## Once Upon A Pedestal:

Once Upon a Time Kellen Sinclair, 2025-09-18 Once upon a time Jeffrey fell in love with his best friend Tamlin Jeffrey may work at Storyville bookstore but he doesn't believe in happy endings not for himself Tamlin is princely by nature a heroic pure ray of sunshine Jeffrey is an irascible grumpy cat who would likely be cast as a villain's henchman He knows Tamlin deserves someone far better another prince who will someday sweep him off his feet and carry him off into the sunset His tenuous acceptance of the platonic status quo is shattered when Tamlin confesses he has a crush on someone Who is this friend Tamlin is romantically interested in Can he convince Tamlin to banish them to the friend zone and consider dating Jeffrey instead Once upon a time Tamlin fell in love with his best friend Jeffrey Tamlin foolishly confessed to Jeffrey that he had a crush on a friend Jeffrey's instant response was it's better to keep things platonic Jeffrey must have figured out that the friend is himself and he let Tamlin down gently How can Tamlin get over his romantic feelings somehow put Jeffrey back in the friend zone And why did Jeffrey just ask him out after he turned down Tamlin's same request It will take three copies of a cult classic fantasy novel two bungled love confessions and one meddling famous author to get Jeffrey and Tamlin to realize that happy endings aren't just fictional they can be made real if they properly use their words *Storm Shelter Poems for the Children of God* Richard O. Jones, 2010-06-24 This book was especially written for spiritual people on a spiritual journey that are receptive to a little poetic philosophy along the way People that are drowning in a sea of false accusations riding high in the saddle but can't stand the horse have big money but low self esteem living in sin and enjoying every moment or living right but feeling bad can personally relate to many of the poems in this book People that are in the throes of affliction but refuse to surrender this book will become your amen corner while provoking reflection and deep thought When the big party is over and all your fair weather guests are gone this book helps clean up the aftermath The scrapes scratches and healed wounds of life inspired the author to poetically encourage and guide readers through the emotional swampland of tomorrow and fear no evil These poems do not imply that the road is not rocky and the sky is not cloudy nor will the sun brighten your every day This book is not intended to eradicate your storms but only to become your umbrella with only a couple microscopic leaks *Once Upon a Secret* Mimi Alford, 2012-02-08 1 NEW YORK TIMES BESTSELLER With the benefit of hindsight and good old fashioned maturity Mimi Alford writes not just about the secret but the corrosive effect of keeping that secret You can't help liking her or her elegant and thoroughly good natured book *The Spectator* In the summer of 1962 nineteen year old Mimi Beardsley arrived in Washington D C to begin an internship in the White House press office After just three days on the job the privileged but sheltered young woman was presented to the President himself Almost immediately the two began an affair that would continue for the next eighteen months Emotionally unprepared to counter the President's charisma and power Mimi was also ill equipped to handle the feelings of isolation that would follow as she fell into the double life of a college student who was also the secret lover of the most powerful man in the world After the

President's assassination in Dallas she grieved alone locked her secret away and tried to start a new life only to be blindsided by her past Now no longer defined by silence or shame Mimi Alford finally unburdens herself with this unflinchingly honest account of her life and her extremely private moments with a very public man This paperback edition includes a special Q A in which the author reflects on the intense media attention surrounding the book's initial release Once Upon a Secret is a moving story of a woman emerging from the shadows to reclaim the truth What Alford sacrificed in lucre she has more than recovered in credibility and dignity The Washington Times Compelling a polished voice telling a credible story you can take to the bank Seattle Post Intelligencer Explosive searingly candid New York Post **Once Upon a Darkened Night 13-15**
