On the Road Jack Kerouac, John Escott, 1999 Love jazz and excitement These are all part of Sal Paradise s adventures on the road with his wild friend Dean Moriarty and other crazy companions as they travel together across the USA One of the most famous American books of the century *On the Road* has been made into a wonderful film that really captures the atmosphere of the Beat Generation *On the Road: The Original Scroll* Jack Kerouac, 2007-08-16 The legendary 1951 scroll draft of *On the Road* published word for word as Kerouac originally composed it Though Jack Kerouac began thinking about the novel that was to become *On the Road* as early as 1947 it was not until three weeks in April 1951 in an apartment on West Twentieth Street in Manhattan that he wrote the first full draft that was satisfactory to him Typed out as one long single spaced paragraph on eight long sheets of tracing paper that he later taped together to form a 120 foot scroll this document is among the most significant celebrated and provocative artifacts in contemporary American literary history It represents the first full expression of Kerouac s revolutionary aesthetic the identifiable point at which his thematic vision and narrative voice came together in a sustained burst of creative energy It was also part of a wider vital experimentation in the American literary musical and visual arts in the post World War II period It was not until more than six years later and several new drafts that Viking published in 1957 the novel known to us today On the occasion of the fiftieth anniversary of *On the Road* Viking will publish the 1951 scroll in a standard book format The differences between the two versions are principally ones of significant detail and altered emphasis The scroll is slightly longer and has a heightened linguistic virtuosity and a more sexually frenetic tone It also uses the real names of Kerouac s friends instead of the fictional names he later invented for them The transcription of the scroll was done by Howard Cunnell who along with Joshua Kupetz George Mouratidis and Penny Vlagopoulos provides a critical introduction that explains the fascinating compositional and publication history of *On the Road* and anchors the text in its historical political and social context On the Road /Jack Kerouac Jack Kerouac, 1976

**Jack Kerouac: Road Novels 1957-1960 (LOA #174)** Jack Kerouac, 2007-09-01 The raucous exuberant often wildly funny account of a journey through America and Mexico Jack Kerouac's On the Road instantly defined a generation on its publication in 1957 it was in the words of a New York Times reviewer the clearest and most important utterance yet made by the generation Kerouac himself named years ago as beat Written in the mode of ecstatic improvisation that Allen Ginsberg described as spontaneous bop prosody Kerouac's novel remains electrifying in its thirst for experience and its defiant rebuke of American conformity In his portrayal of the fervent relationship between the writer Sal Paradise and his outrageous exasperating and inimitable friend Dean Moriarty Kerouac created one of the great friendships in American literature and his rendering of the cities and highways and wildernesses that his characters restlessly explore is a hallucinatory travelogue of a nation he both mourns and celebrates Now The Library of America collects On the Road together with four other autobiographical road books published during a remarkable four year period The Dharma Bums 1958 at once an exploration of Buddhist spirituality and an account of the Bay Area poetry scene is notable for its thinly veiled portraits of Kerouac's acquaintances including Ginsberg Gary Snyder and Kenneth Rexroth The Subterraneans 1958 recounts a love affair set amid the bars and bohemian haunts of San Francisco Tristessa 1960 is a melancholy novella describing a relationship with a prostitute in Mexico City Lonesome Traveler 1960 collects travel essays that evoke journeys in Mexico and Europe and concludes with an elegiac lament for the lost world of the American hobo Also included in Road Novels are selections from Kerouac's journal which provide a fascinating perspective on his early impressions of material eventually incorporated into On the Road
