On Wings Of Night:

The Serpent and the Wings of Night Carissa Broadbent, 2025-07-15 For humans and vampires the rules of survival are the same never trust never yield and always always guard your heart The adopted human daughter of the Nightborn vampire king Oraya carved her place in a world designed to kill her Her only chance to become something more than prey is entering the Kejari a legendary tournament held by the goddess of death herself But winning won't be easy amongst the most vicious warriors from all three vampire houses To survive Oraya is forced to make an alliance with a mysterious rival Everything about Raihn is dangerous He is a ruthless vampire an efficient killer an enemy to her father's crown and her greatest competition Yet what terrifies Oraya most of all is that she finds herself oddly drawn to him But there's no room for compassion in the Kejari War for the House of Night brews shattering everything that Oraya thought she knew about her home And Raihn may understand her more than anyone but their blossoming attraction could be her downfall in a kingdom where nothing is more deadly than love *The Serpent and the Wings of Night* is the first book in a new series of heart wrenching romance dark magic and bloodthirsty intrigue perfect for fans of *From Blood and Ash* and *A Court of Thorns and Roses*

Zanoni. By the author of "Night and Morning" i.e. Lord Lytton , etc Edward Bulwer Lytton Baron Lytton,1853 *City of Night* John Rechy,2013-11-12

The cult classic novel from one of the few major American writers whose life is as interesting and meaningful as his work Michael Cunningham When John Rechy s explosive first book appeared in 1963 it marked a radical departure from all other stories of its kind and gave voice to a subculture that had never before been revealed with such acuity It earned comparisons to Jean Genet and Jack Kerouac even as Rechy who had based the novel on his own life was personally attacked by scandalized reviewers Nevertheless *City of Night* became an international bestseller and ushered in a new era of fiction More than fifty years later it remains a classic Bold and inventive in style Rechy is unflinching in his portrayal of one anonymous youngman and his search for self knowledge and love within a furtive neon lit world of male hustlers drag queens closeted cops and fetishists As the narrator moves from El Paso to Times Square from Pershing Square to the French Quarter and through the lives of an extraordinary collection of characters who dwell in this clandestine world Rechy delivers a portrait of the edges of America that has lost none of its power to move and exhilarate Rechy s tone rings absolutely true is absolutely his own and he has the kind of discipline which allows him a rare and beautiful recklessness He tells the truth and tells it with such passion that we are forced to share in the life he conveys This is a most humbling and liberating achievement James Baldwin **Zanoni, by the author of 'Night and morning'. by sir E. Bulwer Lytton** Edward George E.L. Bulwer- Lytton (1st baron.),1853
