## **On The Mountain:**

**On the Mountain** Peggy Ann Craig, On a cold and still night a frightened woman makes a frenzied escape down a wooded mountainside Fear is her only companion Silence is her only salvation Anna Nicholson had lived all her life under the shadow of prejudice in the remote village high on Mount Louis whose reclusive people were considered as wild and primitive as the wilderness from which they lived So when she awakes one morning to find herself in a stranger's barn with a rifle to her face and no memory of how she got there she is overcome with a gripping fear Yet instinctively knew it did not arise from the big and burly cowboy standing directly behind the Winchester rifle or the other nine fierce cowboys who called the ranch home but instead from a memory she could not recall Mistaken for a mute teenage boy Anna is able to hide unseen and unheard from an evil lurking in the shadows Wade Haddock is the rough and tough but lonely cowboy who finds a frightened Anna in his barn Convinced the isolated wilderness was no place for a woman he allows Anna to hide away on his sprawling Rocky Mountain ranch believing her to be a mute teenage boy While gradually succumbing to the bond growing between them the wall around his guarded heart begins to slowly crumble Only to discover Anna's deception And a memory that could destroy their love      **On the Mountain** George Tugwell, 1862      **Murder on the Mountain** Jim Garvey, 2008-07-07 This is a story of two detectives Jim Garber and Dick Taylor who investigate a homicide of an entire family in the small mountain community of Pine Heaven in the Sierra Nevada Mountains The story is set in the time frame of the 1960's when there were vast areas of Southern California that hadn't fallen under the developer's bulldozer and life seemed just a little more laid back compared with today's hustle and bustle It is a story of intrigue and human doubts and the avenues that these men travel to try and solve this horrendous crime in this small community It deals with the emotions of these two Detectives and how these murders play upon their own feelings when confronting possible suspects to this crime and how they handle events that seem to put their reputations in jeopardy The story goes from the sweltering heat of the valley to the cold and chilling nights in the mountains and all the human faults and failings that go into trying to solve this crime      *Beautiful on the Mountain* Jeannie Light, 2014 If you enjoyed the classic novel *Christy* and the bestselling Mitford series then you'll love *Beautiful on the Mountain* a real life tale about serving God in unlikely circumstances In 1977 Jeannie Light left her fine plantation home amid heartbreak and came to Graves Mill a tiny hamlet in the Blue Ridge Mountains Alone in an utterly new kind of life Jeannie was determined to find the courage to make a fresh start To Jeannie's surprise she found herself called upon by her new neighbors to open the old deteriorated country church a place that had once united the fractured community of mountain folk With no training and no small amount of trepidation she undertook the task And as she embarked on an unforeseen series of adventures from heartbreaking to hilarious Jeannie would learn more than she ever expected about faith loving your neighbor and doing the work that God sets in front of you Because sometimes God calls us to go where there is no path and leave a trail      **Healers on the Mountain** Teresa Pijoan PhD, 2012-07-25 A unique

**Citadel on the Mountain** Richard Wertime, 2003-05-16. A warped dream, an overbearing father, and his son. A handsome brilliant man, the author's father, irascible, strong-willed, a compulsive womanizer, stands at the center of this strangely compelling story. In the mid 1970s, after a life in government service which was shadowy in its depths, Ted Wertime built a fortress-like house on a mountaintop in south central Pennsylvania. He had forged for himself a secondary career as a highly respected historian of ancient science and technology and was convinced that it was his fate to lead a sweeping revolution that would cleanse the United States of energy abuse, political corruption, and an odd assortment of social ills. His citadel would serve as his revolutionary headquarters. He, his wife, and Joan, the last and most troubled of his succession of mistresses, lived in the house together in a bizarre ménage à trois. His dream was to recruit his four sons to take part in his cause. The author, Richard Wertime, is the second oldest son. *Citadel on the Mountain* is the story of his struggle to escape from a domineering and at times hypnotizing father who sought to control the sexual and professional lives of his offspring.

**Watch for Me on the Mountain** Forrest Carter, 1990-04-01. The white man had burned their land, raped their women, and slaughtered their children. He had made them a nation of slaves, and those he could not enslave he promised to destroy. The Apache had one hope: vengeance. Out of the scattered remnants of the Apache tribes rose a man whose cunning, ferocity, and genius for warfare would make him their leader in a last, tragic struggle for survival. The Apache gave him their arms, their strength, and their absolute devotion. The white man gave him his name: Geronimo.
