On The Job The Christian 9 To 5:

On the Job Sir Henry Frederick Ross Catherwood, 1983 **The Marketplace Ministry Handbook** Robert J. Banks, R. Paul Stevens, 2005 Work has become for many people the central reference point in their lives and the main consumer of their time and energy Whether people have much or little money is what much of life revolves around There is an implicit theology in everyone's attitude to and handling of work This book looks at the relationship between God and the marketplace at work as a spiritual discipline and at how to handle some of the main pressures and dilemmas that arise in a work setting The combined wisdom of dozens of experts makes this volume a great place to start thinking about how Christians should approach subjects such as ADVERTISING BUSINESS ETHICS COMPETITION COMPROMISE CONTRACTS CREDIT DEBT FIRING GOSSIP INSURANCE INTEGRITY INVESTMENT LEADERSHIP LOYALTY MANAGEMENT NEGOTIATING NETWORKING OFFICE POLITICS PROMOTION RETIREMENT SHIFTWORK STEWARDSHIP STRESS STRIKES UNIONS VOLUNTEER WORK WHISTLE BLOWING R Paul Stevens is the David J Brown Family Professor of Marketplace Theology and Leadership at Regent College in Vancouver and the author of many books on marriage work and everyday life His many books include *The Other Six Days* *Liberating the Laity* *Marriage Spirituality* *Living the Story* and *Down to Earth Spirituality* Robert Banks is past director and dean of Macquarie Christian Studies Institute in Sydney Australia He has written widely on work community and popular culture including *The Tyranny of Time* and *Redeeming the Routines* **Management by the Book** Robert Case, 2022-06-06 In *Management by the Book* Robert Case masterfully weaves Old and New Testament management examples and principles commentary from scholars insight from theologians practices from contemporary business owners and observations from Case himself to present a picture of management utterly unique in business literature

The Fabric of This World Lee Hardy, 1990-05-04 This is an historical philosophical theological and practical exploration of work from an evangelical perspective highlighting the Christian concept of vocation as articulated by Luther and Calvin and making relevant applications for today *The Marketplace Annotated Bibliography* Pete Hammond, 2011-03 Every workday millions of Christians enter the marketplace Whether as sales associates or engineers auto mechanics or executives Christians are called to serve God in the workplace But most need help integrating faith and work How can you be salt and light on the job Where can you turn for help in developing a biblical and satisfying view **Knocking on Labor's Door** Lane Windham, 2017-08-01 The power of unions in workers lives and in the American political system has declined dramatically since the 1970s In recent years many have argued that the crisis took root when unions stopped reaching out to workers and workers turned away from unions But here Lane Windham tells a different story Highlighting the integral often overlooked contributions of women people of color young workers and southerners Windham reveals how in the 1970s workers combined old working class tools like unions and labor law with legislative gains from the civil and women's rights movements to help shore up their prospects Through close up studies of workers campaigns in shipbuilding textiles retail and

service Windham overturns widely held myths about labor's decline showing instead how employers united to manipulate weak labor law and quash a new wave of worker organizing. Recounting how employees attempted to unionize against overwhelming odds, *Knocking on Labor's Door* dramatically refashions the narrative of working class struggle during a crucial decade and shakes up current debates about labor's future. Windham's story inspires both hope and indignation and will become a must read in labor civil rights and women's history.

But let's face it, the workplace can also be the most challenging place to be salt and light as Jesus commands in Matt 5:13-16.
