**On the Bifurcation and Repression Theories of Germanic and German** Christopher Michael Stevens, 1998 Evidence for the bifurcation and repression theories of German is evaluated and the author presents new evidence in support of the traditional inventory of Proto Germanic consonants as well as for the traditional view of the origin and spread of the Second Consonant Shift

**Language in Time and Space** Brigitte L.M. Bauer, Georges-Jean Pinault, 2011-03-01 The honoree of this Festschrift has for many years now marked modern trends in diachronic and synchronic linguistics by his own publications and by stimulating those of numerous others This collection of articles presents data oriented studies that integrate modern and traditional approaches in the field thus reflecting the honoree's contribution to contemporary linguistics The articles relate to comparative data from early Indo European languages and a variety of other languages and discuss the theoretical implications of phenomena such as linguistic universals reconstruction and language classification

**Bibliographie Linguistique de L'annee 1999** Mark Janse, Hella Olbertz, Sijmen Tol, 2003-11-30 Setting out the historical national and religious characteristics of the Italians as they impact on the integration within the European Union this study makes note of the two characteristics that have an adverse effect on Italian national identity cleavages between north and south and the dominant role of family It discusses how for Italians family loyalty is stronger than any other allegiance including feelings towards their country their nation or the EU Due to such subnational allegiances and values this book notes that Italian civic society is weaker and engagement at the grass roots is less robust than one finds in other democracies leaving politics in Italy largely in the hands of political parties The work concludes by noting that EU membership however provides no magic bullet for Italy it cannot change internal cleavages the Italian worldview and family values or the country's mafia dominated power matrix and as a result the underlying absence of fidelity to a shared polity Italian or European leave the country as ungovernable as ever
