*On the Priesthood* Matthew Levering, 2003-08-18 Controversy about the Catholic priesthood is nothing new Just like laity priests including bishops and popes have always been sinners Some priests like some laity have caused grave scandal throughout the 2000 year history of the Church Two questions arise from this reality Why did Jesus Christ establish a ministerial priesthood for his Church if the priesthood would sometimes cause scandal what did he intend for the priesthood Second what has the Catholic Church in past times done about scandal in the priesthood how has the Church corrected its priests and encouraged priests to lead lives of holiness Amidst the noisy din of talking heads and self proclaimed experts this book offers solid warnings and directions about the priesthood from 15 saints of the past two millennia *On the Priesthood* serves as a readable guide for priests seminarians and educated readers seeking to learn more about the simultaneous unworthiness and dignity of the priesthood Always challenging and penetrating the selections unite around one key point the need for holiness

**Perversion of Power** Mary Gail Frawley-O'Dea, 2007 Since 2002 the Roman Catholic Church has been in crisis over the sexual abuse of minors by priests and the cover up of those crimes by bishops Over 11 000 alleged victims have reported their experiences to the Church and more than 4 700 priests since 1950 have been credibly accused of sexually victimizing minors The Church has paid over one billion dollars to adults who claim to have been sexually abused by priests and there is no end in sight to these lawsuits Celibacy homosexuality in the priesthood the infiltration into the priesthood of secular moral relativism too much liberalism in the Church since Vatican II damaging rollback of Vatican II reforms by conservative prelates all have been suggested as causes for the crisis This book however begins with the premise that because the pattern of abuse and cover up was so similar across the world there is something fundamentally awry with Church traditions and power structures in relationship to sexuality and sexual abuse

Specifically in chapters on suffering and sadomasochism bodies and gender desire and sexuality celibacy and homosexuality the author concludes that aspects of the Catholic theology of sexuality set the stage for the abuse of minors and its cover up Frawley O Dea also analyzes the American bishops lack of pastoral care and tendency towards clerical narcissism the belief that the needs of the hierarchy represent the needs of the wider Church as central factors in the scandal She balances this criticism with a discussion of the backgrounds of the bishops presiding over the crisis and the challenges they faced in their relationships with the Pope and Vatican officials Drawing on twenty years of clinical experience she imagines the dynamics of sexual abuse both from the victim s point of view and from the priest s and she probes why the Church hierarchy fellow priests and lay people were silent for so long Finally Frawley O Dea examines factors internal to the Church and outside of it that drew this scandal into the public square and kept it there *Gold Tested in Fire* Ronald D. Witherup,2012-02-01 The recent Year for Priests focused considerable attention on the priesthood resulting in many books articles retreats conferences and symposia In *Gold Tested in Fire* Ronald D Witherup SS makes an important new contribution Intersecting scriptural and theological context with lived pastoral insight Witherup explores both classic and contemporary understandings of the priesthood offers insights into the four pillars suggested for priestly formation and looks at the charism of priests and the need for ongoing formation across a life span Having engaged in priestly formation in seminaries for a number of years Witherup moves beyond overly idealized or pietistic approaches to the presbyteral life to offer key insights on the challenges and rewards inherent in contemporary priestly ministry Underlying his approach is the firm conviction that the present testing in the priesthood is a profound summons to a new Pentecost in opportunity for the priesthood to be cleansed and remade and ultimately stronger **Religious Leadership** Sharon Henderson Callahan,2013-05-20 This 2 volume set within The SAGE Reference Series on Leadership tackles issues relevant to leadership in the realm of religion It explores such themes as the contexts in which religious leaders move leadership in communities of faith leadership as taught in theological education and training religious leadership impacting social change and social justice and more Topics are examined from multiple perspectives traditions and faiths Features Benefits By focusing on key topics with 100 brief chapters we provide students with more depth than typically found in encyclopedia entries but with less jargon or density than the typical journal article or research handbook chapter Signed chapters are written in language and style that is broadly accessible Each chapter is followed by a brief bibliography and further readings to guide students to sources for more in depth exploration in their research journeys A detailed index cross references between chapters and an online version enhance accessibility for today s student audience **Pastoral Leadership** Won Sang Lee,2015-01-14 In ascending to heaven Jesus Christ gave the church the Great Commission to expand the gospel to all nations Despite this biblical commission it is still an unfinished task As leaders of local churches pastors play a crucial part in this endeavor Pastoral leadership principles have varied widely throughout history yet it is interesting to discover the similarities between pastoral

leadership principles practiced by John Chrysostom AD 347 407 in Antioch and Constantinople and Won Sang Lee 1937 in Washington DC Despite ministering 1600 years apart both pastors share the same core values care for people Christ like character biblical preaching and world missions This suggests that continued emphasis on these principles will play a significant role in fulfilling the Great Commission independent of time and place      **Themelios, Volume 45, Issue 2** D. age of mission Outlining the present challenges for ministry Stephen Pickard offers an historical perspective on ministry over the last century develops a theory of collaborative ministry based on a dialogue between theology and science and explores some implications of collaborative ministry for lay and ordained people of the Church This book breaks new ground in its theory of collaborative ministry through a dialogue with the sciences of emergence It also offers fresh insights on important texts in ministry relationships between Christology pneumatology and ministry a relational ontology of ministry episcopacy ecumenism ordination vows and wisdom for team ministry **American Book Publishing Record** ,2004 **First Things** ,2004 Context and Text Kevin W. Irwin,2018-07-12 One of the most influential works in the debate over the concept and definitions of liturgical theology Context and Text by Monsignor Kevin W Irwin is now available in a completely rewritten new edition In light of the historical theological and pastoral mandates of the Constitution on the Sacred Liturgy Context and Text is both a proposal for and an example of an investigation of the Church's liturgical praxis from a liturgical theological perspective This second edition which includes an expanded introduction covers new liturgical and ecclesial contexts resulting from newly promulgated liturgies further research in method for liturgical studies consideration for changes in the cultural contexts in which people celebrate the liturgy Besides brand new chapters on time and sacramentality and additions to the chapter on the arts this edition also considers the ongoing texts and contexts of the liturgy as always a new event in the life and ongoing discussion of liturgical theology within Christianity *Nicht ausweichen* Matthias Remenyi,Thomas Schärfl,2019-10-30 Die MHG Studie zum sexuellen Missbrauch an Minderjährigen durch Kleriker erschüttert nicht nur durch die schiere Zahl der Taten die sie offenlegt sondern auch durch das System des Vertuschens und Verschweigens das nun ans Licht kommt Die universitäre katholische Theologie ist Teil dieser Kirche Sie bleibt von dem Geflecht aus sexueller und geistlicher Gewalt Machtmissbrauch und Klerikalismus nicht unberührt Was bedeuten die Ergebnisse der Forschungsstudie und die daraus resultierenden Handlungsempfehlungen des Forschungskonsortiums für die katholische Theologie Welche inhaltlichen aber auch strukturellen Konsequenzen sind zu ziehen Mit Beiträgen von Godehard Bräntrup SJ Sabine Demel Harald Dreier Christiane Florin Stephan Ernst Mary Halley Witte Hildegund Keul Kai Christian Moritz Wunibald Müller Klaus Pfeffer Doris Reisinger Hans Joachim Salize Hans Zollner **Fields of Faith** David F. Ford,Ben Quash,Janet Martin Soskice,2005-03-17 This 2005 book asks how will theology and the religions be studied in higher education in the coming century **Holy Writ** Arie-Jan Kwak,2016-04-22 It has often been remarked that law and religion have much in common One of the most conspicuous elements is that both law and religion frequently refer to a text that has authority over the members of a community In the case of religion this text is deemed to be holy in the case of law some such as the American constitution are widely held as sacred In both examples priests and judges exert a duty to tell the community what the founding document has to say about contemporary problems This therefore involves an element of interpretation of the relevant authoritative texts and this book focuses on such methods of interpretation in the fields of law and religion As its

starting point scholars from different disciplines discuss the textualist approach presented here by American Supreme Court Judge and academic scholar Justice Antonin Scalia not only from the perspective of law but also from that of theology The result is a lively discussion which presents a range of diverse perspectives and arguments with regard to interpretation in law and religion     **The Jurist** ,2000
