Reeves, 2023-10-17 We often hear the phrase once saved always saved which to some means that once a person is saved he will always be saved no matter what he does Scripture does verify that when a person is born again and is truly saved he has eternal security But what is revealed in Scripture about this important issue must be properly understood Misinterpretation of this important biblical concept can have dire consequences This book will discuss many positive aspects of the once saved always saved concept However it will also show that there is significant potential for misunderstanding and misusing this idea in ways that may be dangerous from a spiritual point of view These dangers include erroneously thinking one is eternally saved when he is not even saved at all making no effort to grow spiritually and not working toward eternal rewards because one sees no reason to if he is already eternally secure Topics such as what it means to truly be saved at what time is one actually saved the importance of being sure about one's salvation the danger of turning the grace of God into licentiousness and what happens with the carnal Christian will also be considered This book will explore these issues from the point of view that if a person is saved he will always be saved but he must be truly saved to indeed have eternal security **Once Saved, Always Saved?** David Pawson, 2021-07-30 The majority Evangelical view is that once someone has accepted Christ as Saviour they are guaranteed salvation But is it safe to assume that once we are saved we are saved for always David Pawson investigates this through biblical evidence historical figures such as Augustine Luther and Wesley and evangelical assumptions about grace and justification divine sovereignty and human responsibility He asks whether something more than being born again is required so that our inheritance is not lost This book helps us decide whether once saved always saved is real assurance or a misleading assumption The answer will have profound effects on the way we live and disciple others **Once Saved Always Saved?** Dr. George Joseph K PhD, 2015-12-06 This book gives a fitting Biblical reply to the age old debate on the issue of whether salvation can be lost or once saved always saved *Once a Vol, Always a Vol!* Gus Manning, Haywood Harris, 2006 We can't speak for other schools but at the University of Tennessee they never want to turn loose of their sports heroes After bidding their seniors farewell in their final game at Neyland Stadium Vol fans begin charting the career paths of the school's athletes When safety Charles Davis is featured on national television providing commentary for a West Coast football game they will tune in Or if towering offensive lineman Tim Irwin becomes the judge at Knoxville's Juvenile Court they rejoice in their community's good fortune It's safe to say UT fans have trouble letting go On
