STANLAKE SAMKANGE

On Trial For My Country

John Bennitt

On Trial For My Country:

On Trial for My Country Stanlake Samkange, 1969 European-language Writing in Sub-Saharan Africa Albert S. Gérard, 1986 On Trial for My Country Stanlake John Thompson Samkange, 1966 Outlines the white man's conquest of Rhodesia the struggles of the native people during the conquest and the clash between Cecil Rhodes and Lobengula the Matabele king My Country Faruk Ahmed, 2018-06-05 Fire and safety factory inspections continued in the garment industry following agreements between big brands and the Bangladeshi government arising out of the 2013 Rana Plaza disaster However a September fire in a packaging factory killed at least 24 people highlighting the need for further efforts to ensure worker rights and safety Security forces in Bangladesh are deliberately shooting members and supporters of opposition parties in the leg Victims explained that police shot them in custody and then falsely claimed that they were shot in self defense in crossfire with armed criminals or during violent protests **My Country Is the World** Luke Stewart, 2023-03-07 Staughton Lynd was one of the principal intellectuals and activists making the radical argument that the U S intervention in Vietnam was illegal under domestic and international law Lynd was uncompromising in his courageous stance that the U S should immediately withdraw from Vietnam and that soldiers and draftees should refuse to participate in the war based on their individual conscience and the Nuremberg Principles of 1950 Lynd did not just write about opposing the war he was one of the chief proponents of direct action and civil disobedience to confront the war machine at the university in the halls of power and in everyday life through refusing to pay income taxes As Staughton Lynd's speeches writings statements and interviews demonstrate there were coherent and persuasive arguments against the war in Vietnam based on U S and international law precedents from American history and moral and ethical considerations based on conscientious objection to war and an internationalism embraced by American radicals which said My country is the world my countrymen are all mankind *I Hope to Do My Country Service* John Bennitt, 2005 In 1862 at the age of thirty two Centreville Michigan physician John Bennitt joined the 19th Michigan Infantry Regiment as an assistant surgeon and remained in military service for the rest of the war During this time Bennitt wrote more than two hundred letters home to his wife and daughters sharing his careful and detailed observations of army life his medical trials in the field and army hospitals dramatic battles and character sketches of the many people he encountered including his regimental comrades captured Confederates and local citizens in southern towns Bennitt writes about the war's progress on both the battlefield and the home front and also reveals his changing view of slavery and race Bennitt traces the history of the 19th Michigan Infantry from its mustering in Dowagiac in August 1862 its duty in Kentucky and Tennessee its capture and imprisonment by Confederate forces its subsequent exchange and reorganization its participation in the Atlanta and the Carolinas campaigns its place in the Grand Review in Washington and the final mustering out in Detroit in June 1865 John Bennitt's significant collection of letters sheds light not only on the Civil War but on the many aspects of life in a small Michigan town Although a

number of memoirs from Civil War surgeons have been published in the last decade I Hope to Do My Country Service is the first of its kind from a Michigan regimental surgeon to appear in more than a century The Sea is My Country Joshua L. Reid,2015-01-01 The first full scale history of the Makah people of the Pacific Northwest whose culture and identity are closely bound to the sea For the Makahs a tribal nation at the most northwestern point of the contiguous United States a deep relationship with the sea is the locus of personal and group identity Unlike most other indigenous tribes whose lives are tied to lands the Makah people have long placed marine space at the center of their culture finding in their own waters the physical and spiritual resources to support themselves This book is the first to explore the history and identity of the Makahs from the arrival of maritime fur traders in the eighteenth century through the intervening centuries and to the present day Joshua L Reid discovers that the People of the Cape were far more involved in shaping the maritime economy of the Pacific Northwest than has been understood He examines Makah attitudes toward borders and boundaries their efforts to exercise control over their waters and resources as Europeans and then Americans arrived and their embrace of modern opportunities and technology to maintain autonomy and resist assimilation The author also addresses current environmental debates relating to the tribe s customary whaling and fishing rights and illuminates the efforts of the Makahs to regain control over marine space preserve their marine oriented identity and articulate a traditional future For my Country Themba Maseko,2021-05-17 When I joined the struggle as a 13 year old boy in Soweto I would never have imagined that one day I would blow the whistle on a special kind of corruption that was destroying the party and the values I had been fighting for all my life In 2010 government spokesperson Themba Maseko was called to the Gupta family s Saxonwold compound and asked by Ajay Gupta to divert the government s entire advertising budget to the family s media company When Maseko refused to do so he was removed from his position and forced to leave the public service The life of this once proud civil servant would never be the same again Maseko whose activism was forged in the Soweto uprising of 1976 is a product of the struggle and has always been unfailingly loyal to the principles of the ANC In 2016 when the party called on members with evidence of wrongdoing by the Guptas to step forward Maseko was the only one to do so For this courageous act of whistleblowing he was ostracised slandered and even threatened As a former senior state official Maseko also offers a rare insider s view of the presidencies of Thabo Mbeki and Jacob Zuma and of the inner workings of government Compelling and revelatory For My Country shows what it takes to stand up for one s principles and defy the most powerful man in the country I Die with My Country Hendrik Kraay,Thomas Whigham,2004-01-01 The Paraguayan War 1864 70 was the most extensive and profound interstate war ever fought in South America It directly involved the four countries of Brazil Argentina Uruguay and Paraguay and took the lives of hundreds of thousands combatants and noncombatants alike While the war still stirs emotions on the southern continent until today few scholars from outside the region have taken on the daunting task of analyzing the conflict In this compilation of ten essays historians from Canada the United States Germany Argentina Brazil and Uruguay address its

many tragic complexities Each scholar examines a particular facet of the war including military mobilization home front activities the war s effects on political culture war photography draft resistance race issues state formation and the role of women in the war The editors introduction provides a balance to the many perspectives collected here while simultaneously integrating them into a comprehensible whole thus making the book a compelling read for social historians and military buffs alike

My Country Has Fallen and It Can't Get Up Judy Forster,2006-04-14 Why did Hurricane Katrina tell us so much about what is really happening in America today Why are we not getting the leadership from those we have sent to the helms of our federal and state governments to represent us Why are there so many more people finding it easier and more worth while to not work and let the rest of us take care of them What do we need to do to help America back up

Tales of My Country Selina Bunbury,1833

The Revised and Expanded Teachings of the Prophet Joseph Smith ,2024-12-03 For nearly a century Teachings of the Prophet Joseph Smith first published in 1938 was the standard source for studying the profound teachings and revelations of the founding prophet of the Restoration Drawing on a rich collection of sermons letters and journal entries Teachings provided Latter day Saints with an accessible compilation of Joseph Smith s revelatory doctrines that highlighted his unique ability to make heavenly concepts accessible to everyday people The Revised and Expanded Teachings of the Prophet Joseph Smith Compared with the Earliest Known Manuscripts offers readers not only a preservation of Joseph Fielding Smith s original compilation but also a side by side comparison with the primary sources that it was based on With modern scholarship shedding new light on these sources the updated volume allows readers to explore both the Prophet Joseph Smith s revelatory insights and the historical context in which his teachings were first shared This balanced approach honors the enduring legacy of the original Teachings while encouraging deeper exploration and understanding of their origins

My Country David Marr,2024-11-12 David Marr is the rarest of breeds one of Australia s most unflinching forensic reporters of political controversy and one of its most subtle and eloquent biographers In Marr s hands those things we call reportage and commentary are elevated to artful and illuminating chronicles of our time My Country collects his powerful reflections on religion sex censorship and the law striking accounts of leaders moralists and scandalmongers elegant ruminations on the arts and the lives of artists And some memorable new pieces My country is the subject that interests me most and I have spent my career trying to untangle it s mysteries David Marr

Al-Britannia, My Country James Fergusson,2018-08-23 Shortlisted for the British Academy Nayef Al Rodhan Prize for Global Cultural Understanding 2018 A SERIOUSLY NECESSARY BOOK ROWAN WILLIAMS FORMER ARCHBISHOP OF CANTERBURY A MUST READ MIQDAAD VERSI MUSLIM COUNCIL OF BRITAIN A COMPELLING AND COMPASSIONATE SURVEY OF BRITISH ISLAM THE GUARDIAN A TIMELY BOOK BARONESS WARSI HUGELY IMPORTANT PETER OBORNE HEARTENING DAVID ANDERSON QC In this groundbreaking book James Fergusson travels the length of Britain to explore our often misunderstood Muslim communities and to experience life on both sides of our increasingly segregated society The

face of Britain is changing The Muslim population has more than doubled over the last twenty years and is projected to do so again over the next twenty A societal shift of this size and speed has inevitably brought growing pains with the impact on our communities becoming ever more profound as well as painful because in the eyes of many Islam has a problem the extremist views of a tiny minority which when translated into action can result in catastrophic violence The danger of this extremist threat or our response to it is that we are collectively starting to lose faith in the cultural diversity that has glued our nation together for so long Our tolerance of others so often celebrated as a fundamental British value is at risk In this groundbreaking book James Fergusson travels the length of Britain to evaluate the impact these seismic shifts have had on our communities With the rise of nationalist movements growing racial tensions and an increasingly out of touch political elite what does it mean to be a Muslim in Britain What is life like on both sides of this growing religious divide And what can we do to heal the fractures appearing in our national fabric *Al Britannia My Country* is a timely and urgent account of life in Britain today a call to action filled with real life experience hard truths and important suggestions for our future ***My Country is the World*** Garry Davis,1984 ***Your Country, My Country*** Robert Bothwell,2015-09-22 Canada land of hockey terrible weather unfailing politeness and little else as far as many Americans are aware For Canadians the United States is seen as a land of unparalleled opportunity and unparalleled failure a country of heights and abysses The straitlaced country in the north could hardly have much to tell about its powerhouse of a neighbor to the south eh Not so according to historian Robert Bothwell In this witty and accessible book Bothwell argues that the shared history of the United States and Canada reveals more about each country than most would suspect *Your Country My Country* takes readers back to the seventeenth century when a shared British colonial heritage set the two lands on paths that would remain intertwined to the present day Tracing Canadian American relations shared values and differences through the centuries Bothwell suggests that Americans are neither unique nor exceptional in terms of both their good characteristics and their bad ones He brings this contention down to the present day by examining Canadian and American differences over such questions as universal health care in domestic policy and the Iraq war in foreign policy What happens in Canada often reflects what has happened in the United States but by the same token what happens in Canada signals what could happen in its American neighbor From whatever direction this innovative volume contends Canada s story illuminates America s and vice versa ***Have You Seen My Country Lately?*** Jerry Doyle,2010-04-03 I ve seen my country lately Frankly I don t like what I see Nevertheless it s not too late to restore the great and unique wonder that is the United States We are the beacon of hope for the world and we will remain so as long as we stand up for our principles In keeping with his no holds barred on air style conservative radio talk show host Jerry Doyle has the guts to ask the tough questions about the state of our nation today In this informative entertaining and challenging narrative he urges Americans to take back the things that make our country great and delivers his hard hitting and oftentimes humorous spin on ECONOMIC FASCISM the rapid government domination that began with

the egregious takedown of GM BAILOUTS the missteps wrong moves and rules of salary caps bank buy ins and bonuses that changed from day to day EDUCATION how our everybody wins obsession is destroying teaching and fostering an obnoxious self entitlement trend THE OBAMA PRESIDENCY will American capitalism survive this administration and much more If you like your politics straight up with a commonsense chaser and a shot of dry wit you ll be galvanized and enlightened by Jerry Doyle the man his story and his insights into America today *The Cult of Rhodes* Paul Maylam,2005 Cecil Rhodes is the most written about and memorialised figure in southern African history the subject of well over 25 biographies and numerous articles Rhodes has featured in novels plays and films *No Disgrace to My Country* Eugene C. Tidball,2002 From his start as a West Point graduate class of 1848 to his retirement as a brigadier general more than 40 years later John C Tidball saw much that shaped the United States and its army This text tells the man s story My Country. The History of the British Isles. By E. S. A. [i.e. Letitia Willgoss Stone.] Edited by John H. Broome E. S. A.,1860
