Miller, 2005-01-01 Lament so prominent in the Christian canon is neglected in the public worship and witness of most North American congregations These essays by Princeton Theological Seminary faculty attest to the diverse ways in which lament is understood and practiced and invite their recovery in all elements of the church's ministry Rachel's Cry Kathleen D. Billman, Daniel L. Migliore, 2007-10-01 Modern theology needs the rediscovery of the category of consolation This book is rich of consolations because it takes the cry of lament seriously Jurgen Moltmann A timely accessible and valuable book The recovery of the biblical traditions of loss and hurt is intrinsically worth doing more worth doing in an increasingly disestablished society Walter Brueggemann Columbia Theological Seminary Emeritus This cross disciplinary collaboration is poignant and compelling testimony to the personal and communal power of lament and its importance to the practice of ministry This book is the one that I have been waiting for Christie Cozad Neuger

Brite Divinity School Few books in the literature of lament have drawn together so much material from the biblical theological and pastoral spheres as Rachel's Cry Patrick D Miller Princeton Theological Seminary Honesty with God is the doorway to authentic hope and faith This is one of the most liberating books I have read in a long time James Newton Poling Garrett Evangelical Theological Seminary This is the first book to bring scattered discussions together into one coherent whole with deep Christian insight and conviction with vivid examples and with learning which is as gracefully communicated as it is broad and deep in its substance I will be keeping it near at hand so as to return to it often Nicholas Wolterstorff Yale University Rachel's Cry is not only a timely book it is an urgently needed resource for people who long for a way to live with irrational suffering Unless we recover the prayer of lament we are in danger of being trapped in powerlessness cynicism and despair Herbert Anderson Catholic Theological Union Emeritus I found it difficult to put this book down Rachel's Cry convincingly argues that an authentic and empowering spirituality requires the language of lament and protest alongside praise and thanksgiving Nancy J Ramsay Louisville Presbyterian Theological Seminary Kathleen M Billman is dean of academic affairs and professor of pastoral theology and counseling at Lutheran School of Theology in Chicago Daniel L Migliore is Charles Hodge Professor of Systematic Theology at Princeton Theological Seminary **Dark Clouds, Deep Mercy** Mark Vroegop, 2019-03-14 Lament is how you live between the poles of a hard life and trusting God's goodness Lament is how we bring our sorrow to God but it is a neglected dimension of the Christian life for many Christians today We need to recover the practice of honest spiritual struggle that gives us permission to vocalize our pain and wrestle with our sorrow Lament avoids trite answers and quick solutions progressively moving us toward deeper worship and trust Exploring how the Bible through the psalms of lament and the book of Lamentations gives voice to our pain this book invites us to grieve struggle and tap into the rich reservoir of grace and mercy God offers in the darkest moments of our lives

Spiritual Complaint Miriam Bier Hinksman, Tim Bulkeley, 2013-07-29 Personal and communal tragedies provoke intense emotions In Scripture such emotions were given expression in complaints or laments Such laments are the most frequent genre of psalm and are also found in the prophets and elsewhere in the Bible The book of Lamentations is even named for this human response to tragedy Yet neither lament nor complaint seems to be widely practiced in churches today except at times of extreme communal catastrophe Bringing together biblical scholars liturgists and practical theologians this book begins to provide bridges between these worlds in order to enrich our ability to respond appropriately to personal and communal tragedy and to understand those responses Honest Sadness John Holdsworth, 2021-03-03 Honest Sadness examines lament as a means of articulating faithful incomprehension and as a resource for what have been called communities of honest sadness *Weep with Me* Mark Vroegop, 2020 A timely reminder that in the Bible lament is a prayer that leads to trust which can be a starting point for the church to weep with those how weep Rom 12:15 forming the starting point for racial reconciliation in the world today
