On The Frontlines Coping With The Librarys Problem Patrons:

Helping the Difficult Library Patron Linda S Katz, 2013-10-31 This insightful book shows you how to deal with an issue as old as the library profession interacting with problem patrons It looks at this fact of life that affects almost every facet of library work and provides practical solutions some developed within the field and some borrowed from other professions that will improve reference services for those you serve and make the work of your library staff less stressful more productive and increasingly meaningful Helping the Difficult Library Patron New Approaches to Examining and Resolving a Long Standing and Ongoing Problem examines the nature of the problem from historical and demographic perspectives ways of dealing with the problem in academic and public libraries competency based training techniques that will empower your frontline staff the impact of new technologies such as cellular phones and the Internet and ways of dealing with the new breeds of difficult patrons that come with them solutions from our colleagues what we can learn from the perspectives of others psychotherapists businesspeople and corporate managers you even get a Zen Buddhist viewpoint effective ways to utilize community resources such as campus and local police and much much more Nowhere in the library literature have so many practitioners and educators combined their efforts to examine and provide solutions to this ageless problem Library administrators staff and educators will find Helping the Difficult Library Patron a matchless resource *Libraries, Museums, and Archives* Tomas A. Lipinski, 2002 How can libraries museums and archives update their policies to balance legal requirements with the needs of their users This in depth treatment provides concrete background and guidelines for every library museum or archive no matter what the size or mission Emerging Solutions in Reference Services John Duncan Edwards, 2001 This book describes ways in which technology can help law librarians and offers solutions for the special problems posed by new technology looking at issues related to Web design setting up online reference services virtual library tours and Internet training for patrons There is also material on handling problem patrons drafting enforceable rules avoiding the unauthorized practice of law and cross training reference personnel This work has been co published simultaneously as Legal Reference Services Quarterly vol 19 nos 1 2 2001 Edwards is professor of law and director of the Law Library at Drake University Law School c Book News Inc **Encyclopedia of Homelessness** David Levinson, 2004-06-21 Click Additional Materials for downloadable samples This valuable reference provides an excellent overview of a serious world wide problem As such it is an essential purchase for all libraries LIBRARY JOURNAL star review Levinson s remarkable work deserves an award for tackling this complex social problem in such a very thorough and well organized way Highly Recommended CHOICE At any given moment about 3 million American women men and children are homeless And another 5 million Americans spend over 50% of their incomes on housing meaning that one missed paycheck one health crisis or one unpaid utility bill can push them out the door into homelessness Homelessness is one of the major social problems and personal and family tragedies of the contemporary world No community city or nation is immune and the

lack of affordable housing and a decline in secure well paying jobs means that the problem will only get worse The Encyclopedia of Homelessness is the first systematic effort to organize and summarize what we know about this complex topic that impacts not only the homeless but all of society The Encyclopedia focuses on the current situation in the United States with a comparative sampling of homelessness around the world Key Themes Causes Lifestyle Issues Health Issues and Services History Legal Issues and Advocacy Government Policies and Programs Organizations Research Approaches Service Systems and Settings Size and Characteristics of the Homeless Population Public Perceptions of Homelessness World Issues and Perspectives Quick and Easy Regional Comparisons Additional descriptive articles cover homelessness today in a sample of American cities and a sample of cities and nations of the world allowing for quick and easy comparisons The Encyclopedia contains entries on Australia Brazil Canada Cuba France Guatemala Japan Nigeria Russia Sweden the United Kingdom Zimbabwe Tokyo Calcutta London and others around the world The Encyclopedia of Homelessness meets the needs of a broad audience offering a rich history and the data views and perspectives of experts from different disciplines and perspectives including Sociologists Anthropologists Economists Historians Social Policy Analysts and Planners Program Administrators Physicians Social Workers Lawyers who provide advocacy and services Journalists Students of history social studies and the social sciences in high school through graduate school Appendices In addition to the articles the Encyclopedia provides five carefully researched and compiled appendices that make this the key starting point for the study of homelessness Homelessness Autobiographical and Fictional Homelessness in Popular Culture Film Directory of Street Newspapers Documentary History Selection of primary source material Master Bibliography Key Features Two volumes and over 150 entries organized alphabetically Entries written by an international team of leading authorities in the field Reader s Guide groups entries by broad topic areas Appendices offer a wealth of additional information Emerging Solutions in Reference Services John D. Edwards, 2013-10-18 How can you enhance reference services without adding staff Modern law librarians are under growing pressure to keep up with new technologies deal instantly with the demands of patrons keep the library safe and user friendly and generally offer the best possible service while keeping costs down Emerging Solutions in Reference Services Implications for Libraries in the New Millennium is a very practical guide for coping with rapidly changing technology and increasing demands for services Its sane well researched advice and suggestions can help you deal with the hectic days and nights behind the reference desk Emerging Solutions in Reference Services suggests up to date innovative ways to deal with the traditional issues confronting librarians including handling problem patrons and ensuring security assigning reference responsibilities teaching patrons at the reference desk or on library tours drafting enforceable rules avoiding the unauthorized practice of law charging or not charging fees for services cross training reference personnel Some of the traditional problems of law librarians are solved by computers others are actually exacerbated by the new technologies available In addition to finding ways that technology can help law librarians Emerging Solutions in Reference

Services offers solutions for the special problems posed by new technology including questions of Web design setting up online reference services virtual library tours Internet training for patrons and ensuring technological competency of staff In these days of decreasing budgets and increasing demands for services Emerging Solutions in Reference Services is an invaluable resource for the librarian caught in the middle

The Reference Library User William A. Katz,1990 Provide the best possible service to your library patrons With a healthy respect for those who seek assistance at the reference desk a group of library and information service specialists examine the public whom they serve The Reference Library User focuses on the possible interactions between the reference librarian and the library user The authoritative contributors discuss many problems in the relationship between the public and the library and all offer suggestions that will at least help librarians to better serve the public on a daily basis A major emphasis of The Reference Library User is on the various populations using the library and their particular needs For example one chapter examines the information needs of deinstitutionalized patrons and presents methods of providing service and a rationale for community outreach The state program in Rhode Island is outlined describing efforts to reach community residents through public libraries and the state operated Bookmobile Other chapters provide strategies for providing reference services to older adults the learning disabled the blind and the physically handicapped This informative new volume also deals with general concerns facing librarians today including determining the audience for both public and academic libraries educating the user encouraging nonusers to become library users and calming irate patrons Reference librarians will be particularly interested in the problems and solutions discussed in this new volume as will library managers and administrators who will always benefit from a fresh perspective on public service for the library user
