**On the Island** Tracey Garvis Graves, 2012-03-14 When thirty year old English teacher Anna Emerson is offered a job tutoring T J Callahan at his family s summer rental in the Maldives she accepts without hesitation a working vacation on a tropical island trumps the library any day T J Callahan has no desire to leave town not that anyone asked him He s almost seventeen and if having cancer wasn t bad enough now he has to spend his first summer in remission with his family and a stack of overdue assignments instead of his friends Anna and T J are en route to join T J s family in the Maldives when the pilot of their seaplane suffers a fatal heart attack and crash lands in

the Indian Ocean Adrift in shark infested waters their life jackets keep them afloat until they make it to the shore of an uninhabited island Now Anna and T J just want to survive and they must work together to obtain water food fire and shelter Their basic needs might be met but as the days turn to weeks and then months the castaways encounter plenty of other obstacles including violent tropical storms the many dangers lurking in the sea and the possibility that T J s cancer could return As T J celebrates yet another birthday on the island Anna begins to wonder if the biggest challenge of all might be living with a boy who is gradually becoming a man On the Island is a clever captivating story The characters will live in your thoughts long after you turn the last page Meira Penttermann author of Firefly Beach      *On the Island* Iain Crichton Smith,2015-04-15 For an eleven year old boy living with his widowed mother and younger brother in a remote seaside village on one of the Western Isles of Scotland growing up has its difficulties as well as its idyllic pleasures Iain Crichton Smith s vivid evocation is loosely based on memories of his own childhood on Lewis There are so many discoveries to be made along the shore and on the moor Crossing a field under snow has its perils exploring an empty cottage has its imaginative terrors you might be humiliated by a village woman when your mother has sent you to a neighbour to borrow half a crown until her pension comes through or playing along the shore with Pauline a visitor from London with her wider knowledge of the world you might find your own certainties called into question There is poverty and richness and eventually the war casts its shadows across your world Iain Crichton Smith has brought to life a gallery of distinctly memorable figures the sure footed Blinder with his amazing sense of the island terrain Stork with his wooden leg Speedy the reluctant footballer Jim returned after twenty years in America with such stories The author s own sense of the terrain and of the characters who inhabit it is equally sure and beautifully precise his book will evoke for all ages the inner emotions of growing up as well as the outward sights and scents of an island experience      **Memoir on the Island of Navassa (West Indies)** Eugene Gaussoin,1866
