THE ME CHANGE....AND THE MODERN MANNERS

ADVANTAGE Anthony Beringen, 2012-02-15 Lured by the promise of a brand new life some people move to a quaint hamlet by the sea Others are attracted by the peace and quiet of open green fields fresh air blue skies and the wholesome lifestyle promised by a rural life in the countryside THE ME CHANGE is about a relocation of a completely different kind It s about a clever adjustment to your inner thought processes to focus more clearly on what you can do better to cope with what s happening in the chaotic aggressive and digitally enhanced world around you on the outside Modern manners represent the precision tools contained within your ME CHANGE toolbox They are the skills habits and overall social finesse that give you the lasting confidence to interact intelligently and in a much more effective way They are simple yet proven strategies to reshape your personal brand as they help you transition from being merely socially functional to a higher state of being socially effective Do something great for yourself today and make a ME CHANGE Reduce stress change gears and embrace a new direction to improve the overall quality and happiness of your life There is a new modern manners advantage in town and it has nothing to do with which fork you use

Once Upon an American Dream Andrew Lainsbury, 2000 Branded a cultural Chernobyl and the tragic kingdom the Euro Disney Resort has been on its own thrill ride since opening in 1992 The much publicized version of the Magic Kingdom gave Europeans alcohol free mocktails surly employees even colors too muted for the Disney image Facing financial disaster was it any wonder that Disney execs found themselves wishing upon a star for answers After so many knee jerk criticisms of Euro Disney this book combines firsthand experience and research to shed new light on claims that the park is nothing more than a form of American cultural imperialism Andrew Lainsbury a former Euro Disney employee who knows what the park meant to its visitors goes beyond media bites and academic scorn to examine Europe s love hate relationship with Euro Disneyland and some of the undiscussed issues surrounding it Once Upon an American Dream is a story of global capitalism on a grand scale Lainsbury has plumbed company archives and interviewed key players to give readers the real view from Le Chateau de la Belle au Bois Dormant Sleeping Beauty s Castle He cracks open the Euro Disney controversy to reveal the park not as a tragic experiment in exporting American culture but the result of European efforts to import a popular form of American entertainment Lainsbury tells how the Walt Disney Company came to build a European park and locate it in France how political negotiations affected its design and development how it was promoted to continental audiences and what caused its widely publicized financial woes before being rescued by a real prince from Saudi Arabia He reveals what it took to win back the hearts of skeptical Europeans such as serving wine selling flashy merchandise and placating disgruntled workers Finally he looks into the magic mirror to speculate on the role of Euro Disney and the Walt Disney Company in the twenty first century Ultimately Lainsbury shows that cultural imperialism is not an exclusively American phenomenon but a global corporate strategy and that global corporatism by needing to be responsive to consumers is so complex that it may not be as monolithic as feared Once Upon an American Dream is a fairy
