## Once Again Now:

**More, Now, Again** Elizabeth Wurtzel, 2007-11-01 Elizabeth Wurtzel published her memoir of depression *Prozac Nation* to astonishing literary acclaim A cultural phenomenon by age twenty six she had fame money respect everything she had always wanted except that one true thing happiness For all of her professional success Wurtzel felt like a failure She had lost friends and lovers every magazine job she'd held and way too much weight She couldn't write and her second book was past due But when her doctor prescribed Ritalin to help her focus and boost the effects of her antidepressants Wurtzel was spared The Ritalin worked And worked The pills became her sugar the sweetness in the days that have none Soon she began grinding up the Ritalin and snorting it Then came the cocaine then more Ritalin then more cocaine Then I need more I always need more For all of my life I have needed more *More Now Again* is the brutally honest often painful account of Wurtzel's descent into drug addiction It is also a survival story How Wurtzel managed to break free of her relationship with Ritalin and learned to love life and herself is at the heart of this ultimately uplifting memoir that no reader will soon forget *My Faiths, Christ, and Me* Albert H. G. Briere, 2025-09-23 This book is directed toward our faith in our Lord and Savior Jesus Christ Nothing in this life means more to me than knowing that I am loved by God and His one and only Son Jesus Christ Bless His Holy Name To have loved and been loved by my loved ones having gone through another tragic loss and victories as well together is uplifting and encouraging It's about how we face all kinds of trials in life but we are never alone We always have hope in Christ We all serve a master in this life As for me I chose to serve Jesus Christ It is about fun fellowship peace and joy short stories poems and jokes fiction and facts such as my encounter with Bob and his wife at the store and the list I had with nine unique items on it A better place one day to be is home with the Lord where He has prepared a place for all who believe and receive Him as Savior and Lord It also contains two spiritual songs I wrote titled *I'm Going to Be with Jesus and Breathe* It's about my wife and daughters and our life in the Lord together forever to be free from sin and death all because He paid for our sins on the cross It's about the ultimate goal and to bring A Parable for Today to life One may say it's a real David and Goliath story and most definitely a love story More importantly it is to spread the Good News to the world God be Praised *Necromancies and Netherworlds* Darrell Schweitzer, Jason Van Hollander, 1999-08-01 Darrell Schweitzer author of *The Mask of the Sorcerer* and editor of *Weird Tales* collaborates with macabre artist writer Jason Van Hollander on a series of remarkable fantasies variously grotesque horrific ethereal and darkly comic Several of these form a cycle set in as yet undiscovered countries where the common men have thrown down the gods and decadent nobles reach new heights of ecstasy and terror with the drug hanquil You'll also encounter a wrenching yet romantic ghost story set in the American Southwest an intimately personal tale of the Cthulhu Mythos and the lingering legacy of Dunwich plus a dance of death and a house haunted by the terror of eternal life Here are all the stories Schweitzer and Van Hollander have written together a unique blending which makes these two the most successful collaborative team since Burke and Hare *Coming Back Alive*

Wallace,2021-07-12 This is a tale that spans the beginning of time till the end of days and beyond Imagine for a second if Milton and Dante collaborated and everything from Paradise Lost to the final battle between God and Lucifer was encompassed within that text along with all that is implied between the heights of redemption and the circles of Hell It is a pictograph of human nature where we came from how we got here and most importantly why we are here I am known as keeper of the stories of time and have much to share with thee Due to the fact that I am not a prevalent character in this tale I have chosen to remain unknown I am only the narrator of this story and although I may show up from time to time within said compilation of this tale I prefer to remain a mysterious stranger to this universe It all begins in a time of the Christ when a secret pact was made between Judas and Jesus forming a tidal wave of emotion and thunder during a climatic behind the scenes knowledge of Lucifer s deception from God How a new god was forged by the two who set the stage for an answer to end the war between Light and Darkness His name is M bius Kain the god of truth and when this tale concludes an empire of balance must be forged to order the chaos that coexists within our world      *Well of Sins* Bonnie King,Richard

King,2012-06-22 BOOK DESCRIPTION All civilizations have a story or myth of an Armageddon a great war where good and evil will clash fighting for the fate of the Universe Some say good will triumph others say not In the time of Troy three god forged items were crafted None of the gods who made these artifacts knew of the vital role each will play in that battle until history has molded them to its own needs From Troy through Moses and to the Emperors of Rome these items have been influenced by the sins and virtues of those who held them and in return they have influenced their holders From one hand to another they have been passed through the generations Only centuries after their making will their final purpose be known No one truly knows when Armageddon is supposed to begin but many believe it is right around the corner They may very well be right A time approaches where these artifacts will be sought whether for good or evil remains to be seen But to understand what these items are it must be told how they came to be From Troy to Egypt and the Promised Land the Cup of Apollo becomes the prize of a young man with a slingshot A young man who would one day become King      Unwelcome

L. Cruise, 2005 The effects and counter effects of a little known religious revival led by Charles Finney in upstate New York in 1830 began a change of events that would be felt long after Finney's visit and far beyond the boundaries of the river town of Rochester Charles Finney a talented lawyer turned Presbyterian evangelist spearheaded the Christian social justice movement that produced the abolitionist movement prohibition woman's suffrage and the Civil War Finney challenged the traditional belief in Predestination by his stand on duty to one's fellow human beings Thousands of people came to his revival in the river town of Rochester and were transformed by his message He set them afire with religious zeal hence upper New York became known as the Burnt Over District and this novel received its name A door had been opened for men like Frederick Douglass a black man to publish an abolitionist's newspaper Rochester would become an important part of the Anti Slavery Movement and the Underground Railroad Rochester was also the birthplace of the woman's rights movement in the person of Susan B Anthony The ancient roles of women would at last be challenged along with the other attitudes that had hitherto suffocated the dignity of large numbers of the human race All this is not to imply that the utopia dreamed of in Finney's day was in fact realized Quite the contrary an upheaval occurred forces were set in motion that could not be stopped But it is only when humans are stressed that agitation conceives change to which complacency could not give birth I came to set the earth on fire and how I wish it were already kindled I have a baptism to receive and how distressed I am until it is over Do you suppose that I came to bring peace to the world No not peace but division Luke 12:49-51 Through the fictional characters of my book I dramatize vividly the transformation of human beings representing every facet of 1830 American life From their cold and bitter Puritan roots the tyranny of slavery the oppression of immigrant peoples and the greed of the emerging industrial revolution to the upheaval that produced the Civil War my characters tell a passionate painful and uplifting story of a nation giving birth to the ideal of social justice      **The Complete Concordance to Shakespeare: Being**
