*Dt J. D. Walt, 2018-11-30*      **Road to Resurrection** Corwin G. Stoppel, 2003-04-25 From the earliest days of Christianity faithful women and men have reflected on the events surrounding Jesus death and resurrection Indeed more than twenty five percent of the Gospels are devoted to the last week of Jesus life Holy places and holy lands have been revered in all times and places and it is only natural that the route that Jesus walked to Golgotha should itself become a path of veneration and prayer a way of following Jesus in discipleship a way of taking up our own crosses as he said we must Grounded in historical scholarship and practical experience in *The Road to Resurrection* G Corwin Stoppel takes us on an imaginative journey down that road the Via Dolorosa the way of sadness and suffering and guides us to its end not the empty tomb but resurrection life With original art by Sharyn Laughton each station or stopping point offers suggestions for meditation reflection and prayer

Gospel (On the Road To) Emmaus Edward Joseph Clemmer, 2011-03-17 Born in Indiana Dr Edward J Clemmer is a social psychologist by profession He now lives with his Maltese wife Jane Zammit and enjoys dual citizenship with Malta His four sons by a previous marriage continue to live in America His personal journey with the Lord into this Gospel on the Road to Emmaus began in a moment of grace on 12th September 2003 as Ed was on his way to the priest The context for this initiation was the Feast of Exultation of Holy Cross 14th September as the source of every grace is derived from the sacrifice of Jesus Christ on the cross The gospel is explained for us as the author and reader journey with the Lord as potential disciples Our journey begins at Bethany near the Jordan with John the Baptist preaching and baptizing Part 1 continues up to the Transfiguration of Jesus Volume One reaches its climax before the Lords final journey to Jerusalem when Jesus returns to Bethany where the Baptist had preached Volume Two resumes with the Lords healing and preaching at Bethany near the Jordan Part 2 concludes in Bethany near Jerusalem with the Lords dinner celebration with Lazarus after Jesus had raised Lazarus from the dead This celebration anticipates the Lords death and resurrection and ours in Christ Part 3 takes up the Grand Liturgy of the Lords New Creation with Holy Week The book initially concludes with a retrospective of the incarnation of Jesus as God with us and with the parallel coming of the Spirit at Pentecost Then in the Part 4 conclusion of this gospel our post Emmaus journey with the risen Lord returns to our post Pentecost life in the Holy Spirit The authors seven year personal journey through this Gospel Emmaus ends in 2010 with the Feast of Sukkot just as when the Lord also had anticipated the Holy Spirit But the Lord provides us with his own conclusion although he had healed ten lepers as they were on their way to the priest only one had returned to give thanks      *Empowered on the Road to Your Breakthrough* Muriel Wilson, 2014-03-10 Empowered means you don't access your own ability to live your life but by tapping into God's ability to help you live a victorious life and obtain your breakthrough If you had wealth and lost it through the market crash this book will show you that there is another kind of wealth called Eternal wealth you won't ever lose Looking for peace This book will show you another kind of peace that surpasses all human understanding I've outlined some of the details revealed to me by the Holy

Spirit God is a Spirit those that worship Him must worship him in spirit and in truth John 4 23 KJV But the hour cometh and now is when the true worshippers shall worship the Father in spirit and in truth for the Father seeketh such to worship him God is seeking us at ALL time to reveal things to us we know not of This book gives you insights how to maintain a quality relationship with the Christ The Messiah The Anointed One I've also outlined specific instructions how to get into God's presence read it and you will never be the same

**On the Road Encounters in Luke-Acts** Octavian D. Baban, 2006-10-18 Contemporary reconstructions of Luke's theology of the Way should include in a more conscientious manner the contribution of Luke's post-Easter on the road encounters the Emmaus, Gaza and Damascus road narratives This book argues that Luke follows here the rules of Hellenistic mimesis imitation many of which are illustrated in the novels, dramas and history treatises of his time Filtering these rules through his own theology and literary taste he represents in the end the history and the proclamation of the early church in an attractive and challenging manner inviting his readers to good literature and to captivating spiritual experiences

**Conversations on the Road to Emmaus: Jesus in the Old Testament** Dr. John Mannion, 2022-01-25 Conversations on the Road to Emmaus depicts an incredible journey Jesus walked and talked with two disciples on the Road to Emmaus after He was resurrected from the dead It is quite intriguing to propose what Jesus said about Himself on that incredible day while on that incredible journey It is not only intriguing but it is also something via interpretation of the Old Testament that is not simply a guess with respect to what was actually discussed Jesus is referencing the Old Testament The Word is explaining the Word Conversations on the Road to Emmaus is a novel method of writing combined with a bible commentary content of writing Thus this non-fiction novel comes with conversation along with biblical interpretation explanation and referencing Herein lies the unique nature of this book It very much reads like a novel informal and engaging in that sense At the same time it fills the reader with the fruit of a detailed Bible commentary This unique non-fiction novel then is both enjoyable and enlightening to read So let us walk together as we listen in on conversations on the road to Emmaus

Whenever we are traveling from here to there we can be reassured that signs along the way can give us direction and warn us of dangers And as we travel from our lives here on the earth to our futures in the eternal city in heaven God has also provided us with a guidebook and signs to show us the way In The Road to Glory author and judge Thomas Dillon explores the signs illustrations and symbols in scripture that will keep us on the right path on the way from here to heaven Each chapter will take spiritual travelers into God s Word and provide both historical and thematic context for the signs and symbols God has left for us These new understandings can then help us build our faith on a solid foundation of the finished work of Christ on the cross Being prepared for this lifelong journey is about faith and as we navigate the many twists and turns along the road we can trust in God s direction to help us overcome obstacles and choose the correct path There is an eternal city that God has built for his Christian travelers and it is through scripture that he has revealed the way to this city in Christ      *A Road Map to the Future* P. Longenecker,2002-01-10 Conversion is intrinsic to the Christian Religion The most remarkable conversion recorded in the New Testament is that of Paul and most Christians consider Christ s encounter with Paul to be a prototype of Christian conversion generally This collection of eleven essays give Paul s conversion a firmer rootage in the biblical materials while

also emphasizing personal application The contributors examine the nature of Paul s Damascus Road experience and the impact of that experience on his thought and ministry and explore how Paul s experience functions as a paradigm for Christian thought and action today Gathered on the Road to Zion Daniel Lee Hill,2021-04-26 Churches are filled with human beings It is as a community of human creatures that the church gathers together on Sunday mornings to worship the triune God and it is as a community of creatures that its members participate in the church s liturgical life However merely noting that the church and human beings are related to one another leaves the nature of this relationship unresolved and undefined And this raises an important question How should the doctrine of the church inform our understanding of what it means to be human This project is an exercise in ecclesio anthropology albeit from a Free Church perspective In it Daniel Lee Hill seeks to discover how the nature practices mission and telos of the church robustly inform our understanding of the human creature **The Road to the City of Gold** Pasquale De Marco,2025-08-08 The Road to the City of Gold is a journey into the human experience a quest to understand the nature of our existence and our place in the universe It is a book about the search for meaning purpose and fulfillment and the challenges we face along the way This book is a collection of stories each one a reflection of the human condition and the search for meaning Some stories are inspiring some are heartbreaking and some are both But all of them are real and they all have something to teach us about ourselves and the world around us As we read these stories we may find ourselves identifying with the characters their struggles and their triumphs We may see ourselves in their journeys and we may find solace in knowing that we are not alone We may also find inspiration in their stories and we may be encouraged to face our own challenges with courage and determination The search for meaning is a lifelong journey and it is one that we all must undertake There is no one right way to find meaning and there is no one right answer But by sharing our stories and learning from the stories of others we can all come closer to understanding ourselves and the world around us The Road to the City of Gold is a celebration of the human spirit and a testament to the power of storytelling It is a book that will inspire challenge and move you It is a book that will stay with you long after you finish reading it and it is a book that you will want to share with others We all have a story to tell and The Road to the City of Gold is a place where we can share our stories and learn from the stories of others It is a place where we can come together to explore the human condition and to search for meaning purpose and fulfillment If you like this book write a review The Road That I Must Walk Darrin W Snyder Belousek,2015-02-26 How much of myself and my stuff must I give up to follow Jesus How does belonging to a faith community shape being a Christian How do I walk in faith with friends whose faith is unclear or uncertain What gives Christians hope in the face of power politics Can I be pro life and decry war too How do I make peace amidst the wrongs of the world If you wonder about such questions this book is for you The Road That I Must Walk represents the author s own wrestling with the call and cost of discipleship across a decade Rather than an academic attempt to define or describe discipleship these are simply the words of a disciple one who has sought to walk in the way of
