On The Line:

On the Line Eileen Edwards, 2016-10-14 ON THE LINE is a detailed autobiography written by Eileen Edwards about her tennis officiating career presented almost in diary format over four decades from 1972 Eileen tells of her initial interest in tennis when in 1987 she joined the British Tennis Umpires Association BTUA This game set and match narrative continues through until 2012 with the Association of British Tennis Officials ABTO as a top tennis official and having served as a member of the Committee of Management Eileen wrote everything down with meticulous detail throughout her distinguished officiating career reminiscing details of matches she officiated including pro celebrity tournaments and several conversations with officials players royalty celebrities and her beloved Cliff Richard What you do find in this book is a very revealing account of the tennis officiating industry You also get the distinct feeling that writing the book was actually cathartic for Eileen putting her concerns to print and righting some wrongs with those within the industry Her book reads like the history of British tennis over the last four decades and it is a revealing account of the camaraderie favouritism in fighting and back biting within the tennis association Sadly Eileen's exceptional and eventful career was tinged with bitterness and seems sad that her fantastic experiences and years of devotion to the tennis association would end in such a way There are stories she tells that will shock you However with her three children also as top tennis officials there are plenty of amusing stories Eileen tells that will make you laugh and even the odd words with her and her children's wonderful sense of humour and fun This book is a really interesting read for any tennis aficionado

Life, on the Line Grant Achatz, Nick Kokonas, 2012-03-06 One of America's great chefs Vogue shares how his drive to cook immaculate food won him international renown and fueled his miraculous triumph over tongue cancer In 2007 chef Grant Achatz seemingly had it made He had been named one of the best new chefs in America by Food Wine in 2002 received the James Beard Foundation Rising Star Chef of the Year Award in 2003 and in 2005 he and Nick Kokonas opened the conceptually radical restaurant Alinea which was named Best Restaurant in America by Gourmet magazine Then positioned firmly in the world's culinary spotlight Achatz was diagnosed with stage IV squamous cell carcinoma tongue cancer The prognosis was grim and doctors agreed the only course of action was to remove the cancerous tissue which included his entire tongue Desperate to preserve his quality of life Grant undertook an alternative treatment of aggressive chemotherapy and radiation But the choice came at a cost Skin peeled from the inside of Grant's mouth and throat he rapidly lost weight and most alarmingly he lost his sense of taste Tapping into the discipline passion and focus of being a chef Grant rarely missed a day of work He trained his chefs to mimic his palate and learned how to cook with his other senses As Kokonas was able to attest The food was never better Five months later Grant was declared cancer free and just a few months following he received the James Beard Foundation Outstanding Chef in America Award Life on the Line tells the story of a culinary trailblazer's love affair with cooking but it is also a book about survival about nurturing creativity and about profound friendship Already much anticipated by followers of progressive cuisine Grant and Nick's

gripping narrative is filled with stories from the world's most renowned kitchens The French Laundry Charlie Trotter's el Bulli and sure to expand the audience that made Alinea the number one selling restaurant cookbook in America last year
