## **On Workers Control And The Nationalisation Of Industry:**

**On Workers' Control and the Nationalisation of Industry** Vladimir Il'ich Lenin,1982     On Workers' Control and the Nationalisation of Industry Vladimir Il'ich Lenin,1974     *On Workers's Control and the Nationalisation of Industry* Vladimir Il'ich Lenin,1970     *Nationalisation and Industrial Conflict* Surrendra Kumar Saxena,2012-12-06     **Socialist Nationalisation of Industry** Vladimir Aleksandrovich Vinogradov,1966     **Alexander Shlyapnikov, 1885-1937** Barbara Allen,2015-01-08 In Alexander Shlyapnikov 1885 1937 Life of an Old Bolshevik Barbara Allen recounts the political formation and positions of Russian Communist and trade unionist Alexander Shlyapnikov As leader of the Workers Opposition 1919 21 Shlyapnikov called for trade unions to realise workers mastery over the economy Despite defeat he continued to advocate distinct views on the Soviet socialist project that provide a counterpoint to Stalin s vision Arrested during the Great Terror he refused to confess to charges he thought illogical and unsupported by evidence Unlike the standard historical and literary depiction of the Old Bolshevik Shlyapnikov contested Stalin s and the NKVD s construct of the ideal party member Allen conducted extensive research in archives of the Soviet Communist party and secret police Listen to SRB Podcast s episode on Alexander Shlyapnikov An Old Working Class Bolshevik featuring Barbara Allen     *The Political Economy of Nationalisation in Britain, 1920-1950* Robert Millward,John Singleton,2002-04-18 In this 1998 book experts in British industrial history analyse the causes of nationalisation in the 1940s     **The Workers' Opposition in the Russian Communist Party** ,2021-09-27 The Russian Workers Opposition in 1919 21 advocated trade union management of the Soviet economy and worker dominance of the Russian Communist Party s leading bodies The Workers Opposition in the Russian Communist Party Documents 1919 30 comprises articles speeches theses memoranda protocols resolutions letters diary entries and other documents pertaining to the activity of the Workers Opposition group during its existence and of its individual former members after the group dissolved and until its key members ceased their participation in dissenting political activities by 1930 Most of the documents in the collection have never before been published in English and many have not been published in Russian It will appeal to those who study Marxism trade unions and Soviet history     An Introduction to Industrial Relations Michael P. Jackson,2024-10-21 An Introduction to Industrial Relations 1991 analyses various theoretical approaches to industrial relations and summarises the origins and development of the subject It looks at the impact of legislative changes technological developments and the growing currency of human resource management theories The book offers a comparative approach making extensive use of material from outside the UK notably from America Europe and the Pacific Rim and examines the implications of EEC legislation for industrial relations in the 1990s     State Capitalism and Working-class Radicalism in the French Aircraft Industry Herrick Chapman,1991-01-01 Using the example of the aircraft industry which takes him like an arrow to the heart of many of the key conflicts in French life between 1936 and 1948 Herrick Chapman has written a penetrating and exceptionally well documented account of the way that France developed

her present style of industrial relations in which the state plays such a central role No book I know so successfully integrates the history of aviation with the political and social history of France Both thorough and thoughtful it is an impressive achievement Robert Wohl University of California Los Angeles An unusual innovative book based on impressive research that throws new light in a major way on twentieth century French politics and society one of the most interesting and original monographs in modern French history in a long time Robert O Paxton Columbia University This is a breakthrough of considerable importance Chapman will become the leading North American perhaps even English speaking historian of contemporary France George Ross Brandeis University

**The Social Railway and Its Workers in Europe's Modern Era, 1880-2023** David Welsh, 2025-06-26 This thematically arranged book examines the evolution of rail transport and a number of railway workforces across Europe in the modern era from around 1880 to 2023 Each chapter explores how within the context of a social railway rail workers developed distinct national and international perspectives on the nature of their work and their roles in societies and states David Welsh convincingly argues that workers formed a raft of entirely new and enduring organisations such as trade unions that in turn became ramparts of hope Welsh goes on to consider how the insurgent character of these organisations produced moments of fury during tumultuous periods in the 20th century The Social Railway and its Workers in Europe s Modern Era 1880 2023 explores the national and European contexts in which both characteristics came to the fore including the ecology of fossil fuel technology coal and oil Above all it argues that social economic and political forces are not simply external scene shifting but integral to the history of railway systems The book examines the cultural construction of European railways through literature art and other forms of writing as well as recent oral history It also includes a detailed investigation of the role played by nationalisation and public ownership in Europe In the context of neoliberalism and globalization it proposes a 21st century programme for the social railway

Workers' Control Ernie Roberts, 2017-10-03 This book first published in 1973 sets out the reason why workers control is the necessary alternative to the present system It describes the struggle of the workers through their organizations to achieve a greater control over their lives and it discusses the practical steps which need to be taken to achieve complete workers control Practicality is the keynote of this book which starts from the reality of the 1970 s and progresses towards the essence of socialism workers control

AQA A-level History: Britain 1851-1964: Challenge and Transformation Nick Shepley, Michael Byrne, 2015-10-30 Exam Board AQA Level AS A level Subject History First Teaching September 2015 First Exam June 2016 AQA approved Enhance and expand your students knowledge and understanding of their AQA breadth study through expert narrative progressive skills development and bespoke essays from leading historians on key debates Builds students understanding of the events and issues of the period with authoritative well researched narrative that covers the specification content Introduces the key concepts of change continuity cause and consequence encouraging students to make comparisons across time as they advance through the course Improves students skills in tackling interpretation questions

and essay writing by providing clear guidance and practice activities Boosts students interpretative skills and interest in history through extended reading opportunities consisting of specially commissioned essays from practising historians on relevant debates Cements understanding of the broad issues underpinning the period with overviews of the key questions end of chapter summaries and diagrams that double up as handy revision aids Democracy Empire and War Britain 1851 1964 This title explores political and social reform 1851 1914 the impact of both World Wars the creation of the Welfare State and the transformational social changes of the 1950s and 1960s It considers breadth issues of change continuity cause and consequence in this period through examining key questions on themes such as democracy ideology economy society Britain s position in the world and the impact of key individuals The Economic Condition of Soviet Russia Sergei Nikolaevich Prokopovich,1924 **The Next Ten Years** , **The Next Ten Years in British Social and Economic Policy** George Douglas Howard Cole,1929 **Democratic Socialism in Britain and Sweden** Malcolm B. Hamilton,1989-06-18 A study of the fluctuations in the degree of radicalism and socialism in the domestic policies of Socialist Social Democratic and Labour parties in Western industrial democracies examining the influence of votes secured in elections and the aim of unity within the party and with the unions *British Conservatism and Trade Unionism, 1945-1964* Peter Dorey,2016-05-23 For most of the twentieth century the Conservative Party engaged in an ongoing struggle to curb the power of the trade unions culminating in the radical legislation of the Thatcher governments Yet as this book shows for a brief period between the end of the Second World War and the election of Harold Wilson s Labour government in 1964 the Conservative Party adopted a remarkably constructive and conciliatory approach to the trade unions dubbed voluntarism During this time the party leadership made strenuous efforts to avoid as far as was politically possible confrontation with or legislation against the trade unions even when this incurred the wrath of some Conservative backbenchers and the Party s mass membership In explaining why the Conservative leadership sought to avoid conflict with the trade unions this study considers the economic circumstances of the period in question the political environment electoral considerations the perspective adopted by the Conservative leadership in comprehending industrial relations and explaining conflict in the workplace and the personalities of both the Conservative leadership and the key figures in the trade unions Making extensive use of primary and archival sources it explains why the 1945 64 period was unique in the Conservative Party s approach to Britain s trade unions By 1964 though even hitherto Conservative defenders of voluntarism were acknowledging that some form of official inquiry into the conduct and operation of trade British unionism as a prelude to legislation was necessary thereby signifying that the heyday of voluntarism and cordial relations between senior Conservatives and the trade unions was coming to an end Socialising Public Ownership Martyn Sloman,1978-06-17 Social Classes in Marxist Theory Allin Cottrell,2019-11-19 First published in 1984 This study critically examines the conceptions of social class employed by Marx and by modern Marxist writers to probe their problematic areas and to propose certain modifications to those conception The author also

tests the conclusions deriving from this theoretical reflection against the task of analysing some aspects of the development of class relations in a particular social formation in Britain This title will be of interest to students of philosophy and politics
