Dekar, 2025-08-26 In Life Abundant Paul R Dekar celebrates God's gift of abundance in his life and in the lives of his family and others with whom he has journeyed *The Beggar's Pawn* John L'Heureux, 2020-08-04 The final book by the noted novelist short story writer and teacher John L'Heureux the story of an affable stranger whose appeals for money gradually upend the lives of an academic's family After a decades long career as a critically acclaimed writer including several novels with Viking and Penguin in the late 80s and early 90s John L'Heureux had a late flowering in his career In the year before his death in April of 2019 The New Yorker published three of his stories and a collection of his short stories will be published by A Public Space in December 2019 His final novel The Beggar's Pawn is the story of a family whose chance meeting with a stranger while dog walking slowly becomes an ominous invasion of their domestic lives David and Maggie Holliss are an ordinary married couple

about to ease into a comfortable well earned retirement while tending to three middle aged children with whom they share an edgy relationship of love and resentment Reginald Parker enters their lives when he saves their dog from being run over by a truck and when asked how they can possibly thank him he replies with a request for the loan of two hundred dollars They lend it to him gladly and thus begins what will become for them and their family a nightmare that moves from comic resignation to stark tragedy In *The Beggar's Pawn* John L Heures explores the strains of marriage the nature of trust the limits of love and the inevitability of fate

Memory and Movies John Seamon, 2024-10-29 How popular films from *Memento* to *Slumdog Millionaire* can help us understand how memory works In the movie *Slumdog Millionaire* the childhood memories of a young game show contestant trigger his correct answers In *Memento* the amnesiac hero uses tattoos as memory aids In *Away from Her* an older woman suffering from dementia no longer remembers who her husband is These are compelling films that tell affecting stories about the human condition But what can these movies teach us about memory In this book John Seamon shows how examining the treatment of memory in popular movies can shed new light on how human memory works After explaining that memory is actually a diverse collection of independent systems Seamon uses examples from movies to offer an accessible nontechnical description of what science knows about memory function and dysfunction In a series of lively encounters with numerous popular films he draws on *Life of Pi* and *Avatar* for example to explain working memory used for short term retention He describes the process of long term memory with examples from such films as *Cast Away* and *Groundhog Day* The Return of Martin Guerre among other movies informs his account of how we recognize people the effect of emotion on autobiographical memory is illustrated by *The Kite Runner* *Titanic* and other films movies including *Born on the Fourth of July* and *Rachel Getting Married* illustrate the complex pain of traumatic memories Seamon shows us that movies rarely get amnesia right often using strategically timed blows to the protagonist's head as a way to turn memory off and then on again as in *Desperately Seeking Susan* Finally he uses movies including *On Golden Pond* and *Amour* to describe the memory loss that often accompanies aging while highlighting effective ways to maintain memory function

On Henry Miller John Burnside, 2018-03-27 An engaging invitation to rediscover Henry Miller and to learn how his anarchist sensibility can help us escape the air conditioned nightmare of the modern world The American writer Henry Miller's critical reputation if not his popular readership has been in eclipse at least since Kate Millett's blistering critique in *Sexual Politics* her landmark 1970 study of misogyny in literature and art Even a Miller fan like the acclaimed Scottish writer John Burnside finds Miller's sex books including *The Rosy Crucifixion* *Tropic of Cancer* and *Tropic of Capricorn* boring and embarrassing But Burnside says that Miller's notorious image as a pornographer and woman hater has hidden his vital true importance his anarchist sensibility and the way it shows us how by fleeing from conformity of all kinds we may be able to save ourselves from the air conditioned nightmare of the modern world Miller wrote that there is no salvation in becoming adapted to a world which is

crazy and in this short engaging and personal book Burnside shows how Miller teaches us to become less adapted to the world to resist a life sentence to the prison of social intellectual emotional and material conditioning Exploring the full range of Miller s work and giving special attention to *The Air Conditioned Nightmare* and *The Colossus of Maroussi* Burnside shows how with humor and wisdom Miller illuminates the misunderstood tradition of anarchist thought Along the way Burnside reflects on Rimbaud s enormous influence on Miller as well as on how Rimbaud and Miller have influenced his own writing An unconventional and appealing account of an unjustly neglected writer On Henry Miller restores to us a figure whose searing criticism of the modern world has never been more relevant **Twentieth Century Fiction** George
