can we do to change it What does individual healing have to do with the struggles for social justice What does social justice have to do with individual healing Why do members of the same oppressed group fight each other sometimes more viciously than their oppressor Why do some who experience oppression develop a life long commitment to fighting oppression while others turn around and oppress others Anne Bishop draws on her many years experience in community work to write this feisty and bestselling guide for activists community workers and welfare workers *Canadian Political Economy* Heather Whiteside, 2020-11-19 Engaging with themes of conflict change and crisis this book re invigorates the distinct interdisciplinary field of Canadian political economy
